JIM MURRAY'S WHISKY BIBLE - 94 POINTS - 'Perhaps the most enigmatic aroma of them all: delicate yet assertive, sweet yet dry, young yet oaky: a malty tone poem; flaky oakiness throughout but there is an impossibly complex toastiness to the barley which seems to suggest the lightest hint of smoke; amazingly long for such a light dram, drying from the initial sweetness but with flaked almonds amid the oakier, rich cocoa notes; remains one of the great single malts: a whisky of uncompromising aesthetic beauty from the first enigmatic whiff to the last teasing and tantalising gulp. Complexity at its most complex.'

Red Wine

EDMEADES Zinfandel 2005 Bottle - BIN END 1 —~~£11.95~~ **25 %** **£8.95**

Aromas of black cherries, spice, violets and cola berry are the most prominent; but raspberries, salted apples, coffee and cedar chest are also layered into the profile. Flavors are full, soft and supple, with good intensity of fruit flavors. The berry and cherry flavors linger on the palate until you taste it again; the tartness of the finish goes from cherries, to stonefruit, to minerality. The 2006 vintage has a softness on the palate which is a result of the higher PH and lower acidity in the wine; easy to drink young, or will grow more complex with three to five years of cellaring.

FROG'S LEAP Merlot - Napa Valley 2005 Bottle - BIN END Added 21/10/09 7 —~~£23.95~~ **21 %** **£18.95**

Deep, deep black in colour. Nose of herbs (especially oregano and sage). Great, full flavours of cherry, blueberry and plums. Great character and structure and would be great with a roast dinner as the mouth-watering acidity will cut through any fat really well. Persistent finish. Big thumbs up from everyone!

White Wine

KENDALL JACKSON Chardonnay 'Stature' 2001 Bottle - BIN END 13 —~~£30.85~~ **26 %** **£22.95**

ROBERT PARKER The Wine Advocate 93 points 'The 2000 Stature Chardonnay Santa Maria (760 cases) is even better than the 1999, boasting phenomenally intense aromas and flavors of tropical fruits in addition to higher glycerin levels and a rare viscosity. Its pure tropical fruit essence is nicely infused with smoky, toasty oak. This is a sexy, exotic Chardonnay. At the highest level of the Kendall-Jackson hierarchy are the Stature offerings. These are made in much more limited quantities than either the Great Estates or Grand Reserve cuvees. Hence, I have kept my tasting notes short as their commercial availability is restricted'

KENDALL JACKSON Chardonnay Vintners Res 2006 Bottle - BIN END Added 21/ 31 —~~£12.45~~ **28 %** **£8.95**

This Chardonnay is a delicious blend of the best flavours from California's North Coast vineyards. Ripe red apple from Sonoma, luscious peach and pear from Carneros and rich tropical fruit from Santa Barbara, layered with buttery barrel fermentation and vanilla oak aging. This winning combination garners Kendall-Jackson top medals and awards in competitions worldwide. Concentrated citrus, melon, apple and tropical fruit aromas and flavours with buttery, toasty oak notes. A rich, creamy textured wine, with round flavours and a persistent flavour impression. Ideal as an aperitif or with seafood, rosemary chicken, light creamy pastas and broiled salmon with tarragon butter.

KENDALL JACKSON Sauvignon Blanc Vintners Res.2005/06 Bot - BIN END Added 53 —~~£10.95~~ **27 %** **£7.95**

PACIFIC COAST - Full, fresh citrus, melon, pear and fig fruit is balanced by subtle herb nuances. Crisp and refreshing, with hints of vanilla and spice in the long finish. This wine is a fine aperitif and a perfect match for fish, chicken, enchiladas or light pastas and Asian Cuisine.

SEGHESIO Fiano 2006 Bottle - BIN END 4 —~~£15.45~~ **25 %** **£11.55**

This 2006 Fiano is round and has unique elements of orange, honey, and tropical fruit along with a hint of roasted nuts. The Seghesio family makes wines from their cool climate estate grown fruit in Northern Sonoma County. They were the first to plant the Fiano grape in the Russian River, where this uncommon Italian varietal does extraordinarily well. Grape Variety 100% Fiano.

