The Blend is • 80% Chardonnay • 20% Pinot Noir. Tasting Notes: Clear and bright, golden yellow with delicate amber tones. The nose is fresh, it features very clean and pure aromas of white flesh fruit, lemon and chalk. The palate is ample and generous, but not lacking tension nonetheless, it is full of delicate and subtle notes of vanilla and of ripe fruit. The finish is long and fine, and boasts that pure and pristine quality given by the lack of dosage. Food pairings: will pair well with fine and delicate dishes, such as a citrus-infused fish carpaccio, cooked oysters or veal sweetbreads.

DARENBERG The Daddy Long Legs Tawny Extremely Rare NV HALF (fred)

2 — ~~199.95~~ **35 %**  
**£70.00** **FINAL REDUCTION ONLY**  
**£129.95**

Wine Advocate #181 (Feb 2009) Jay S Miller - 94 points - "Fourth generation family winemaker Chester Osborn took over the reins as chief winemaker from his father, d'Arry in 1984. Once the keys to the winery and cellars were in his hands, Chester decided to hold back 15 barrels of the current blend of "Selected Tawny Port" a very old and exceptionally high quality fortified wine. These barrels were left to slowly mature and were only 'topped up' when necessary using only the same, carefully aged wine. The barrel shed that houses these old casks is also inhabited by hundreds of Daddy Long Leg spiders, who have kept a watchful eye over these precious gems for decades. The wine was in superb condition and the spiders were doing such a great job protecting the barrels that Chester left them alone until just recently when he decided to bottle a small quantity for our pleasure. The wine is extremely old and exemplifies a classic Australian style. The colour is of an aged wine with a soft tan appearance. Amazing concentration." Comes boxed.

51 — ~~22.95~~ **17 %**  
**£4.00** **Reduced to Clear ONLY**  
**£18.95**

Beerenauslese (meaning selected berry harvest) is a sweet dessert wine made from extremely ripe grapes that are affected by "noble rot" or the botrytis fungus which give the resulting wine its characteristic rich sweet taste. The grapes are harvested by hand by individual berry and the wine is handcrafted in small batches. Yellow green in colour with fine nuances of mandarins and blossom honey, a hint of caramel, and aromas of ripe stone fruit. Peach and honey melon on the palate, powerful, lively acid structure, plenty of minerals, well balanced, good length, delicate yellow tropical fruit on the finish. An exquisite experience when paired with blue cheese or nutty or salted caramel desserts, savoured on its own or even with a hot red Thai curry!

CHATEAU DE FARGUES Lur Saluces Sauternes 2003 HALF (rtc)

1 — ~~29.95~~ **17 %**  
**£5.00** **Reduced to Clear ONLY**  
**£24.95**

The 2003 de Fargues offers 132-grams-per-liter residual sugar and an alcohol level of 13.92%. The grapes rapidly accumulated sugar, so they had to pick quickly, lest the sugar content ran out of control. Consequently, the harvest was concentrated in one intense week from September 19-25. Contrasting this directly against the 2005 and 2007, there is clearly not the same degree of definition and clarity. There is a touch of beeswax and honeysuckle but it needs more complexity. The palate has fine viscosity and spiciness on the entry – orange zest, mandarin and dried apricot at its heart. There is a pleasing fatness and corpulence, but though the finish is nicely balanced, it does not "take off" like the 2005 or 2007. Tasted April 2013. 88 points - Robert Parker

Chateau Septy Monbazillac 2015 HALF (rtc)

10 — ~~8.95~~ **22 %**  
**£2.00** **Reduced to Clear ONLY**

Château Septy is one of the oldest names in the Monbazillac appellation (300 years old). It is a vineyard of 22 hectares, planted on clay-limestone slopes with 50% North exposure and 50% South favorable to the development of Botrytis cinerea (noble rot) and grape drying (natural concentration of grapes under the influence of sun and wind) which gives the wine a character of ripe and dried fruits. Fermentation and aging are done in vats (and not in barrels). Known to match beautifully with foie gras, it is also the perfect companion for blue cheese such as Roquefort.

The vineyards of Domaine de Valcros are situated at Collioure, a picturesque fishing village on the Mediterranean coast and part of France's southern most AOC. The region produces rare fortified wines packed with ripe, red fruit flavours. Mainly Grenache Noir with a touch of Carignan, Banyuls is sometimes referred to as 'the Frenchman's tawnyport' being, as it is, spicy and rich with hints of moccha and green herbs. Great with chocolate or blue cheeses. A very dark ruby-red in colour. Heady aromas of cherries, raisins and stewed red fruits with a touch of spice. On the palate sweet, strong and tart with a long finish redolent with further red fruit flavours of raspberries and plums. Makes for an excellent dessert wine. Try with tarte aux raisins, braised rabbit served with a chocolate sauce or a chunk of Roquefort cheese.

*Ornus dell'Ornellaia is a late harvest Petit Manseng produced in extremely limited quantities and gives yet another dimension to the Estate. In certain vintages conditions are perfect in the tiny "Palmetta" vineyard for the production of this exclusive dessert wine. The "Manna Ash" Orniello or 'Fraxinus Ornus' is a tree which is typical to the Mediterranean coastal area. Its precious sap has been used since Biblical times as a sweetener and acts as a perfect link to the sweetness of Ornus dell'Ornellaia. "Ornus dell'Ornellaia is inspired by a passion for our land and by the desire to explore its potential and produce great ageing sweet wines, aided by the mild and especially breezy season typical of Autumn in Bolgheri. Ornus dell'Ornellaia 2014 is an intense golden colour with some hints of bronze. Complex candied orange peel, dried apricot and caramel aromas envelop the sense of smell. The palate is a great balance between the sugars and a ripe and lively acidity with flavours of apricot, sweet tobacco and slightly bitter caramel. A rich wine that is sweet but by no means heavy."*

**£23.95**

*Solaris BA was created from grapes affected by noble mold (botrytis cinerea), mainly the solaris variety, with a small (approx. 10%) addition of johanniter. The wine matured for half a year in an oak barrel and another months in a bottle. The parameters alone are impressive - 110 g of residual sugar / l, over 8 g of acidity / l and 10% alcohol - but more importantly, they are confirmed by tasting. The wine is well structured, juicy, with aromas of candied and dried fruit (peach, apricot, mango), honey, notes of orange peel, chamomile and almond. The acidity balances the sweetness of the wine well, giving it a lot of refreshment in a fairly long finish. This freshness was also the key in connection with the mentioned pastries, the best pair turned out to be a donut stuffed with orange jam.*

*The Port is made each year in the traditional manner, trodden in granite lagares from grapes grown at Quinta de la Rosa. Each year we keep back a small quantity of our best ports LBV quality and above. It is from these stocks that they blend their Tonel 12. This blending occurs on a regular basis to ensure that stocks are always fresh. For many years, before 1988, when they started selling port under the La Rosa brand, the Bergqvist family used to go down to 'Tonel 12' (a large 25 pipe barrel kept in the lodge under the house) and fill their decanter full of delicious ten year old tawny direct from the barrel. It is a rich and elegant blend with wonderful aromas exuding the heat of the Douro. On the palate it is complex with powerful dried fruit, figs, honey and almonds with a long pleasing finish. It should be consumed within 2 to 3 years of bottling. Served chilled as an aperitif or to accompany foie gras or maybe with that special dessert or cheese. Sustainable agriculture used.*

