CHATEAU D'YQUEM 1er Cru Classe Superieur - Sauternes 2001 HALF

THE WINE ADVOCATE Robert Parker - 100 points!! - Drink Date: 2030 - 2101

"You may ask: what is the point? Another perfect score for the 2001 d'Yquem. Oh well, why not? This bottle, served blind, reinforced the sheer unadulterated brilliance of this legendary Sauternes now at 15 years old. Doesn't time fly. It seems to be aging at a glacial pace, hardly changed since I last tasted it. The nose is like the throbbing engine of an Aston Martin Vantage, ready to go. It is so packed with intensity, perhaps a little more resinous than I recall, but with almost crystalline delineation. The palate is perfectly balanced and laden with botrytis, not as unctuous or as rich as say, the 2009 d'Yquem, yet with heavenly focus and a crescendo of flavors that take your breath away: acacia honey, yellow plum, white peach and orange sorbet. The startling things is ... this is just the opening act. Tasted September 2016."

CHATEAU LA ROULERIE Coteaux du Layon - Loire Valley 2022 Bottle 11%abv (100% Chenin Blanc) ORG/VEC

Château de la Roulerie is a 36 ha estate at Saint-Aubin-de-Luigné area of Anjou. The vineyards were established in the 14th century and the estate dates from the 19th century. It was purchased by Bernard Germain in 1994 before passing to his son Philippe Germain and daughter-in-law Marie in 2004.

Planted mainly with Chenin Blanc on well-positioned, south and south-west facing schistous slopes. In 2011 he started the conversion to organic and biodynamic viticulture, achieving certified organic status in 2015. Yields are low – generally around 30 hl/ha – and the wines are made using minimal intervention favouring freshness and elegance.

The botrytised Chenin grapes are picked by hand. The whole process is adapted to the character of the grapes in order to enhance the bouquet and taste as much as possible: careful hand-harvesting, delicate crushing, and a cool, slow fermentation.

The bouquet gradually reveals its complex notes, with a flowery blossom, white fruits (peaches, pears, quinces) and grapefruit. A slight hint of vanilla at the end reinforces this fine, sweet wine. Richness, smoothness and persistence are in exceptional balance.

SOLE e OLENA Vin Santo Tuscany 2009/10 HALF

Paolo De Marchi's vineyards, like those of Giovanni Manetti at Fontodi, are superbly tended. This, more than anything, yields wines of the quality that have kept them both ahead of the chasing pack for the past three decades. The name 'Isola e Olena' came about in the 1950s when two adjoining estates, 'Isola' and 'Olena', were purchased by the De Marchi family and combined to form one. The history of both estates dates back many hundreds of years, with the earliest documentation of the village of Olena in the 12th century.

Lovely golden-amber in colour with an intense, open perfume of dried citrus peel, dried apricots and honey, giving way to a rich, luscious palate, with incredibly concentrated characters of honey, dried apricot and vanilla. A delicious, fresh finish keeps the wine unctuous without being cloying.

LITTLE BEAUTY Botryfised Gewurztraminer 'Noble Edition' - Marlborough 2015 HALF

This wine was made from grapes infected with Noble Rot (Botrytis). The grapes were hand picked at the beginning of winter, well after harvest was completed. On arrival in the winery, Eveline stomped on the bunches with her own feet, left them to soak for 24-hours and then transferred the bunches to a pneumatic press for a gentle press cycle. Fermentation took place in a mix of stainless steel tanks and small French Oak Barriques.

COGNAC LHERAUD Pineau des Charentes 'Signature' (Ugni Blanc) Bottle 18%abv

The history of the Pineau des Charentes is closely connected with the history of cognac. This is a very interesting drink, which is produced by combining and subsequent aging in oak barrels cognac alcohol (25 percent) and grape must (75 percent). According to the legend, the drink was opened at the end of the XVI century thanks to a fluke. Absentmindedly one winemaker, whose name is unknown, poured grape must into a barrel for further maturation, but remained at the bottom of the barrel brandy spirit. Annoyed, he was only a few years later decided to try out what happened - and was delighted with the result.

This Pineau has a great colour with a stunning, subtle and delicate flavour. The wine has a rich sweet fruit flavours with a refreshing acidity. Tradition requires serving Pineau des Charentes cellar at a temperature (about 12°C), but often it is cooled to 5°C. or ice added thereto. Often used as an aperitif, as well as in cocktails. Some gourmets serve it with foie gras, fish and seafood. However, it is best to drink with dessert.