BROKENWOOD Shiraz 'Hunter Valley' 2004/05 Bottle - BIN END 4 ~~£14.95~~ **27 %** **£10.95**

Cross regional blending is the key to the success of these wines - with balance and length and the pristine flavours of the varieties shining through in the glass. This regional blending is also used to make the Brokenwood Shiraz. A blend of fruit from McLaren Vale, Beechworth and Padthaway, it is brambley and nicely structured.

KATNOOK Merlot 2005 Bottle - BIN END Added 21/10/09 15 ~~£15.95~~ **20 %** **£12.75**

KATNOOK Shiraz 'Prodigy' 2003 Bottle - BIN END 13 ~~£35.95~~ **31 %** **£24.95**

This ultra-premium Coonawarra Shiraz entered the market with a bang, taking out the 1998 Jimmy Watson Trophy with its first vintage off new vines. "Although Coonawarra's reputation as the ideal terroir for Cabernet Sauvignon is well known, it also produces world class Shiraz. The variety is perhaps more challenging in the Coonawarra but when it all comes together Coonawarra Shiraz truly comes into its own," says Wayne Stehbens. It is an opulent wine with heady dark berry fruit characters combined with hints of licorice and roasted coffee finishing with a well-balanced fine tannin structure and weight. Suggested cellaring potential is medium to long 10 to 20 years.

RESCHKE Cabernet Sauvignon 'Bos' 2003 Bottle - BIN END 164 ~~£14.95~~ **25 %** **£11.25**

The elegant structure and complexity of Bos, embody the perfect balance between Reschke's outstanding quality of fruit, the passion of winemaking specialist Peter Douglas and the Coonawarra terroir. The fruit is primarily sourced from Reschke's older low yielding vines which are carefully controlled to ensure optimum flavour profiles are achieved. Vinification includes warm fermentation and maturation in small oak casks - 10% being first use American Hogsheads, the remaining casks being first use tightly grained French oak barrels. Black currant, cassis, spicy oak and fined-grained soft tannins amalgamate to make this a true Coonawarra benchmark. Approachable at release it will gain complexity with medium term cellaring.

THE PADDOCK Shiraz (Glass) NV Quarter Litre (25cl) - BIN END 60 ~~£1.95~~ **51 %** **£0.95**

Rich fruits on the nose, including plums and red berries, which carry through onto the palate, with a good ripe tannin structure, friendly and approachable.

LONGMAN Shark Biscuit Rose (PET) N.V. Quarter (18.75cl) - BIN END 23 ~~£1.45~~ **28 %** **£1.05**

White Wine

MAD FISH Riesling 2006/07 Bottle - BIN END Added 17/11/09 3 ~~£8.45~~ **20 %** **£6.75**

The wine is pale straw in colour with green tinges. The nose shows limes, passion fruit and floral characters while the palate is clean and refreshing with citrus and bath salts to backup the riper fruit flavours. The finish is quite mineral like with a lovely zing of acid that streaks down the palate.

This wine will drink wonderfully from a very young age, but like all good Rieslings it will develop intriguing secondary characters as it ages, allowing for toasty flavours to compliment the primary fruit. Given correct storage this wine will reward cellaring for at least eight years.

PETALUMA Tiers Chardonnay 2002 Bottle - BIN END (Added 21/10/09) 3 ~~£47.95~~ **21 %** **£37.95**

Tiers Chardonnay is the fourth release from this special vineyard and represents the vineyard at its best. The aroma is of pear and white peach with loads of complexity; clove and cinnamon and vanilla from the oak and creamy brioche characters from the malolactic and lees stirring. A wet stone, mineral element in the aroma persists through the flavour. The wine is more than moderately viscous because of the low crop level but retains an austerity of finish typical of the wines of the Tiers Vineyard. A very special wine!

PLANTAGENET Sauvignon Blanc 'Omrah' 2006 Bottle - BIN END 31 ~~£8.75~~ **21 %** **£6.95**

The Plantagenet wines continue to enjoy enormous success. The purity of fruit captured by winemaker Gavin Berry, allied to their reasonable prices, illustrate the reasons for this success.

This Sauvignon Blanc is absolutely fantastic and one of the best examples of Sauvignon we have seen from Western Australia. It has a brilliant, pale straw colour and aromas of gooseberries, lemons, limes and passionfruit. On the palate it has a zingy, mouthfilling array of crisp citrus fruits with hints of green apples with a long and luscious finish. A style to be enjoyed while young and fresh it is the perfect accompaniment to Seafood and Asian dishes.