*Fino en Rama, from Jerez de la Frontera, is the town furthest from the sea and here the conditions are less humid than in El Puerto or Sanlúcar. Humidity is important to the production of 'flor', the yeast that grows on the surface of biologically aged Sherry as it ages in old wooden casks; it protects the wine from contact with oxygen. Flor also imparts salty, yeasty, nutty flavours to the Sherry. Flor can be fickle, it likes very specific growing conditions and those include high humidity as well as a very particular alcohol range of around 15 – 15.5%. Even within individual bodegas, the taste can differ from cask to cask simply based on its location, or how high it is off the ground. Casks situated in the middle of the bodega see more homogenous flor growth than those nearer to drafty windows, for instance. The lower humidity of Jerez results in a thinner veil of flor and as such less delicate but nuttier flavours. Jerez Finos are therefore the most full-flavoured and rounded of the biologically-aged Sherries.*

The same grapes as Ota classic white Veltlin, but macerated on skins for 10 days and fermented in a 500 l vat. Maturation took place for less than a year in smaller oakbarrels. Ota did not do any experiments, but his Orange wine is a beautiful, balanced wine that has something extra thanks to a short maceration on the skins. These Anderson Valley pinot noir grapes are crushed into open-top tanks and fermented with native yeasts. Part of the red wine ferments with the stems, which gives the wine spice and complexity. Gentle punchdowns reintroduce the cap of skins to the fermenting wine, for ideal extraction of colour, flavour, and tannin, while aging in new French oak enhances complexity. The finished wine offers characteristic black cherry aromas and fresh raspberry and bright strawberry flavours supported by silky tannins.

Tasting Notes: An attractive raspberry-crimson colour leads to sweet black cherry, raspberry, dried rose petal and violet blossom aromas. Fresh raspberry and bright strawberry flavours are concentrated, yet balanced, in this pretty, floral wine. The finish is smooth, with silky tannins, mineral notes and lingering fresh fruit.

Grown from a combination of both old-vine Australian Shiraz and Northern Rhone clones, the nished wine stays true to its inherently spicy and seductive spirit.

TASTING NOTES: Dramatically reduced yields in 2010 produced a richly concentrated and exotically-spiced Signature Shiraz, exquisite in its rare and expressive character. Cardamom, incense, molasses and bittersweet dark chocolate notes complement ripe, spicy blackberry and boysenberry fruits. Aromas of dried orange peel are present, and the persistent finish reveals a savoury complexity evocative of soy or cured meats. Firmly structured with silky tannins, this is a wine to treasure, destined to evolve further over time.

DOMAINE DROUHIN Pinot Noir, Dundee Hills 2017 HALF Willamette Valley (rtc)

1 — ~~17.95~~ **£5.00** **28 %** **Reduced to Clear ONLY** **£12.95**

The Dundee Hills cuvée is classically balanced, elegant, focused, and very clearly represents the terroir of their Estate. The colour is a beautiful mix of garnet and ruby. Aromatically dynamic, floral notes with bright red fruit and spice fill the bouquet and palate. It is a mix of roses and violets with red hills earth, white pepper, red currant, cassis, light vanilla, pomegranate and warm cherry pie. On the palate, the texture is layered and complex, and the finish is quite long with well integrated tannins that will round in time. It's young, but very pleasing now, and will only improve with time and patience. Enjoy today, and through the next five to eight years. 95 points James Suckling - "A great pinot noir that shows dried flowers, violets and orchids. Cherry and raspberry undertones, too. Medium to full body with an incredible polished texture. Ripe and round tannins and a fresh and vibrant finish. Delicious now but better in 2020."

JEB DUNNUCK Rating: 96-99 points

THE WINE ADVOCATE Rating: 93-95

"The 2017 Cuvee Chloe offers up a rich, spicy nose, perhaps influenced by some Viognier stems in there by accident, along with hints of white pepper and cocoa. On the palate, it's full-bodied, rich and not too firm. It's still an infant, so it's hard to say much more, but it seems promising and potentially a bit more supple and open-knit than the 2016 rendition."

It's fruity and expressive, revealing aromas of juicy cherries and raspberries, followed by a full-bodied, supple and fruit-driven palate that's quite open-knit and generous already; there's just a touch of back-end stem tannin to resolve on the finish."

On the palate, the wine is full-bodied, rich and expansive, with a broad attack, a sweet, rounded mid-palate and a firm, chewy finish that shows a bit of stem tannin. <i>After Goldrock was established in 2005, it quickly became one of the elite parcels for pinot noir on the west Sonoma Coast, we now bring you the 3rd vintage from this estate. Paul confesses a profound connection to Goldrock, not only being drawn by the distinctiveness of its high quality fruit, but also by the stunning setting dominated by large sentinel redwoods that stretched across the property. For Paul, Goldrock was like 'finding a rare diamond,' and admits he 'wanted it more than perhaps any other vineyard'. Considered part of the 'true' Sonoma Coast by aficionados, the estate serves as a pillar for the winery's future and is widely recognised as one of the last frontiers of viticulture in California. JAMES SUCKLING Rating: 97 - "This is a glorious red with density and compressed character to the mouthfeel. Pure and very focused with crushed berries, orange peel and sandalwood. Edgeless. Exciting. <i>Patagonia provides a very different Argentinian wine style for those raised on the heat of Mendoza: at 39 degrees of latitude, with sun-filled days and cold nights, the High Valley of the Rio Negro gives wines strong on finesse and aromatic character. The winery was established as long ago as 1909, taking its name from its founder, the pioneering engineer who did so much to develop Patagonian agriculture. More than 100 vintages and four generations later, Guillermo Barzi Canale is at the helm, overseeing a range of elegant wines that run the gamut from Pinot Noir to Malbec and Cabernet Franc, not forgetting a pair of excellent value white and red blends. TASTING: The wine is bright ruby in colour with purple reflections. On the nose this wine is bursting with and intense mix of ripe red berries combined with hints of spice, jam, honey and vanilla. In his report Luis states "The Zuccardis are one of the hardest working wine families in Argentina—and the world.I've talked about their progression repeatedly in my previous articles, and I can only repeat myself here. Their wines are getting better and better..."

James Suckling also rates this wine highly awarding it 97 points and the following note:

"This is very intense with blackberry and blueberry character, as well as hot stones and granite. Full body. Chewy tannins fan out across the palate. A serious, powerful wine. Needs at least four or five years to soften. Impressive. Try in 2025."

