DEVAUX Collection Cuvée D Rose, Aged 5 Years Brut NV Bottle *GOLD MEDAL* VGN

Uniquely, almost half of this blend is Chardonnay, giving a delicacy not usually found in most Rosés. The high quality of the fruit ensures that the final dosage is lower than many Rosés.

Tasting Notes: This is the most delicate of the Devaux Rosé Champagnes with the greater percentage of Chardonnay contributing a firm, elegant freshness to the palate. Fresh red fruit aromas from the Pinot Noir combine with a hint of hazelnut complexity which was encouraged by extended ageing on the lees when in bottle.

DEVAUX Collection Cuvée D, Aged 5 years Brut NV Bottle/cc VGN

The Cuvée 'D' wines are Devaux's very best; the grapes are the very best quality from Champagne and so growers who qualify for this high level are paid accordingly. Devaux are Pinot Noir specialists. The majority of their vineyards are located in the Aube where Pinot Noir is the dominant variety. This location, on the slopes of the Côte des Bars, is important; it gives this variety a lovely Pinot Noir richness on the nose and a long finish, yet retains the finesse. Some Chardonnay is included in the blend; this is grown on the fine chalky soils of the Côte des Blancs and Vitry to give liveliness and elegance.

The NV 'Cuvée D' is rich and sleek and is, in Anthony Rose's words, a 'luxuriously toasty, creamy number.' The Pinot Noir gives body and length to the wine, while the Chardonnay adds elegance and finesse.

Didier Gallimard owns 10 hectares of prime vineyards on the steep slopes around Les Riceys in the Southern Aube. His vines average 30 years of age and the vineyards which are of chalk and limestone are planted to 100% Pinot Noir. A very attractive Champagne that has previously been the House Champagne at Heston Blumenthal's Fat Duck. An attractive fruity nose, with aromas of exotic fruit. In the mouth, it is supple and very well-balanced. The mousse is fine and long lasting. On any occasion, this Blancs de Noir will bring extra joy to all your moments of great happiness.

JACQUESSON Cuvée 744 Extra Brut, Famille Chiquet Brut NV Bottle

The newly released Cuvée No. 744 is Jacquesson's 17th non-vintage within the "700 series", their transparent and quietly revolutionary approach to blending for quality ahead of consistency. Cuvée No. 744 is based on the 2016 vintage, a year in which yields were significantly reduced by frost (as they were in Burgundy). Its raciness and elegance reminds proprietor Jean-Hervé Chiquet of the outstanding Cuvée No. 740. Chardonnay 45%, Meunier 20%, Pinot Noir 35%. A splendidly inviting aroma of apple, quince and crusty bread lends this new cuvée a winning combination of freshness and generosity. The extremely fine bubbles are just one component of the texture, which in typical Jacquesson style has a natural concentration and density that requires only the finest dosage to balance. Complex, harmonious, and brimming with energy, this is another masterful release from the Chiquet brothers.

PHILIPPONNAT Clos des Goisses, Extra Brut 2006 Bottle

96 points Vinous - "The 2006 Clos des Goisses is stellar, but it is also going to need quite a bit of time to come into its own. Powerful and ample in the best of the Goisses style, the 2006 hits the palate with serious intensity. Orchard fruits, lemon oil, white flowers and almonds are some of the many notes that open up in the glass, but, as is often the case with young Goisses, it is the wine's gravitas that is front and center. Even with all of its overtness, though, the 2006 retains striking, crystalline purity. I imagine the 2006 will reward Champagne lovers with many decades of truly exceptional drinking. The only thing the 2006 needs is time. The question is: How much?" 94 points Decanter - "This perfect south-facing vineyard in Mareuil-sur-Ay is a fine ambassador for 2006. The wine is holding on to elegance and poise despite warm conditions, thanks to a proportion of Chardonnay (35%) bringing welcome freshness and finesse. This balances the generous, expansive Pinot Noir in '06 -acacia honey and black cherry in happy marriage. Subtle and classy."