Established in 1875 by Vito Curatolo Arini, the winery is now run by the fifth generation of the Curatolo family, making it the oldest family-owned Marsala producer. TAYLOR FLADGATE Late Bottled Vintage Port (LBV) 2017/18 LBV Bottle

LBV was developed as a high quality but more affordable and immediately drinkable alternative to Vintage port to be enjoyed by the glass on everyday occasions. It was first launched in 1970 by Taylor's current Chairman, Alistair Robertson, with the Late Bottled Vintage 1965. Although many other houses now offer this wonderful style of wine, Taylor's LBV – the original Late Bottled Vintage – remains the benchmark in the category; the first choice of the knowledgeable Port drinker.

Deep ruby colour. The elegant and stylish nose combines fresh, intense blackcurrant and cherry aromas with subtle notes of liquorice and spice. On the palate the rich and concentrated black fruit flavour is supported by firm but well integrated tannins. True to the Taylor's style the wine shows great balance and finesse.

Thanks to the year and good acidities, two opposing flavours of maturity and concentration are well integrated with freshness and equilibrium. The LBV is similar in style to other La Rosa ports – well defined, a good structure, and mature tannins with soft wood undertones. La Rosa ports are always slightly drier than most, and the brandy is always well integrated.

This Port has not been filtered and might throw a light sediment but should not require decanting. Delicious with dessert, especially chocolate, cheese or on its own. Sustainable agriculture used.

2016 NIEPOORT Vintage Port 'Bioma' Vinha Velha Bottle/nc

THE WINE ADVOCATE (Robert Parker) Rating: (95 - 97) - Drink Date: 2027 - 2070

"The 2016 Bioma Vinha Velha Vintage Port is not set to be bottled for several months, which is a little too far in the future by my normal protocols. It is the final blend, though, and it is worth sneaking this beauty into the 2016 report this issue. This single-plot Porto is a worthy competitor to the fine Ports in this vintage and to the 2015 Bioma (Niepoort did not declare his normal blended Vintage Port in 2016). Deep, very concentrated and powerful, this is chock-full of brilliant fruit and flavor. It's intense, rich, delicious and superb. This will be released in the spring of 2019, lagging behind most of the 2016s. It will be worth the wait. P.S. I had a quick look at the 2017. It's a long way from being ready, admittedly, but it may well be even better. We will have fun arguing over the 2015, 2016 and 2017 as the years march on."

RIDGE Lytton Estate Petite Sirah - Dry Creek Valley 2019 Bottle 14%abv

Petite Sirah is a close relative to Syrah. Like Syrah, it is a dark-coloured grape that yields wines with floral aromas, deep colour and full, rich tannins. To moderate tannins, we fermented the grapes de-stemmed, as whole berries. Aging in twenty-five percent new oak over sixteen months has softened the wine. Built to age, it will be enjoyable for the next twelve to fifteen years.

The 2019 Lytton Estate Petite Sirah manages to capture the power of the variety within an accessible wine. The nose is deep and inky, but lifted by floral notes; the palate is tannic and mineral-driven, yet has a juiciness to the fruit that renders it delicious even at this early stage.

VINA COBOS Malbec 'Felino' by Paul Hobbs 2021 Bottle VEG/VGN 14.5%abv

Vina Cobos is Paul Hobbs' winery in Mendoza. He is better known (at least for the moment) to connoisseurs and collectors for his namesake winery in Napa, California which has been awarded many accolades (including maximum score 100 points from the world's most influential critic Robert Parker). He is also well known for being winemaker at America's most famous estate the Rothschild/Mondavi project Opus One.

This is Viña Cobos' most sophisticated Felino malbec yet carries a deep magenta hue and aromas of dark berries and anise. On the palate, intense, pure flavours of just-picked raspberries, black plum and graphite unfold in velvety layers. Exotic notes of ginger and white pepper carry through the mid-palate to intermingle with firm tannins and notes of cedar on the finish.

BODEGA ALEANNA Syrah/Viognier 'El Enemigo' - Mendoza 2019/20 Bottle

JAMES SUCKLING 94

The magic of El Enemigo is often about the tension and the "bulge" in the center palate and this syrah is no exception. The spices, mineral and floral edge to the nose complements the ripe berries. The palate is all about texture, tautness and chalky tannins. Dusty, elegant and long. Delicious now but can hold well, too.