Bin 389 was often referred to as 'Baby Grange', in part because components of the wine are matured in the same barrels that held the previous vintage of Grange. First made in 1960 by the legendary Max Schubert, this was the wine that helped forge Penfolds reputation with red wine drinkers by combining the structure of cabernet sauvignon with the richness of shiraz. Exemplifying the judicious balance of fruit and oak, Bin 389 highlights the generous mid-palate Penfolds in known for. THE WINE ADVOCATE Rating: 92+ - Drink Date: 2024 - 2035 - "A blend of 53% Cabernet Sauvignon and 47% Shiraz, the 2019 Bin 389 Cabernet Shiraz was sourced from Padthaway, McLaren Vale, Coonawarra, Wrattobully and Barossa Valley and aged a year in American oak hogsheads (25% new). Some cool, mentholated notes lead the way, closely followed by cassis and blackberries, then hints of vanilla and cedar on the finish. It's medium to full-bodied, and generally pretty silky in feel, with a gentle dusting of drying tannins."

THE WINE ADVOCATE Rating: 90

While the 2019 Bin 407 Cabernet Sauvignon shows ample concentration and ripe tannins, there's a pervasive herbal note. While some will call it Cabernet's varietal character—and I won't dispute that a bit of pyrazine is indeed endemic to the Cabernet family of grapes—balance is key. To this taster, there's just a bit too much mint and other green stuff for me to go gaga over the 2019 Bin 407. It's still an excellent wine, with plenty of weedy cassis fruit, a ripe, lush feel on the medium to full-bodied palate and a velvety, dark-chocolate finish. Sourced from Padthaway, Coonawarra, Wrattobully, McLaren Vale and Barossa Valley, it spent a year in a combination of French and American hogsheads. - Joe Czerwinski, 22nd Jul 2021

Wine Advocate #183 - Jun 2009 Robert M. Parker, Jr. - 94+ points - Drink: 2009 - 2029 - "The least impressive, but still a very great wine, is the dark garnet-hued 1980. Still a young wine at age 29, it exhibits massive earthy, meaty, bacon fat notes intermixed with notions of scorched earth, blackberries, currants, pepper, and spice. Full and rich with slightly rustic tannins, it has a good 20 years of life ahead of it.

Grange, Penfolds' flagship wine, is, by many accounts, the most renowned and world-famous wine produced in Australia, and these six vintages from my cellar all acquitted themselves well. These wines are almost always Shiraz, but many vintages include less than 10% Cabernet Sauvignon, and there are cross-appellations blends from vineyards in the Barossa and McLaren Vale."

20 ~~69.95~~ **14 %** **£10.00** **Reduced to Clear ONLY** **£59.95**

*St Henri is a time-honoured and alternative expression of Shiraz, and an intriguing counterpoint to Grange. It is unusual among high quality Australian red wines as it does not rely on any new oak. Proudly, a wine style that hasn't succumbed to the dictates of fashion or commerce. St Henri is rich and plush when young, gaining soft, earthy, mocha-like characters as it ages. It is matured in old, 1,460 litre vats that allow the wine to develop, imparting minimal, if any oak character. Although a small proportion of Cabernet is sometimes used to improve structure, the focal point for St Henri remains Shiraz.*

*THE WINE ADVOCATE Rating: 93 - Drink Date: 2025 - 2040 - "The St Henri point of difference is that it's aged in old, large wooden vats. Sourced from throughout South Australia, the 2017 St Henri Shiraz reveals no oak in its rather raw, unrefined notes of bloody beef, mixed berries, black olives and road tar. It's full-bodied and still tannic at this stage, with a bit of coarseness on the finish that hopefully time will soften."*

<i>An interesting take on a Bordeaux-blend with Merlot, Cabernet Sauvignon and the native Saint Laurent grapes creating this fruit-forward wine which expresses the chalk/limestone soils of the vineyard. The nose is both fruity and floral, with notes of plum, violets, cranberries and blackberries whilst the palate is stony, fine-grained and elegant. There's perhaps a hint of liquorice lurking at the finish too.</i>

De Martino Alto de Piedras Carmenere 2015 Bottle (rtc)	2	<del>25.95</del>	<b>23 %</b> <b>£6.00</b>					<b>£19.95</b>
<i>THE WINE ADVOCATE Rating: 94 - Drink Date: 2018 - 2023 - "The top Carmenere is the 2015 Single Vineyard Alto de Piedras, produced with grapes from an organically farmed vineyard that was planted ungrafted in 1992 on one of the stony alluvial terraces of the Maipo River, which suits the variety and helps to avoid green aromas and flavors in its wines. They want to offer a typical Carmenere with spice, tobacco leaves and red fruit notes but without too much alcohol, over-ripeness or excess oak to try to cover the herbal tones. 2015 was a warm and high-yielding year, and the key to success was to control yields to be able to harvest early—and this is only 13.3% alcohol. It matured in 5,000-liter oak foudres for 30 months. It has ripe aromas and flavors, without excess and with a touch of thyme, which gives it a clear Mediterranean twist. There is no 2016 for this wine, as rain during harvest complicated matters, and the wine was declassified. 2015 is very good for Bordeaux varieties. 13,100 bottles and 60 magnums were filled in August 2017."</i>

<i>Albis is a blend of 81% Cabernet Sauvignon and 19% from the best parcels in the Andes Valley. The vines were planted in 1992 and the parcels are continuously selected for the special flavours and ripeness of the fruit with strict vineyard management and tiny yields of an average 5 tons/ha. The wine has an elegant yet rich expression of the Cabernet and Carménère aged in best French new oak barrels for 18 months. It is full of mint, graphite and chocolate with a long and smooth finish and still firm tannins, the mouth is full of herbal notes, freshness and black fruits. <i>The Haras de Pirque estate's vineyards are located in the Maipo-Andes Valley. TERRAPURA Syrah Reserva - Valle del Itata 2019 Bottle - SUS (rtc)	29	<del>9.95</del>	<b>20 %</b> <b>£2.00</b>					<b>£7.95</b>
<i>Like TerraPura's Carmenere and Cabernet Sauvignon, the Syrah comes from the warm climate of Colchagua. Whereas some Syrah in Chile tends to display more peppery and spicy character, this wine is a big and joyful offering of red fruit: more Southern Rhône-like with its warmth and sunny fruit but still kept fresh from the salty sea breezes blowing in over beautiful nearby surf towns like Pichilemu perched on the wild Pacific Ocean. This wine is defined by silky ripe tannins, sweet red fruits and a long, luscious finish. While there are some red pepper notes on the nose, the palate is dominated by forest berries and liquorice with a long fruity finish. Food Pairing: With the depth of flavour in this wine, and all those lovely red berry flavours, an Asian style roast duck, perhaps with a plum sauce, would be just the thing. Or something particularly hearty like braised beef or a Middle Eastern style lamb leg with roasted eggplant and pomegranate.</i>