CHATEAU COUTET 1er Cru Classe Barsac 2009 Bottle

THE WINE ADVOCATE (94 - 96 points) - Drink Date: 2019 - 2050 - "The 2015 Coutet comes with 153 grams per liter of residual sugar at 13.8% alcohol. It has a fragrant bouquet with acacia honey, citrus scents and a touch of melted butter, all very well defined. The palate is medium-bodied with impressive purity, those limestone soils imparting the acidity that defined this Barsac, and lending great precision and tension on the live-wire finish. This is a wonderful Coutet that feels energetic - a compressed spring coil that will drink earlier than the likes of Climens or de Fargues, but has the DNA to age gracefully over 25-30 years." THE WINE ADVOCATE Rating: 96 points - Drink Date: 2025 - 2060

"Tasted at the property 12 months on from my last visit, my note for the Château d'Yquem 2005 is almost exactly the same. I feel that there is still just a little new oak to be resolved on the nose. But the palate is extremely well balanced, perhaps just a little nuttier than I remember from 12 months ago, with hints of white chocolate and crème brûlée just appearing on the finish. This needs another decade, but it is a very serious Yquem in the making. Tasted April 2015."

CHATEAU D'YQUEM 1er Cru Classe Superieur Sauternes 2006 HALF

THE WINE ADVOCATE Rating: 95+ - Drink Date: 2021 - 2046

"Medium lemon-gold colored, the 2006 d'Yquem is a little reticent at this stage, slowly revealing notes of pineapple pastry, dried apple slices, orange preserves and spice cake plus nuances of crème brûlée, preserved ginger, nutmeg and baking bread. The palate offers mouth-coating tropical fruit and baking spice layers with a seductive oiliness to the texture and loads of citrus sparks, finishing with bold freshness and amazing length. Allow it just a couple more years in bottle to get over this slightly muted hump, then drink it for the next 25+ years. CHATEAU D'YQUEM 1er Cru Classe Superieur Sauternes 2007 HALF

THE WINE ADVOCATE Rating: 98+ Drink Date: 2019 - 2080

"Pale to medium gold colored, the 2007 d'Yquem delivers powerful scents of tropical fruits—dried mangoes and pineapple paste—accented by acacia honey, toasted almonds and woodsmoke with hints of chalk dust, kettle corn and lime blossom. The palate reveals one of those vintages that shape-shifts into an apparently drier style than it is, largely thanks to its uber-racy backbone of freshness and layered mineral-inspired flavors, finishing with a regal, satin-textured savoriness. Difficult to resist now, this will be one of those Rip Van Winkle vintages that can be predicted to cellar not just for decades but for generations. FERREIRA Dona Antonia 10-Year-Old White Port NV HALF - VEG/SUS

Founded in 1751, when the Port trade was dominated by British shippers, Ferreira is the oldest Portuguese Port house and remains the leader in the domestic market. Luís Sottomayor is at the winemaking helm and uses grapes from prime Douro vineyard sites and Ferreira's flagship 'Quinta do Porto' to produce Ports characterised by an exuberant ripeness, exceptional concentration, weight and structure, yet wonderful balance.

QUINTA DE LA ROSA 10 Year Old Tawny, Tonel 12 HALF LITRE (50cl) - SUS

The Port is made each year in the traditional manner, trodden in granite lagares from grapes grown at Quinta de la Rosa. Each year we keep back a small quantity of our best ports LBV quality and above. It is from these stocks that they blend their Tonel 12. This blending occurs on a regular basis to ensure that stocks are always fresh. For many years, before 1988, when they started selling port under the La Rosa brand, the Bergqvist family used to go down to 'Tonel 12' (a large 25 pipe barrel kept in the lodge under the house) and fill their decanter full of delicious ten year old tawny direct from the barrel. It is a rich and elegant blend with wonderful aromas exuding the heat of the Douro. On the palate it is complex with powerful dried fruit, figs, honey and almonds with a long pleasing finish. It should be consumed within 2 to 3 years of bottling. Served chilled as an aperitif or to accompany foie gras or maybe with that special dessert or cheese. Sustainable agriculture used.

QUINTA DE LA ROSA Ruby Port, Lote No. 601 Estate Bottled Bottle - SUS

Quinta de la Rosa's Ruby Port is unique in that it comes from A graded grapes all grown on the Quinta. Most other ruby blends come from further down the river nearer Regua where there is higher rainfall and most grapes are B to D quality so the resulting port tends to be less concentrated. Many customers told them that their ruby was too good to be called a ruby port' so we christened it with the name - Lote 601 - taken from lote or blending number we use for the ruby. The Ruby is blended from their stocks of Port stored in large 'tonels' or vats to give a young, fruity, vibrant wine with an average age of 3-4 years. The blend will always have the same style from year to year. Unlike most port shippers, all products are stored and bottled in the Douro (at La Rosa and not Porto), allowing full traceability and ensuring quality from grape to bottle. This Port has been lightly filtered and does not require decanting, delicious with dessert or cheese. Sustainable agriculture used.