Tasted by: Amanda Barnes (at Top 20 South American Syrahs tasting, 05 Jan 2023) Part of My top 20 South American Syrahs

Drinking Window: 2023 - 2040 - This aromatic rendition of Syrah, with 8% Viognier, from Alejandro Vigil is one of the growing collection of exciting and ageworthy Syrah wines from the Uco Valley. Aged in 100-year-old foudres, the tannins are resolved and the perfume is elegant. Juicy and spiced, it's a wine that drinks well now but will cellar, too.

VALLISTO Malbec - Cafayate, Calchaqui Valley, Salta 2019 Bottle 13%abv

Francisco Lavaque is from a family of winemakers in Salta in the far north of Argentina but Vallisto is his own project in the region's Cafayate Valley alongside renowned consultant Marcelo Pelleriti. His wonderfully fresh and structured Malbec, from a high-altitude single vineyard in Vina San Luis, is typical of Cafayate. Deep purple and viscous in the glass, with a bountiful nose redolent of black cherries, squishy plums, spices and wild herbs. Big and beautifully rounded on the palate with rich, ripe black fruit flavours, more spice and a long finish with hints of fresh fig, liquorice and vanilla pod. This single vineyard Malbec from Viña San Luis represents pretty much everything you need to know about what makes Cafayate so good and so special. For those who like their Malbec painted with a decadent splash of inky purple fruit this delivers in spades.

GRAN ENEMIGO Cabernet Franc Gualtallary 'Single Vineyard' - Uco Valley, Mendoza 2017 Bottle

THE WINE ADVOCATE 98 points

Drink Date: 2021 - 2030 - "The 2017 Gran Enemigo Gualtallary Single Vineyard didn't show any heat or excess ripeness from a warm and dry year. On the contrary, it's austere and has citrus acidity, with great freshness and minerality. The palate is super austere with vibrant acidity—by far the highest among the Gran Enemigo bottlings—and very fine, chalky tannins. This is remarkable, serious, balanced and fresh with a very, very long and salty finish. This fermented in barrels with 100% full clusters and indigenous yeasts and matured in centenary oak foudres for 15 months. 3,000 bottles were filled in July 2018." - Luis Gutiérrez: 31st Mar 2021

JOHN DUVAL Plexus - Barossa Valley 2019 Bottle (Shiraz, Grenache, Mourvedre)

John Duval "My aim with Plexus is to express the wide spectrum of red fruit flavours from Shiraz, Grenache and Mourvedre, but also provide structure with a seamless balance and long finish. Traditional, low intervention winemaking techniques are employed with Plexus, allowing the wine to be approachable in its youth, but also have great cellaring potential for improvement in the bottle for at least 8-10 years." This wine has a deep crimson colour and aromatic red fruits which are supported by vibrant plum. Earthy spice characters combine well with a touch of savoury oak. On the palate it is rich, round and full of concentrated, bright berry fruit. These flavours are supported by vibrant acidity and soft, ripe tannins. A touch of oak adds complexity and the finish is long and layered.

THE WINE ADVOCATE Rating 93 - Drink Date 2022 - 2030 - "Whether it's the extra year in bottle or the different conditions experienced in 2019 compared to 2020, this 2019 Plexus is slightly more savory, more seamless and softer. This really has it all... the dark chocolate, black cherry, raspberry pip, tobacco char and hung deli meat in each and every mouthful. Very nicely done."

TALTARNI Cabernet Shiraz 'The Patron' 2017 Bottle

The Patron is the hero of the Taltarni range, representing the epitome of the estate's quality in terms of both vineyard and winemaking. Blended from specially selected sites of both Cabernet Sauvignon and Shiraz at the Estate's vineyard in the picturesque Pyrenees, this wine is scrupulously handcrafted to truly express not only the local terroir but also the absolute spirit of that which is Taltarni. The vines are meticulously tended in the quest for perfection; including a green harvest at veraison reducing the yield to 1 tonne per acre in order to truly represent our vineyard terroir.

It has structure and finesse along with drive and concentration. The nose displays ripe red forest fruit accompanied by subtle notes of toasted oak and cigar box. This is then transferred seamlessly through to the palate that delivers the power and concentration expected of a wine of this calibre with great silky textural phenolics and great restraint. Cabernet Sauvignon 54%, Shiraz 46%.

Chile

TERRAPURA Cabernet Sauvignon Reserva - Colchagua Valley 2019 Bottle - SUS

The Colchagua Valley is home to many of Chile's most prestigious producers and judging from the quality of fruit that goes into this wine, it is no surprise. While some new oak – French and American – has been used in the winemaking process, for only a short period of five to six months, the real star of the wine is the pure Cabernet characteristics. It is this emphasis on fruit, regionality and sustainability that marks the TerraPura project.