He owns 1 hectare and rents and works a further 6 hectares on a metayage basis – receiving a proportion of the production. Thierry adheres to organic principles in the vineyards. *Drink Date: 2010 - 2040*  
*This blend of Cabernet Sauvignon and Merlot, with the Cabernet dominating, looks to be the best they have ever produced, even eclipsing the 2005. Dense purple in color, with extraordinarily elegant floral notes intermixed with raspberry, black currant, cherry, and spice box, it is medium to full-bodied, not massive, but again, very seamless, with beautiful precision, sweet tannins, and an endearing fleshiness and depth of flavor that are neither heavy nor fatiguing. *Desmirail was classified a 3rd Grand Cru Classé as part of the 1855 classification. The wine is the result of a parcel of exceptional terroir within the Margaux appellation, which it represents perfectly with its delicate balance. Vinification is carried out using modern techniques and equipment, but with an overarching respect for tradition. This results in a wine that can be enjoyed in its youth, but which also has a tremendous capacity to improve with age. Strict grape selection and carefully adapted maturation methods are both key to making Château Desmirail into the Grand Vin it is.*  
*Tasting: Has a light strawberry and redcurrant bouquet with touches of cedar and undergrowth. The palate is medium-bodied with some pleasant cedar-infused black fruit.*

*ROBERT PARKER The Wine Advocate: Rating 97 - Drink Date: 2015 - 2040 - "The iconic 2012 Pape Clement is a candidate for near-perfection as well as one of the wines of the vintage. From proprietor Bernard Magrez, this is a blend of 51% Cabernet Sauvignon, 46% Merlot, 2% Petit Verdot and 1% Cabernet Franc. This extraordinary vineyard (a few miles to the west of Haut Brion and La Mission Haut Brion) has hit all the highlights of this vintage. Interestingly, the quality of the Pomerols and Graves wines in 2012 is closer to what one would consider a great vintage than the general image of 2012. This is truly great wine and not far off their magnificent 2005 and 2010. Full-bodied, with rich cassis, subtle burning embers and spice followed by velvety, well-integrated tannins, the wine is lush, expansive, savory and profound. This is a remarkable wine that could be drunk at a reasonably young age, but should cellar brilliantly for a quarter-century. Yields were modest at 37 hectoliters per hectare from this 132-acre estate. The alcohol level came in at 13.5%."*

Significant amounts of structure, tannin, and muscle are found in this wine as well as a liquid mineral characteristic intertwined with dense fruit (blackberries and cassis), forest floor, and incense. This full-bodied effort appears to represent a more structured, mineral-laced style than proprietor Jonathan Maltus- more fruit-driven Laforge and Teyssier cuvees. Hints of cassis and blueberry emerge, but certainly in the main this wine is not about fruits and berries. Fine tannins offer unobtrusive support, and the wine finishes with fascinating chalk and mysteriously ore-like mineral character. Young Benjamin Leroux took over in 1999 from Pascal Marchand (who made this estate's modern reputation), and the wines have never tasted better, nor more ageworthy. The domaine has also continued to grow - through purchase and rental - beyond their famous 13 acre core property, the Clos des Epeneaux. The wines had never been racked when I tasted them - that will only happen when they are assembled for bottling (unfiltered) - so allowance must be made for slight reduction."*

*"Grand Clos Rousseau" an enclave of the "Clos Rousseau" appellation is the most southerly of Santenay's 1er crus and lies next door to the Maranges vineyards and the plot only covers 0.41 ha, purchased in 1978. Year after year, the harvest from this plot has been of exceptional quality with concentrated sugars and aromatic components. The wine is always well-rounded. The colour is brilliant and dark, almost black. Its aromas are of violets, gooseberry, black cherry and stewed fruit, reflected in a complex palate with a smooth, intense and well-built attack. In the mouth, dense and concentrated notes of ripe fruit are highly present in the finish, suggesting a similarity to the wines of the Côte de Nuits. This wine will delight the palate of discerning drinkers after a few years of careful laying-down. Delicious 1er cru Burgundy with seductive aromas of summer berries, plums and hints of 'Forest Floor' which waft from the glass. *A right-bank domaine for notable, use of the Mourvèdre and the Viognier. These are very good wines indeed, but are something of an acquired taste due to being rather rigid and strict when young. The reds age extremely well, and need time to loosen their early tannins. As far back as the 1990s, Robert Parker described this as 'one of the best estates in the entire Rhone Valley' and suggests the wines could be regarded as 'mini-Beaucastel and/or Bandol', wines which cost two or three times as much. The emphasis on Syrah and Mourvedre obviously has something to do with this but the purity of the fruit and concentration of the wines which drink young but age well over several years.*

**DOMAINE BRUSSET Ventoux Les Boudalles 2018 Bottle/nc VGN (rtc)** 6 ~~14.95~~ **33 %** **£5.00** **Reduced to Clear ONLY** **£9.95**  
*The broken crags of Les Dentelles de Montmirail form a dramatic, gap-toothed backdrop to some of the finest vineyards of Cotes de Ventoux. Steeply terraced, low-yielding and back-breaking to work (no mechanisation here), they simply wouldn't be worth cultivating if they didn't produce great wine. Thankfully, these south-facing terraces prove all that trouble worthwhile.*  
*Domaine Brusset is one of Ventoux's leading growers and that really shows here. Entirely quality minded, their attention to detail, be it the use of organic manure, hand-harvesting or their low, low yields (35 hl/ha), really shines through. An honest, chunky, satisfying blend of Grenache, Carignan, Mourvedre and Clairette from the South-Eastern Rhone.*

A big wine that still has tannins to resolve, it needs 1-2 years in the bottle and will drink well over the following decade. Some of Domaine des Escaravailles' cuvees (their 2009 Cotes du Rhone-Villages Cairanne La Boutine and 2009 Cotes du Rhone-Villages Rasteau Heritage) were slightly reduced and unable to be judged. *"Domaine Jaume, which celebrated its centenary in 2005, has been supplying The Wine Society with Côtes-du-Rhône since 1981. The domaine is based in Vinsobres, a beautiful hillside village in the southern part of the Valley, blessed with extremely well-exposed vineyard sites. The Jaumes worked hard to get cru status for Vinsobres and in the end won the argument based on their Cuvée Référence. Though geographically close to villages like Cairanne or Rasteau, the climate here is quite different with particularly interesting potential for the syrah grape. The Jaumes also own plots of vines high above village at an altitude of some 420 meters which inspired the name for another of their cuvées – Vinsobres Altitude 420. This Jaume comes from the middle of the slope so it is riper and fuller and also includes some of the domaine's best vines of mourvèdre, so it is spicier and will have a longer ageing span. 2014 to 2024." MICHEL & STEPHANE OGIER Syrah La Rosine Collines Rhodaniennes 2013 Bottle (rt) 14 ~~19.95~~ **25 %** **£5.00** **Reduced to Clear ONLY £14.95**  
*As this domain on the hillsides of Ampuis has been in the family for seven generations, it was perfectly natural for Stéphane Ogier to take over from his father Michel. Having learned his craft in Burgundy, he has decided to produce single parcel wines to achieve the best expression of each terroir. He also strives constantly for elegance and finesse. Today, the vines are planted on 27 hectares of granite and shale soil and cultivated sustainably. Tillage, organic treatments, no yeast and a short maceration process are the watchwords. This Syrah comes from granite soils in the hills around the commune of Tupin-Semons. It is sustainably cultivated and harvested by hand. Maturation for 12 months in barrique barrels produce this intense, complex wine. The barrel élevage of some wines delivers woody, smoky notes. We also find black berries and violet – the typical aromas of this variety. This IGP Collines Rhodaniennes appellation wine is seductively supple and elegant, with a harmonious fruitiness. A lovely cuvée to be drunk while still young and fruity.*