REDFIN Chardonnay 2005 Bottle - BIN END 6 ~~£5.95~~ **25 %** **£4.45**

The Chardonnay grapes selected for the RedFin Wines were chosen by fruit ripness to ensure that this is a fresh, clean young wine, with a rounded, biscuity character. Easy drinking, very enjoyable.

CHOCALAN Carmenere 'Seleccion' 2007 Bottle - BIN END 16 ~~£7.95~~ **25 %** **£5.95**

The Selección range from Viña Chocalán offers fantastic value for money. This Carmenère offers tremendous black fruit flavours with subtle oak treatment and ample body and well balanced acidity.

The colour is characteristic of the variety, both deep and somewhat matte. Great aromatic intensity, with a vegetal character reminiscent of cooked green beans, black pepper, dried chili peppers, and dried grass. High acidity, persistent, and consistent with the characteristics of the variety. The tannins are especially round. A great example of Chilean wine making

Rose Wine

PALENA Rose Cabernet Sauvignon 'Valdivieso' 2006 Bottle - BIN END 44 ~~£5.45~~ **28 %** **£3.95**

Sweet, juicy cherry, strawberry and blackcurrant aromas and flavours galore, with fresh, tingly acidity keeping everything in balance; a delightful, fruit-first rose.

Laid back New Zealander Brett Jackson is very much settled in Chile - although he hasn't lost his lifelong affection for the All Blacks - and much of Valdivieso's success in recent years has been down to his efforts. Based in Lontue, the company has a wealth of vineyards and the quality of the terroir is shown by the Single Vineyard wines. The whole range encapsulates everything that Chile excels at: rich, vibrant flavours and smooth, glossy textures - and the wines deserve the multitude of gongs they have picked up in recent years.

CAVES DE RIBEAUVILLE Pinot Gris Vendange Tard. 00/3 50cl - BIN END Added 2; 5 —~~£23.95~~ **21 %** **£18.95**

Quality above quantity, collective interest above individual interest, long-term above short-term." This is the motto of Cave de Ribeauville, the oldest wine co-operative in France, founded in 1895. Their impressive roster of aromatic whites convinced us that they were the ideal Alsatian partner for us. They have made massive investment in the winery including provision for vinification of small lots and 'terroir selections'. All the fruit is meticulously hand picked to produce a superb range of wines at all prices.

Explosion in the nose but with finesse and complexity. Smoked, overripe and boytrytis nose. A round powerful and long lasting sensation. Fig and confit apricot aromas.

CHATEAU BRISSON Cotes de Castillon 2002 Double Magnum - BIN END 1 —~~£35.95~~ **45 %** **£19.95**

MOMMESSIN Morey-St-Denis 'Forge de Tart' 2004 Bottle - BIN END 13 —~~£42.95~~ **25 %** **£32.20**

The nose shows spice and a good core of fruit. Tasting shows a little fat and earth, interesting flavours, nice concentration and good acidity. Some tannin shows, but it's not too unruly and the finish lasts well. Worth it's 1er Cru label.

RENE ENGEL Vosne-Romanee 2004 Bottle - BIN END 9 —~~£31.95~~ **25 %** **£23.95**

BRET BROTHERS Pouilly-Vinzelles 'Quarts' Dom Soufrandiere 2004 Bottle - BIN EN 9 —~~£22.95~~ **25 %** **£17.25**

First the south-facing grapes were picked, then those on the north side were harvested five days later to ensure optimum ripeness. The vine age varies between 40 and 70 years old. A backward, beautifully structured, potentially very complex wine with a sublime finish.

COMTE LAFON Macon-Milly 'Clos du Four' 2005/06 Bottle - BIN END Added 21/1 15 —~~£16.95~~ **24 %** **£12.95**

An impressive wine even though the fruit aromas are closed at present. There is an intense core of acidity and austerity that almost reminds one of steely Chablis. The palate however offers just enough volume and roundness to remind us of the wine's more southerly origin. The mouth-watering finish is long and has all the attributes of a more refined appellation. And the impressive acidity and concentration makes for great ageing potential. Drink 2007 to 2010

DOMAINE DES CASSAGNOLES Floc de Gascogne Blanc N.V. Bottle - BIN END 3 —£8.25 **28 %** **£5.95**

Originating from the Gascon recipe in the XVII century and well guarded through country traditions, the Floc de Gascogne, ("Lou Floc", bouquet of flowers in Occitan) is today a blend of know-how and traditions. Both sensual, soft and bewitching, it is the result of the subtle blend between the charm of the fresh grape juice and the vitality of young Armagnacs from the property.