This Cabernet is all about red fruits: an explosion of raspberry on the nose with luscious strawberries (dipped in milk chocolate) on the palate. The wine is smooth with sweet, round tannins. Tasting this wine, you could be forgiven for thinking that it comes from a little further north, in the sunny vineyards of California, such is its ripeness and upfront appeal.

This is the perfect match for mid-week soaps, pizza nights with friends or a spring BBQ. Equally at home alongside a pasta ragout as it is with some tasty grilled meats.

MICHEL MAGNIEN Fixin Rouge 2017 Bottle - ORG/BIO

Winemaker Notes - "Wines from Fixin are typified by their robust, tannic, and sometimes "sauvage" character. Soils towards the bottom of the hill tend to be a deeper and heavier mixture of limestone mixed with clay where wines tend to be beefy and a bit rougher. The premier crus sit further up the hill on homogenous brown limestone and often display more minerality and finesse. Red Burgundy might be the world's most flexible food wine. The wine's high acidity, medium body, medium alcohol, and low tannins make it very food-friendly. Red Burgundy, with its earthy and sometimes gamey character, is a classic partner to roasted game birds, grilled duck breast, and dishes that feature mushrooms, black truffles, or are rich in umami."

This large premier cru site (37ha) has many different micro terroirs and this cuvee is taken from 4 different parcels. 40% of the wine is whole bunch fermented, and 15% is fermented in new oak; the resulting wine is packed with ripe wild raspberry and damson fruit. Medium-bodied and fragrant with a supple, appealing texture. Fresh and vibrant now, this will soon develop savoury complexity as it ages and should continue to do so gracefully for 5-10+ years. ROMANO DAL FORNO Amarone della Valpolicella 'Vigneto Monte Lodoletta' 2013 Bottle

THE WINE ADVOCATE Rating 98 - Drink Date: 2022 - 2055 - "The 2013 Amarone della Valpolicella Monte Lodoletta is my favorite wine in the retrospective, along with the amazing 2011, 2009 and 1996 vintages. This wine was released at the beginning of this year, and because Dal Forno skipped over the 2014 vintage, this is the only Amarone we will see for a while (until the highly anticipated 2015 is released). The 2013 vintage is characterized by a slightly more streamlined mouthfeel (which isn't saying much given the baseline enormity of these wines) with carefully etched aromas of black cherry, rum cake, dark chocolate and toasted espresso. The 2013 vintage was balanced overall without the sudden heat waves we saw in the summers of 2011 and 2012. The grapes finished a slow and steady ripening process over an extended growing season. This 300 hectare estate, created by the Moretti family of Bellavista, is situated in Suvereto in the Val di Cornia, Tuscany. 50% Cabernet Sauvignon, 40% Merlot, 10% Sangiovese. Hebo was the name of an ancient Etruscan settlement in Suvereto. The wine is a blend of Cabernet Sauvignon and Merlot and a little Sangiovese to retain the regional character, reflecting the rich soil in which it is grown in the Val di Cornia. This wine is bright ruby red in colour. On the nose, there are fresh aromas of black cherry, violet and blueberries which are complemented by hints of vanilla and minerality. On the palate, it is fresh and savoury with well-integrated tannins.

SESTI Rosso di Montalcino 'Castello di Argiano' - Montalcino Tuscany 2020 Bottle (Sangiovese)

As with the Brunello itself, Sesti's delicious Rosso di Montalcino is made from 100% Sangiovese grapes grown on the Sesti estate. It's aged for 16 months in medium sized oak casks. Giuseppe's great winemaking skills are clear to see in this wine. There is deep fruit and pure Tuscan depth, it's polished and bursting with fruit. It greets the palate like velvet, then unleashes a wild side: black cherry, spices, a bloody note, and finally a gutsy finish that leaves something to ponder long after it's gone. This Rosso does not mess around.

QUERCIBELLA Camartina - Rosso Toscana IGT (Cabernet/Sangiovese) 2016 Bottle - ORG

The Querciabella Camartina 2016, one of the original Super Tuscans from arguably the best vintage for the region in decades. With 95+ from Antonio Galloni, this is potentially the best release ever for this wine. Camartina is a Cabernet/Sangiovese blend from some of the highest vineyards in Chianti, and produced in a more elegant, terroir-focused style than other Super Tuscans: the Burgundy to Bolgheri's Bordeaux. First released in 1982, the year before Ornellaia, it has managed to keep a relatively low profile over the years, which means it offers absolutely astonishing value. This is partially due to the tiny production: it is only made in the best years, and only around 1,500 cases are bottled – for context, this is less than 10% of the production of Ornellaia and 3% of Tignanello. Given that it is only being released now, after two more years' bottle age than most 2016 Super Tuscans, the pricetag is even more extraordinary.