It's a complex and compelling example of Cote Rotie, and it's great to see all of the Jaboulet team's hard work in the vineyards paying off. Anticipated maturity: 2020-2030."*

*Stéphane Ogier is best known for his exceptional wines from Côte-Rôtie in the Northern Rhône. 2010 was his first vintage of this Côtes du Rhône, purchased more recently. As the name of the wine suggests, the time had come for the domaine to take their adventure to the south. This plot is located in Plan de Dieu, which gives bigger, richer styles. Complimenting this, freshness and structure is contributed by Syrah grapes grown at higher altitude in the Visan commune. 80% Grenache with 20% Syrah, this wine has a bright, mid ruby colour, aromas being attractive and perfumed, recalling raspberries, damson and spices. This is a full bodied, charming wine, with a supple, mouthcoating texture and a fresh, satisfying finish.*

Robert Parker 92 points - "Another terrific vintage for this cuvee, the Syrah and Grenache-dominated 2014 Cotes du Roussillon Villages Latour de France Occultum Lapidem was harvested between the 12th of September and the 3rd of October with miniscule yields of 28 hectoliters per hectare. This is produced from organic Nerello Mascalese grapes, from 15-year-old vines located on the north-eastern slopes of Mount Etna. It is elegant and crunchy with a succulent nose of wild strawberry, herbs and blood orange. There is a delicate structure with finely woven tannins, and a fresh, lingering finish.

THE WINE ADVOCATE Rating: 94 - Drink Date: 2022 - 2033 - Monica Lerner, 17th October 2019 - "The 2017 Etna Rosso Arcuria shows rich textural fiber and a compact core of red and purple fruits. Those fruit-driven elements are enhanced by flint, crushed stone, spice, tar and powdered licorice. I notice that Alberto Graci's wines from the not-always-easy 2017 vintage show better balance and tannic harmony than most. The wine is ready to drink straight out of the gate, but it could also be put aside for more aging."

THE WINE ADVOCATE (Robert Parker) Rating: 92 points - Drink Date: 2018 - 2028

Reviewed by: Monica Lerner, Issue Date: 28th Dec 2018, Source: 240, The Wine Advocate - "The 2016 Etna Rosso Archineri is made with fruit from pre-phyloxera vines aged up to 90 years old. This is a finessed and nuanced expression from a vintage that threw a few curve balls to vintners on Etna where the climate and temperatures can change at the drop of a dime. The finish is shorter compared to vintages of the recent past, but this mid-weight red is very articulate in terms of its aromatic offerings. It shows small-berry aromas with lilac, spice and wild blueberry. Some 7,000 bottles were made."

*Franco Massolino has done a wonderful job of marrying change with a respect for tradition. TASTING 2015: This wine has a bright ruby-garnet colour and has intense perfumes of dark fruit and a touch of cloves with a savoury, herbal note. On the palate, it is full-bodied yet elegant, with plenty of robust but ripe tannins supporting the dark, dried plum and autumn compote fruit character and balancing the acidity. *THE WINE ADVOCATE Rating: 96 - Drink Date: 2021 - 2040 - The Marchesi Antinori 2017 Tignanello (made with Sangiovese and smaller parts Cabernet Sauvignon and Cabernet Franc) is a dark, exuberant and inviting wine. I tasted my sample after a double decanting and was pleased by the profound nature of the wine and the immediate openness of the aromas. There is a symphony of dark fruit with black cherry, plum, spice and sweet tobacco. I am particularly attracted by a distant hint of medicinal or menthol herb that I also discovered in other wines with fruit from the Tignanello estate in 2017. There's a drying mineral note of crushed chalk as well. The heat and dryness of the vintage has added to the aromatic intensity of the wine (yields were reduced by a third), but the mouthfeel is carefully crafted to maintain its softness and smoothness." *"The 2016 Brunello di Montalcino Rennina is a dark and youthfully understated beauty. A gorgeous display of tobacco and savory herbs gives way to tart cherries, currants, brown spice and earth tones, gaining further richness the longer it spends in the glass. It's seamless, elegant and silky in feel, with layers of ripe red fruit offset by dried citrus, as notes of black tea, licorice, hints of olive and saturating minerals settle in. There's so much going on here; yet beneath its polished elegance, a layer of fine tannins penetrates deeply, making for a dry and structured finale." - 94 points - Eric Guido, vinous.com, November 2020.*

*A gorgeous wine showing a great deal of depth and purity. Sweet black fruit of dark cherries and blueberries with beautifully integrated tannins and a hint of white pepper and spice on the finish. Fresh and precise, this wine has lots of energy and is very impressive. It will be delicious in a few years but has plenty of ageing potential. Drink from 2021 - 2037. The Wine Advocate - 94 points - "The single-vineyard 2013 Brunello di Montalcino Sugarille has a tighter core and a blacker heart compared to the Rennina. This wine is momentarily more difficult to penetrate and comprehend. It makes a more abrupt first impression but then relaxes and reveals more of its character only after it has spent extra time in your company. Then, it becomes suddenly exuberant and loud. This is a dynamic expression of Sangiovese with bold ripe fruit, spice and balsam notes to carry it forward during cellar aging. This vintage offers firmness and strength. Some 20,000 bottles were produced (of both Sugarille and Rennina, respectively)."*

 "Boasting a ripe and fruit-forward style, the 2005 Guidalberto mirrors the warm vintage. Vines experienced vigorous growth in 2005 thanks to ample springtime rains and heated summer temperatures. Ripening was not even across the Bolgheri area and vintners had to time their harvests carefully. This wine shows an evident level of inner sweetness with bold tones of Morello cherry, mature blackberry, moist pipe tobacco and Spanish cedar. The mouthfeel is round and rich with sweet tannins at the back." MATURE NOW.*

*Querciabella's flagship Camartina is one of a handful of history-making wines, collectively known as Super Tuscans, that dramatically elevated the standing and prestige of Italian wine production on the world stage. Camartina is only produced in optimal vintages, while small-batch micro-vinification and an extremely limited bottling guarantee hand-crafted excellence. Gentle, but precise fermentation management in French oak fermenters allows for beautiful integration of tannins and textural development. Following malolactic fermentation, the two cépages undergo maturation separately for about 18 months in French oak barrels, up to 20% new, before the best lots are selected for the final blend. The wine is released no sooner than 30 months after harvest and thanks to its longevity, it is sure to be a contender for the best cellars.*

*Only the oldest parcels of fruit are used in this, our premium Pinot Noir. The fabled Abel clone, allegedly smuggled from Burgundy in the mid-70s, makes up 40% of the blend. The result is a very complex, structured wine, beautifully perfumed in the classic Ata Rangi style. Exotic spice of star anise and sandalwood layer with dark cherry and rose petal on the nose. As is a hallmark of our Pinot, a savoury herbal note reminiscent of oregano offsets more overt fruit characters. The palate is bright, fluid and focused. Fine tannins build through the mid palate carrying the wine to a long elegant finish.*