DOMAINE DE SAUMAREZ Rose 'Fleur de Liz' 2006 Bottle - BIN END 7 —~~£7.45~~ **27 %** **£5.45**

The proprietors of this Languedoc domaine, Liz and Robin Williamson are young (Robin from Guernsey and Liz from New Zealand), with a background in finance. They moved to the south of France to make wine. Their property of 15 hectares is situated in the Village of Murviel-les-Montpellier, and they have 12 hectares under vine, with a classic mix of Languedoc varieties (principally Grenache and Syrah). The grapes are harvested fully ripe, before fermentation in lined concrete tanks. There's very little pigeage as the ripeness of the grapes makes heavy extraction unnecessary, with just a bit of remontage to keep the skins wet.

40% Chardonnay, 25% Sauvignon Blanc, 35% Viognier. This is an interesting blend for a white wine from this region. <i>Andre Colonge has always been a reliable source for textbook Beaujolais Villages and Fleuries. The wines are now more pronounced and precise; the Beaujolais Villages is packed with ripe, lively, red fruits, while the Fleurie has a seductive mouth-feel and a cornucopia of summer-pudding fruits on the palate. A delicious, ample, lush wine which always gives great pleasure.</i>

NICOLIS Recioto Valpolicella Class 03/04 Half Litre - BIN END (Added 21/10/09) 9 —~~£20.50~~ **20 %** **£16.40**
The wines run the whole range of the Valpolicella spectrum from the anything but basic Classico and Classico Superiore which establish a house style of vibrant, bright cherry fruit and ripe, elegant tannins up to the epic dry Amarone and sweet Recioto. These latter two are made from grapes that are dried out almost to raisins in aerated lofts to concentrate the intensity of flavour. The Italian phrase "vino da meditazione" is very apt indeed. Intensely perfumes with floral aromas of violets, wild roses, and vanilla. The palate is full-bodied, rich and sweet with velvety, warm tannins, chocolaty spice plum pudding fruit and fresh acidity.

SUAVIA Recioto di Soave 2004 Half - BIN END (Added 21/10/09) 6 —~~£18.95~~ **21 %** **£14.95**
There are family-run boutique wineries, and then there is Suavia. Everything at this estate is done by one of the four Tessari sisters who have taken over from their parents. With plenty of hard work, Arianna, Meri, Valentina and Alessandra have taken Suavia on to the next level where it can rightly be regarded as one of the region's very best wineries. These wines are aromatic, lively and fresh with a fabulous concentration of flavour. They will make you look at Soave in a whole new light. Golden colour with honeyed aromas and notes of dried fruit and peaches. Luscious and rich with sweet sultana, apricot and spice on the palate cut by a streak of minerality and crisp acidity.

CUVEE DE FRATI Brut Sparkling 2004 Bottle - BIN END Added 22/10/09 22 —~~£14.95~~ **20 %** **£11.95**
The Dal Cero family has transformed their Ca' dei Frati property into a model Italian estate over the past decade. In 1987 they had 12 hectares of vineyard; today, they have 50. This increase in quantity has been matched by an increase in quality, and now they are the best producers in Lugana. During the past decade, the Dal Cero family has worked tirelessly to position themselves as one Italy's best producers of white wine. Fruit is sourced from the 1 Frati (5.84 ha) vineyard in Sirmione and Ronchedone (9 ha) vineyard in Desenzano del Garda. Soils are chalky clay. Vines are single or double Guyot trained. Yield is about 90 quintals per hectare. This sparkling wine was produced by a Metodo Classico process. Alcoholic and malolactic fermentation takes place partially in stainless steel and partially in barrique. After triage, it is aged on its lees for minimum 24 months before disgorgement and a further four months after. The small proportion of Chardonnay in the blend becomes more evident after lees ageing, and adds a rounder, fuller character to the wine. Light gold in colour, with a good, fine mousse, it is attractively perfumed, with a rich, biscuity character balanced by a freshness which comes from the natural acidity of the grapes. On the palate it is soft and silky, with a long finish.