Taylor's 40 Year Old Tawny is a very rare old tawny blend, produced in limited quantities. Selected red Ports produced in the eastern areas of the Douro Valley, are matured in seasoned oak casks in Taylor's cellars in Vila Nova de Gaia. A sublime Port of very great age which shows the old olive-gold hue of its many years in cask. XIMENEZ-SPINOLA 1964 Pedro Ximenez Old Harvest Solera (Medium) HALF LITRE

XS uniquely only make Sherry from PX, and this is a blend of dry oxidatively aged wine from a solera laid down in 1964, and resembling an oloroso, with sweet wine from a solera laid down in 1918 whose wine's average age is 25 years. Light amber/old gold through gold to a trace of green at the rim, legs. Aromatic, different, charming. A honeyed sweetness with lots of dried fruit - raisin, obviously, but amazingly fresh, nothing like the big black sweet PX wines, some quince jelly, trace oxidative notes and wood, cinnamon, fragrant, quite different to normal (palomino) Sherry, and most attractive. Medium-dry, decent tangy acidity balances the sweetness, so doesn't cloy, that quincey-raisin flavour predominates with slight notes of gingerbread, broader, fatter in style to the palomino wines, with perhaps a little more texture, lovely and clean with a very long finish. Delicious, really friendly.

MOULIN DES CHENES Lirac 2016 Bottle (Syrah/Cinsault Grenache)

Conditions for Lirac are similar to Châteauneuf-du-Pape: both are Mediterranean in climate and have over 2500 hours of sunlight per year, and a dry growing season that ensures consistently ripe, flavoursome wines. Both have predominantly stony soils (Lirac also has large pebbles or 'Galets Roulés' of its neighbour) supported by red clay underneath. The Mistral keeps the crop healthy and concentrates flavours in the berries.

The berries were destemmed and crushed and then fermented at 25°C. The wine was kept on skins for 15 days, with daily pumping over and rack and returns to ensure good colour and flavour was obtained from the grapes. Part of the wine underwent malolactic fermentation in barrel and part in tank. After that, the wine was aged for six months, of which a third was aged in one year old oak.

The Moulin des Chênes is a full, soft, generous wine mainly from Syrah, Grenache and Mourvèdre. It is generous in body with supple tannins and primary fruit and freshness, with a long, mellow finish.

True to their style, they pay close attention to the vineyard management: non-aggressive thinning; accurate harvest of grapes done by hand, and vinification with a long maceration of up to thirty days.

100% Nebbiolo. The colour is an intense garnet red, elegantly transparent. The bouquet is full, complex and enveloping, with a flowery scent of dried roses and violets; fruity, of raspberries and wild strawberries, for the younger wines; of jam, marmalade and nutmeg, that with the passing of time develops hints of black pepper, licorice, tobacco, leather and smoke. Distinctly tannic when young, with a rich body; its taste is dry, full, robust but velvety, very harmonious and enveloping. This Barolo is a robust and tannic wine, but it is also soft and elegant. By a long maceration on the skins after fermentation, the wine ages for nearly 3 years in oak barrels with a capacity of 30 to 100 hl, in order to enhance its attributes. Preferable with: red meats, roasted meat, game meat, medium or hard ripening cheeses.

ANTINORI Fattoria Aldobrandesca, Malbec Via Cave, Toscana IGT 2018/19 Bottle

Via Cave was created after very careful geological and oenological research intended to release the potential of this new variety in the Italian viticultural scene. Malbec, a French grape, thrives in Maremma's volcanic soils, prospering in its new terroir. Via Cave is balanced and soft and it reflects all the charm of the territory where it is produced. The name of the wine is dedicated to the Etruscan Via Cave, or excavated roads, passageways excavated vertically in cliffs of tuff that surround the estate's property.

Via Cave 2018 is an intense ruby red colour. Its nose is captivating and complex: notes of dark ripe fruit, blackberries and blueberries, alternate with spicy hint of vanilla. The palate is balanced and well-defined by silky tannins. Its lengthy, persistent finish is accented with aromas perceived on the nose accompanied by pleasant hints of coffee and dark chocolate.