It is an endeavour that is entirely my own expression of winemaking, is from my own funding, and is exclusively my risk." The 'Blank Canvas' is the vineyard and the variety, the winery the brush and palette (no pun intended) at the winemaker's disposal, all the while defined by the scientific grounding Matt laid at university and has built upon over the past 23 years. TASTING: A heady fragrance of peony and violets, red cherry and pomegranate, overlaid with a smoky, earthy savouriness. The character reflects the perfume and delicacy of the vintage, whilst retaining its innate muscular tannin structure that ensures it will age very well. The palate shows great intensity, complexity and structure.*

*This producer, founded in 1952, is named after the legendary Porto matriarch Dona Antónia Ferreira. Affectionately nicknamed 'Ferreirinha' by her countrymen, the house pays homage to her memory and was the first house in the region dedicated to making light wines. Purchased by Sogrape in 1987, it has 520 hectares of vineyard in the Douro in all of its three sub-regions: Lower Corgo, Upper Corgo and Douro Superior. The winemaking is headed up by Luis Sottomayor, who restrains the Douro's natural exuberance to produce wines that have a freshness, like Esteva and Papa Figos, allied to a lovely depth and texture, as with Vinha Grande Tinto and Quinta da Leda. 50% Touriga Franca 20% Touriga Nacional 15% Tinta Roriz. Tasting Notes: Deep ruby in colour, this wine has complex and intense aromas of black fruits, with spicy hints of black pepper and cloves. *"The 2015 Quinta da Manoella Vinhas Velhas (the "old vines" are centenary vines) is a field blend aged for 20 months in 30% new French oak. It comes in at 14% alcohol. This was not quite bottled when I first saw it, but it is now in the USA and in bottle. Adding a layer of depth that the regular Manoella needed, this also shows far more power (and far more everything, in fact). The mid-palate finesse is exceptional, making you think of a refined and very sophisticated wine, more Bairrada or Burgundy than the richer Pintas style. It can seem a bit wimpy at first next to Pintas—but this is a different style. It doesn't fade. It isn't even close to jammy. Chock-full of flavor, very bright and fresh, and very intense on the finish, the only question here is whether the mid-palate can keep up with the structure for the long haul. I think it can. Let's start here and see where this goes in time. It does have a few questions left to answer." - Mark Squires, 29th Jun 2018.*

Marc is part of the new generation of winemakers in Priorat who are reclaiming the region for their own. Focusing on a style that puts the local terroir as its heart and looking to create wines of elegance and refinement, light years away from what made Priorat the darling of the American critics. <p><b>Spain</b> VEGA SICILIA Bodegas Pintia, Toro 2015/16 Bottle (rtc)</p> <p><i>95 points - Luis Gutierrez, RobertParker.com (252), December 2020 - "The 2016 Pintia comes from a cooler but drier vintage, and the wine has a little less alcohol and more freshness. It fermented in oak vats and matured in mostly new and mostly French oak, but this year they used a little more American oak with the idea to increase density. 2016 was an atypical year in Toro; they had plenty of time to pick the grapes with lower alcohol and wines with more elegance. This is clearly a more elegant vintage than 2015. The wine has some notes that took me to the Northern Rhône, and the oak is neatly integrated—it seems to get better integrated in cooler years. There is a mix of black and red fruit that denotes good freshness. The palate is medium-bodied, with a distinct lack of rusticity and density, and it's more fluid. It has abundant, chalky and fine-grained tannins and a supple, long and dry finish. 230,032 bottles, 6,517 magnums and some larger formats were produced. It was bottled in May 2018."</i></p>	<p>1</p>	<p><del>59.95</del></p>	<p><b>17 %</b> <b>£10.00</b></p>	<p><b>Reduced to Clear ONLY</b> <b>£49.95</b></p>

PISANO Tannat, Chimichurri 2016/19 Bottle VEG/VGN (rtc)

7 — ~~13.95~~ **£4.00** **29 %** **Reduced to Clear ONLY £9.95**

The Pisano vineyards belong to a group of small family vigneron with an artisan tradition of making wines that reflect the character of the land and the people. Francesco Pisano arrived in Uruguay in 1870 from Italy (the great grandfather of the current owners). The original vineyards were planted in 1914 by his son Cesare. Today, this winemaking tradition continues and they produce some of the country's most prestigious and best wines with distinctive character oriented to the high quality, niche market. These hand crafted wines are produced in limited quantities and total production at the Pisano family cellars is only 18,000 cases per year across the range of these award winning varietals. Tasting Notes: Made from 100% Tannat grown on clay and calcareous soils. The wine spends 3-4 months ageing in new French oak barrels which impart a subtle sweet spice and smoke character. Deep ruby in colour and very concentrated, notes of plums, blackberries and damson fruit combine perfectly with the well balanced toast and oak notes. Food: Grilled steak with pepper sauce, strong roasted meats, game and roasted vegetables.

VINA PROGRESO Tannat 'Elisa's Dreams' - Canelones 2015 Bottle (rtc)

5 — ~~44.95~~ **£10.00** **22 %** **Reduced to Clear ONLY £34.95**

The top wine from Viña Progreso's limited edition Underground Collection, only 150 cases are produced. This Tannat embodies the winemaker's thirst for experimentation and innovation. Inspired by Gabriel's time making wine at Mas Doix in Priorat, Catalonia, the wine is fermented in open barrels exclusively with wild yeasts. Everything from de-stemming and berry selection to pidgeage is done by hand. After 6 months in barrel the wine is bottled without fining or filtration. It's a lovely monster, black and inky of course, with intense black fruit concentration on both nose and palate complemented by meaty, smoky, spicy characteristics. This is quite simply the best wine we've tasted from Uruguay to date. Incidentally the label is from a drawing by Gabriel's Aunt Elisa. What a dream that must have been! "Plush, fleshy Tannat that's mouthfilling and dense, with balancing acidity. With four years' age, the wine has integrated and found its equilibrium." 90 / 100, Decanter Magazine, October 2019 (2015 vintage).

HAYASHI HONTEN Yamahai Junmai, Purple Warrior Hyakujuuro Bottle (72cl) (rtc)

1 — ~~28.6~~ **£8.65** **30 %** **Reduced to Clear ONLY £19.95**

The yamahai brewing technique is famous for resulting in rich, feisty and flavoursome sake with buckets of umami and solid acidity; Purple Samurai, from the innovative Hayashi Honten, is no exception. Fragrances of cooked apples, caramel and marrow provides a tantalising hint of the flavours to come. Caramelised, spiced bananas and apples as well as bitter, dark chocolate are all flavours that are present in this slightly dry and full-bodied sake. Perfect at room temperature, Purple Warrior is fabulous when paired with stronger and more complex flavoured foods. Slow cooked dishes like roast fowl, stews and tagines are all a great match, as are other foods that have lots of umami flavours (tomatoes, mature cheese, cured meats, etc.) Or alternatively, serve at 30-35°C: at this temperature the aromas of the sake are enhanced and the flavours mellowed. The already ample acidity can work harder and so pairing with oilier sauces or fattier foods will work a treat: belly of pork or roast turkey with gravy would both be good examples.