ALOIS LAGEDER Pinot Grigio 2005 Half - BIN END Added 22/10/09 12 —~~£5.95~~ **20 %** **£4.75**
Wine Makers Alois Lageder and Luis von Dellemann make this 100% Pinot Grigio superclean and crisp, with apple, pineapple and lemon aromas and flavours. Medium-bodied, with fresh acidity. Long finish with hints of white pepper. Producer info Alois Lageder is one of Italy's foremost winemakers. Based in the mountainous Alto Adige region in the far north of the country, the vines (which were converted to biodynamics in 2004) enjoy a long, sunny growing season with warm days and cool nights that help to preserve both the grapes' natural aromas and acidity. The wines themselves are made simply in a carbon-neutral, solar-powered state-of-the-art winery that moves the wine gently, using gravity wherever possible. The house style is all about freshness, elegance and purity of fruit. These are finely chiseled wines with real definition, but immense charm too.

BELLANOTTE Pinot Grigio 'Ramato' C. Lucio 2006/07 Bottle - BIN END 1 —~~£10.45~~ **25 %** **£7.85**
Bellanotte is an eight-hectare farm in the variegated terroirs of the Isonzo valley and Collio hills. This is the true ramato Pinot Grigio with a light amber colour and a pearly sheen in the glass. The nose suggests hay, elderflower and tea rose, followed by red apple, with light tones of dried fruits and almonds. The fine acidity gives the wine sapidity and persistence.

BRUNORI Verdicchio dei Castelli di Jesi 2004/05 Bottle - BIN END 15 —~~£6.45~~ **25 %** **£4.85**
Wine Maker Alberto Mazzoni makes this medium-bodied wine from 100% Verdicchio grapes. It is fresh with pear and apple dominating the nose and palate. A classic almond note rounds out the refreshing finish. Producer info Located in the San Nicolo area of San Paolo di Jesi, Brunori are literally at the heart of the Verdicchio dei Castelli di Jesi zone. A family-owned firm, founded by Mario Brunori in the 1950s and since run by his son Giorgio and nephews Carlo and Cristina. The relatively small scale means the family is involved throughout the production from the vineyards, through the winery and even into the marketing and sales operations. This involvement allows them to ensure their high standards are maintained at every stage.

Using his family's old manor house (which has all the feel of a small chateau in Bordeaux) as a base, Nuno planted 10 hectares of vines across three plots in 1991. Nuno's previous life as a overworked consultant winemaker has been downshifted in the last couple of years, so he can concentrate much more effort on this fascinating project. Visiting Nuno one gets the feeling of a passionate vigneron, but one who rather likes boys' toys, too, hence amongst other things his gleaming all-steel basket press in the cellar. ABADIA RETUERA Pago Negralada 2003 Bottle - BIN END Added 21/10/09	4	—£53.95	20 %	£42.95
--	---	---------	-------------	---------------

All the grapes for this wine come from the pago, or single-vineyard, Negralada. Soils here are typical of the alluvial soils of the River Duero - clay, mixed with pebbles and sand. Negralada is 720 metres above sea level and 300 metres from the river itself. This is the signature wine of the Abadia range and is particularly outstanding in this vintage.

ROBERT PARKER 93 points (2007) 'The 2003 Pago Negrolada comes from a single, high elevation Tempranillo vineyard and is typically the winery's benchmark effort. The wine was barrel fermented and displays a saturated purple color, splendid blackberry, chocolate and earthy aromas. It is packed with ripe, impeccable pure fruit, and has impressive balance. It should come into its own with 4-6 years of cellaring and drink well for a decade thereafter.'

VINA IZADI Rioja Reserva 2003 Bottle - BIN END	1	—£14.95	27 %	£10.95
--	---	---------	-------------	---------------

This is the highest part of Rioja and the vineyards are situated at an altitude of 600m above sea level, this creates a temperature difference of often 20 degrees between day & night temperatures which helps to produce great fresh acidity and pure concentrated fruit flavours in the wines.

ROBERT PARKER 'The 2003 Reserva is a blend of 75% Tempranillo, 15% Graciano, and 10% Grenache which spent 22 months in French and American oak. It is more deeply colored and considerably more marked by the barrel treatment. The nose offers plenty of toasty oak, spice box, cherry, and blackberry. On the palate the wine is firm and monolithic, the fruit held in check by the oak. The tannins are ripe and there is good concentration and length. Perhaps with time some of the oak will be resolved and my score will appear conservative.'