CRYSTALLUM Pinot Noir, Peter Max - 2020 Bottle - VGN/VEG

This small winery was established in 2007 by brothers Peter-Allan and Andrew Finlayson. Their father, Peter, was a pioneer in the production of cool climate Chardonnay and Pinot Noir at Bouchard Finlayson, so after university it seemed the natural thing for the boys to return home and source some fruit from the Hemel-en-Aarde valley to start their own label. Crystallum is now one of the most highly regarded wineries in South Africa, yet the Finlaysons are determined to make even better wines. Peter-Allan has sourced fruit from some new vineyards, while winemaking has evolved. All of the wines are now fermented using indigenous yeasts and new oak has been reduced to help the bright fruit shine through. A pioneer in the production of cool climate Pinot Noir at Bouchard Finlayson. A bold and elegant Pinot Noir with aromas of cherry and sweet spice on the nose. The palate offers plenty of juicy fruit, tempered by the wine's refreshing acidity and silky texture.

By the draining method, the flower must is obtained, which will ferment at a controlled temperature between 15 and 16°C for 14 to 16 days, obtaining an extremely aromatic white wine with a beautiful bright greenish colour. SUSANA BALBO Signature White Blend 2019/20 Bottle

So, our supplier asked for a top-notch Chardonnay, and boy did they get one! What they didn't ask for was a white blend to blow their socks off, and boy did we get one! They were asked to taste it blind at the winery and they did identify the Semillon, and the Sauvignon Blanc, but what was providing that exotic richness on the nose; Riesling? No, Torrontés. 33% of each varietal is separately barrel fermented then blended and rested in those barrels for a further 4 months. The oak is delicate, the fruit is complex and explosive, run through with delicious acidity, steely and nervous, and we suspect this wine will age very well indeed. Gin

MIRABEAU Rose, Dry Handcrafted Gin Bottle (70cl) 43%abv

At its core Mirabeau Rosé Gin is a classic Dry Gin. Mirabeau has used a 100% grape-based neutral spirit which adds roundness and subtle fruitiness to the palate. The addition of some Mirabeau Classic Rosé gives luxurious texture to the finished Gin. Lemons and Coriander add layers of fresh citrus character. Orris and Angelica roots impart floral and earthy tones respectively. Rose Petals, Lavender and Jasmine are used sparingly to bring a variety of floral tones. Finally, Bay, Thyme and Rosemary add a finely balanced herbaceous character to the blend. The various components bring a softness to a classic core, making this gin round enough to be sipped alone. Mirabeau suggests adding a dry vermouth for the perfect Martini or topping with your favourite tonic. Mirabeau has partnered with Fever Tree Aromatic Tonic to create the signature Mirabeau Rosé Gin and Tonic, garnished with a sprig of rosemary. Gold Medal Winner – World Gin Awards 2020.

Decanters

RIEDEL Winewings Lilac Decanter Each (2007/02S1)

The RIEDEL Winewings decanter is a colourful and elegant recreation of RIEDEL's Swan decanter as a compliment to the Winewings glass series. First designed in 2008, Swan's striking elongated curves make it an incredible statement piece, with the grace of a beautiful bird. Wine is gently decanted through the large opening then poured from its exquisite neck - long enough to reach any guest at the dinner table! The new iteration of this decanter, at the same soaring height but a slimmer design, now also includes an indented handle for easier pouring.

This piece features a lavender purple stripe through the design, achieved by introducing a rod of purple crystal into the molten glass before the decanter has been formed. This pack contains a single piece. This product is handmade. Please handwash only. Height - 60cm.

This is a special set of 4 pieces SL RIEDEL Stemless Wings Cabernet and 1 RIEDEL Decanter Merlot. The Cabernet Sauvignon glass is perfect for full-bodied, complex red wines that are high in tannin.

The glass allows the bouquet to develop fully, and smooths out the rough edges. It emphasises the fruit, playing down the bitter qualities of the tannin, and allows wines to achieve balance. This glass was redesigned by Georg Riedel in 2020 to ensure its smaller size maintains the delicate and important characteristics of each wine. The Merlot decanter is a perfect starter piece for one with a growing love of wine. This everyday piece will easily demonstrate the improvement decanting can make on wine, and is suitable for both young and old wines. It is also dishwasher safe.

WINE SAVE PRO (9 Litres, 150 Serves) Each

winesave™ keeps opened wine at its peak for weeks after it has first been opened. Oxidation and the resulting spoilage of opened wine is now a thing of the past as it protects opened wine by laying a pure, inert and odourless gas called argon (which is heavier than air) across the wine's surface in the bottle, thereby protecting it. For the wine drinker, this means you can enjoy the luxury of wines by the glass at home. It also means that you will never again waste any wine because of oxidation, nor ever feel compelled to finish a bottle just because it has been opened. Each canister contains approximately 150 applications.