CAVICCHIOLI Pignoletto Modena DOC Spumante NV Bottle (rtc)

11 — ~~10.45~~ **£2.50** **£7.95**

Cavicchioli is synonymous with Lambrusco in Italy. Located in Emilia-Romagna, the winery is a stone's throw from some of the most famous centres of Italian gastronomy: Parma, Modena and Bologna. So it is no mean feat that the winemakers are seen as an institution and over the generations the wine has played an important role in the local Modenese community.

Founded in 1928 after Umberto Cavicchioli decided to turn the laboratory behind his house into a winery, the innovation continues today. This is a modern style of Lambrusco: lighter and fragrant without any of the shrillness – of which there are far too many bad examples. If you do not think Lambrusco can be a serious wine, then think again. TASTING: Pale straw yellow colour; creamy pure white mousse; refined and persistent perlage; aroma with hints of white flowers and jasmine; dry, mellow flavour with a persistent finish of floral sensations. Food match: Risotto, Fish stews and soups, White Fish eg Cod, Pollack, Dover Sole.

CALERA Chardonnay, Central Coast 2018 Bottle (rtc)

49 — ~~22.95~~ **£4.00** **£18.95**

In 1975, legendary vintner and pioneer Josh Jensen founded Calera (Spanish for "lime kiln") high in the Gavilan Mountains of California's majestic Central Coast. In the four decades since, Calera has helped establish the Central Coast as one of the New World's most exciting wine regions, while earning acclaim as one of California's iconic wineries. Sourced from some of the appellation's finest vineyards.

Winemaker's notes: "The quality of the 2018 growing season on California's Central Coast was fantastic. After warm early spring weather led to an early budbreak, the temperatures cooled in late-spring, followed by sunny days with moderate temperatures throughout the summer. This provided us with some of the longest hangtimes we have ever seen in a few of our Central Coast vineyards, which resulted in beautifully ripe flavors overall. At the same time, the temperate weather allowed the fruit to retain ideal acidity, yielding vibrant and complex wines, with excellent structure and alluring flavors."

<i>Bin 311 Chardonnay truly reflects the winemakers' mantra 'we always go where the fruit grows best and where it best suits style'. *Now under the wing of Maison Faiveley, Domaine Billaud-Simon has produced a clutch of very fine wines in the 2014 vintage that are certainly worth seeking out. These wines are overseen by Olivier Bailly and it tastes as if he is doing a very fine job. The 2014 Chablis 1er Cru Fourchaume is a knockout wine from a miniscule 0.25 hectares of vine and sees no wood contact. It has a reserved but precise mineral nose with granite and flinty scents. The palate is nicely weighted with well-judged acidity, lifted, slightly floral bouquet with attractive apple blossom, gooseberry and granitic aromas that are well defined. The palate is fresh and vibrant, very good salinity here with a tensile, steely and almost penetrating finish. Excellent.*

*This is one of the most exciting new domaines to have emerged from Chablis in the past decade. It is 'new' in that it is a name we've not seen before, but the family of Romainand Damien Bouchard has been in Chablis for generations. Their father had a negociant business and their mother's family own vineyards, the majority of which are cultivated organically. The vinification cellar is five metres underground and is spotlessly clean and modern, comprised primarily of small, stainless steel tanks. The small tanks ensure they can vinify the various parcels they have in their vineyards separately. Tasting Notes: The 2017 Chablis boasts bright, lifted citrus fruit on the nose. The flavours on the palate are extremely concentrated, balanced with beautiful acidity.*

There are winemakers and there are alchemists; how else could you explain the pureness of Szepsy's wines, the elegance of his fruit and the harmony of structure? And yet, like most great wine-makers, his wines are not about what he does as much as what he does not do. There is no over-working the fruit at this estate, no unbalanced wines due to 'ambitious' winemaking. The philosophy is all about preserving the quality of the fruit and not about enhancement by artifice or sleight of hand. Colour: clear, straw yellow colour. Nose: elegant with expressive spices, lime and apple notes. Palate: vibrant, long and pleasing with its apple and apricot flavours.*

*J'NOON is a joint venture between Kapil Sekhri of Fratelli wines and Jean-Charles Boisset. The name is a French take on the Urdu word "Junoon", which means "passion". The wines are selected from the Fratelli vineyards in Akluj (Maharashtra), on the right bank of the Nira River about 170 kilometres south of Pune. Here the sandy soils with a high rock content drain well and are low in nutrients, ensuring highly concentrated fruit. The vineyards are situated at 650 metres above sea level. The cool nights ensure the grapes retain perfume and acidity.*

*TASTING: This wine exudes classic Chardonnay characteristics of green apple, white pear and stone fruit alongside fresher, more vibrant lime, lemongrass and herbaceous characteristics of the Sauvignon Blanc. The oak has imparted sweet woody notes and a creamy texture to the wine but the finish is undeniably dry and steely. VEGAN friendly.*

*This is a wine only produced in great years. The slight over-ripening of the verdicchio grapes allows them to have an extraordinary starting material that is expressed after the long aging, with great olfactory complexity: broad hints of toasted almonds, cedar, honey, bread crust. In the mouth is an explosion of power and balance, very long and deep, rich and opulent: all this makes it an unseasoned cheese wine, smoked appetizers and white meat sauces. Pale straw yellow on the nose opens with notes of anise, cedar, and withered fruit, extremely powerful and rich in structure on the palate, very deep and long persistent. The final is mineral, an expression of the territory.*

This wine is straw yellow in colour with light golden hues. Intense yet elegant aromas of melon and candied fruit are complemented by stone fruit and floral notes, with a delicate mixture of brioche, honey and flint. Fresh and smooth on the palate, this persistent Pinot Grigio has great balance and a refreshing, mineral finish.*

That subtle personality grows with time, and the wine needs a little extra time to open. It goes from citrus and grapefruit to crushed stone, yellow rose and honeysuckle. The finish is lean but zesty and crisp. Old vines are used to make this wine, some as old as 130 years old. Only 3,000 bottles were produced."*

*Nat Cool is naturally "cool and funky". It represents an innovative concept initiated by Niepoort, in which various producers came together to create light, easy-to-drink wines. In the Vinho Verde region, they produced a wine typical of the region – a wine which references the "cloudy" wines of the past which were bottled with some residual sugar and fine lees, and therefore re-fermented in the bottle. Welcome to the Nat Cool world! TASTING NOTES - Slightly cloudy in appearance, this is a white wine with plenty of personality; it is fresh, vibrant, with citrusy and vegetal notes. Uncomplicated and straight-forward, it offers high acidity and a light carbonic sparkle on the palate, ending on a saline, crystalline and refreshing finish. It is best enjoyed in a traditional ceramic malga cup paired with traditional Portuguese "petiscos" appetisers. "Petiscos" appetisers such as pataniscas or pastéis de bacalhau (types of codfish fritters), cured sausages, etc. Grape Varieties - Azal, Arinto, Avesso and others. VEGAN friendly.*