TENUTA DELL'ORNELLAIA Ornellaia 'Solare' - Bolgheri Superiore 2017 Bottle

VINOUS 97 points

"A stunning wine, the 2017 Ornellaia offers a captivating interplay of richness and energy. Picking early was the key. Young vine Cabernet Sauvignon and Franc were harvested in August for the first time ever. In the glass, the 2017 offers up an enticing mélange of mocha, cedar, tobacco and licorice, with soft curves that add to its sensuality and allure. The 2017 is sumptuous and racy, as Ornellaias from warmer years tend to be, but it is not at all heavy or overdone. In a word: superb!"

THE WINE ADVOCATE 96

Drink Date: 2023 - 2045 - '..... The tannins are beautifully managed here. If you consider the more astringent and rougher approach of the mid-tier Le Serre Nuove dell'Ornellaia, this wine shows a whole other level of magnificent tannic management that could not have been easy given the diminutive berry size. This vintage sees a blend of 56% Cabernet Sauvignon, 25% Merlot, 10% Petit Verdot and 9% Cabernet Franc..... - Monica Lerner, 21st May 2020

LA RIOJA ALTA SA Rioja Reserva 'Vina Ardanza' - Rioja Alta 2016 Bottle

Viña Ardanza is a blend of 78% Tempranillo from the La Cuesta and Montecillo vineyards in the Rioja Alta subregion, and 22% Garnacha from La Perdriza in Rioja Oriental. This Garnacha is the key to Ardanza's structure, aromatics, and concentration: the vines are actually higher in altitude than most of the Rioja Alta subzone, and sit on barren, free-draining soils made up with large pudding-stones similar to Châteauneuf-du-Pape. The area is perfectly situated to grow the finest Garnacha. These two varieties are harvested and vinified separately, ageing around three years in American oak barrels which are produced in-house by La Rioja Alta S.A.'s own cooperage.

TINTO PESQUERA Reserva - Ribera del Duero (Tempranillo) 2018 Bottle 14.5%abv

Fifty years ago, Alejandro Fernández and his wife Esperanza Rivera bought a 16th century winery in Pesquera de Duero and made a commitment to reviving Ribera del Duero's ancient winemaking tradition. Together they produced Tinto Pesquera, a now-iconic winery described as "the 'Spanish Pétrus'" by critic Robert Parker, and were instrumental in establishing these wines on the world stage. Made in a traditional style, these wines remain the standard by which all other Ribera del Duero are measured.

A rich and intense nose of sweet black fruit and sweet spice, such as vanilla and clove, from the oak maturation. Juicy dark fruit and floral flavours on the palate are balanced by defined acidity. There are hints of smokiness on the mid-palate and the finish is long and persistent.

VINA PROGRESO Cabernet Franc 'Overground' - Canelones 2018 Bottle

This collection is called "overground" by opposition to "underground" as these wines are more civilized and welcoming." By harmonising viticulture with production, we produce a very particular style of typical Uruguayan wine, with a very aromatic fruit that not only refreshes the palate but also gives it great strength and structure, but at the same time round and mature tannins. Intense and complex flavours, resulting from the slow ripening season typical of the cool temperate climate of the southern region of the Uruguayan coast. This too has hints of that typical lifted capsicum nose. It is happily but not overly ripe and soft with dense dark fruits on the palate and enticing herbaceous qualities throughout. A judicious six months in second use French barrels is sufficient to tease out some complexity." Aromas of violets, dried cherries, slate and burnt orange. It's medium bodied with sharp acidity and firm, tight tannins. Juicy finish.

ZUCCARDI Brut Sparkling Chardonnay 'Alma4' - Mendoza 2021 Bottle

Alma 4 is a line of sparkling wines, born in 1999, that brings together four friends from Mendoza around the production of sparkling wines: the couple Sebastián Zuccardi-Marcela Manini (the winemaker of the Zuccardi winery and his wife, who also studied oenology) and the agronomists Mauricio Castro and Agustín López.