The resulting wine shows an amazing range of fruit flavours, with great ripeness and weight. It is also balanced with zippy freshness and a stoney, mineral texture. A delightful and versatile wine, good on its own or with any lighter dish. Grape Varieties: Arinto, Maria Gomes, and Viosinho.*

The nose is boldly aromatic rather than delicate, with a big whoosh of lovely apricot, apple blossom and lime zest. The texture on the palate is wonderfully silky, almost like a very fine olive oil, then a big burst of gorgeous citrus ripeness and a cracking, long finish. Yes, this all sounds a bit lavish but it's actually a very tidy and precise wine, a genuine eye-opener and a style of wine we just never expected to find in Uruguay. No oak!*

*The Cellar Master of Château du Breuil has put aside, year after year, a part of his most successful and most balanced Calvados, in order to create an incredibly complex and refine product.*

*Then, the Réserve des Etoiles offers an exceptional product in one blending. The youngest Calvados used in this creation has aged at least 15 years in the cellars of the Château, and the oldest has stayed 30 years in the barrels of the Château. The result gives place to the tasting of a product with a particularly silky taste, without any roughness. The Calvados Château du Breuil Réserve des Etoiles is certainly the Calvados of the beautiful tables, those where we know how to appreciate an exceptional spirit at its true value.*

*Manchester's Blackberry Infused Gin uses a wonderful, award-winning Signature recipe with the addition of gorgeous blackberries. It's a rich gin – still juniper led – but with a real, bold juiciness. The colour is a deep, dark purple, lightening to vibrant red when mixed with tonic. Each bottle is packed with the juice of fresh blackberries – in fact, a third of each bottle is blackberry juice. But don't worry, they've maintained a high ABV. At 40% ABV, this is still very much a gin, not a liqueur.*

*At its core Mirabeau Rosé Gin is a classic Dry Gin. Mirabeau has used a 100% grape-based neutral spirit which adds roundness and subtle fruitiness to the palate. The addition of some Mirabeau Classic Rosé gives luxurious texture to the finished Gin. Lemons and Coriander add layers of fresh citrus character. Orris and Angelica roots impart floral and earthy tones respectively. Rose Petals, Lavender and Jasmine are used sparingly to bring a variety of floral tones. Finally, Bay, Thyme and Rosemary add a finely balanced herbaceous character to the blend. The various components bring a softness to a classic core, making this gin round enough to be sipped alone. Mirabeau suggests adding a dry vermouth for the perfect Martini or topping with your favourite tonic. Mirabeau has partnered with Fever Tree Aromatic Tonic to create the signature Mirabeau Rosé Gin and Tonic, garnished with a sprig of rosemary. Gold Medal Winner – World Gin Awards 2020.*

**FORBIDDEN COCKTAILS Old Fashioned Bourbon (50cl) 28%abv (rtc)**

Steeped in American history dating back to the early 18th century and first created in New York by James E. Pepper, the original Old Fashioned is believed to be a drink modified by many, but made popular in the prohibition period in the US when booze was made illegal - A bootleg spirit distilled in hidden cellars or makeshift operations and sometimes so harsh on the palette, it had to be softened and balanced using bitters, sugars and diluted with water. Nowadays our bourbons are crafted and distilled to perfection, and the bartender's job recreating The Old Fashioned cocktail is made easier. However, that said, the experienced bartender's palate has many years of fine-tuning, and re-establishing the magic notes of this Classic recipe comes with time. Forbidden Cocktails have captured this magic in every bottle. TASTING: Bourbon aging takes place in new charred-oak barrels. Due to that charring process, compounds create the flavours of caramel and vanilla that are present in almost every Bourbon. Add the bitters and this creates a rich yet velvet texture with a sweet soft finish.

The brilliantly modern Altitude Matters Decanter presents a classic RIEDEL design with a new twist: the profile of the Kaiser Mountains in Tyrol, Austria. This stunning mountain range has been the backdrop of nearly the last decade of history for the Riedel family, only a short drive from the RIEDEL Head Office and handmade factory. Fittingly, this profile sits with a redesign of the Tyrol decanter, which debuted in 2007 to commemorate the family rebuilding their dynasty in Tyrol following WWII. Slightly smaller than the original Tyrol, the eye-catching shape of this decanter makes it ideal for younger wines. Its wide base ensures optimum aeration while the angled lip guarantees an easy pour. This decanter is designed to hold a single bottle of wine. This pack contains a single piece. This product is handmade. Please handwash only.

3 ~~345.65~~ **44 %**  
**£150.65** **Reduced to Clear ONLY**  
**£195.00**

This innovative decanter named The Girafe was created to offer a solution to the separation of sediments, a bothersome side effect for those that like to enjoy fine aged wines and has proven difficult or even impossible to solve to date. The name of this latest decanter developed by Maximilian J. Riedel, was inspired by its long neck which reminded the 11th generation CEO of a Giraffe. On the one hand, the design gives the decanter grace and elegance, and on the other hand – arguably more important point – the shape fulfills a vital purpose: "It agglomerates, or collects, the sediments in the curves at the base of the decanter neck – at the shoulder, in a manner of speaking. The shape keeps the sediments from being poured out with the wine, which solves the annoying problem of sediments in the wine glass. This is definitely good news for lovers of aged wines!" says Maximilian Riedel, pleased with his successful design. Girafe is handmade in crystal glass.

CAPEZZANA Organic Extra Virgin Olive Oil 2020 Chianti, Tuscany 75cl (rtc) 1 ~~29.95~~ **33 %** **£10.00** **Reduced to Clear ONLY £19.95**  
*Capezzana owns around 26,000 olive trees on their estate in Carmignano. Their olive oil is made mainly from the early ripening Moraiolo variety which produces an elegant, nicely balanced oil with aromas of freshly cut grass and artichokes.  
 Olive trees in this area, close to the northernmost boundary for olive cultivation, produce less than one tenth of the quantity produced by those in milder, more southerly climes. Capezzana's oil is made primarily from Moraiolo. This is an early ripening variety, so the olives tend to be blacker when picked, resulting in softer, fruitier oils. The estate has 140 hectares of olive groves with 26,000 trees.  
 Capezzana has improved its technique for olive oil production to obtain a fruitier oil with lower levels of oleic acid. In Extra Virgin olive oil, the level of oleic acid must not exceed 0.8% (Capezzana's rarely reaches 0.2%). This is achieved by picking early and processing the olives within 12 hours. Ultra modern, stainless steel continuous presses are used. Most experts agree that this method of pressing results in fresher, cleaner oils that retain their colour and fruitiness for longer because oxidation is prevented. The oil is then settled in a mixture of terracotta 'orci' (urns) and stainless-steel vats before bottling.  
 This olive oil has a very intense green colour and very fruity aromas of freshly cut grass and artichokes. On the palate, it is dense and viscous, with flavours that match the aromas on the nose, a very long finish with a touch of spice. A very elegant and harmonious olive oil. ORGANIC.*