Each sparkling wine is made using the second fermentation method in the bottle -some have long aging periods- and they work with certain atypical varieties for bubbles, such as Viognier. Made with the traditional method of second fermentation in the bottle, with five grams of residual sugar and 50 months of contact with its lees. It has 20% of grapes fermented in barrels and the rest in concrete. The fruit of the chardonnay here is transformed into a kind of lemonade, or at least a fresh and acid juice to quench thirst. The bubbles are very soft, round, abundant. One of those whites to drink with Oysters, Poultry, Molluscs, Fish, Grilled, Sautéed or Fried, Smoked, Steamed, Soft Cheeses, Strong Cheeses, Hard Cheeses, Onion Sauces, Green Vegetables, Nuts, Spicy and Very Seasoned Foods, Fruits and Berries, Sushi.

LA GIUSTINIANA Gavi di Gavi 'Lugarara' - Piemonte 2022 Bottle/nc (Cortese) VEG/VGN

Donato Lanati, one of Italy's best young consultants, began working with the owner of La Giustiniana, Enrico Tomalino, at the beginning of 1998. His indelible stamp of quality has become increasingly evident in recent years. The changes wrought in the winery seven years ago are now being matched with the improvements being made in the vineyard, where better grapes are giving purer, richer and better balanced wines. The estate covers 30 hectares in the heart of the commune of Rovereto in Gavi. Two single-vineyard wines are produced, both of which are unoaked so the character of the vineyards shines through. This 100% Cortese wine is straw-yellow in colour with a greenish hue. This wine delights with aromas of white fruit, stone fruit and lime zest, which are immediately beguiling and are followed by a subtle yet persistent bouquet of green apples. The palate is well balanced with fresh acidity and good structure, and there are almond notes on the finish.

OLDENBURG Cooler than <CL° White Blend (Chenin/Chardonnay) 2022 Bottle/st 12.5%abv

<CL° is the concept range in the Oldenburg stable. A concept means the representation of an idea. The <CL° range represents a key part of the Oldenburg story: that they are cooler than Stellenbosch (in terms of climate). There are 8 Natural Elements that make their corner of the Banghoek Valley a special place to make wine, and three of these elements (the mountain ranges, the elevation and the winds) influence the coolness of their valley. This cooler climate elevates the quality of their grapes and wine significantly, through slower and more even ripening.

This captivating wine captures a gentle lemon hue in the glass. A divine citrus character persists on the nose, revealing array of fragrances including invigorating lemon zest, delicate elderflowers, and enticing orange blossom. On the palate, the fruit flavours shine, supported by a lively acidity that leaves the mouth pleasantly invigorated. Notes of white lilies, star jasmine, and a gentle touch of grapefruit contribute to an enchanting tasting experience. The journey culminates with a nuanced vanilla finish that adds a delightful touch to the overall encounter.

SAURWEIN Chi Riesling - Elgin 2022 Bottle 11.5%abv

Chi means "life force" and Chi stands for CHIUTA (an African rain god). Situated in the fertile Elgin valley, the picturesque vineyard site inspired the creation of this crisp, handcrafted Riesling.

2022 was a great vintage with a very long, cool ripening. Grapes were hand-picked, cooled, then hand-sorted, destemmed and pressed. Spontaneous fermentation took place in stainless steel tanks, which lasted about 6 weeks until optimal residual sugar balance achieved at about 11,5 g/l. The wine was prepared for bottling and bottled after 3 months in tank.

Fragrant citrus blossom, yellow stone fruits, white pear, ginger, Piña colada, honey suckle, flint. Ideal with Salads/ cheeses/ Asian-style dishes with a bit of spice/ sweetness.

May the "Chi" be with you! 92/100, Neal Martin | 16/20, Julia Harding MW | 92/100, Christian Eedes | 94+/100, Greg Sherwood MW

DOMINIO DO BIBEI Lalume White - Ribeiro (Treixadura) 2018/19 Bottle - VGN/ORG

Since his first vintage in 2001, Javier Dominguez's Dominio do Bibei has been acknowledged as the force behind the emergence of quality wines in Spain's historic Ribeira Sacra. The Romans first planted vines in the region. Using slave labour, they constructed hundreds of terraces on the slopes along three river gorges: the Sil, the Miño and the Bibei. Later, monks farmed the vines for several centuries (from whence it got its name 'sacred riverbanks'), until the devastation of phylloxera and economic depression drove local families to leave Ribeira Sacra. In the late 1990s, Javier Dominguez was among an influx of young winemakers attracted by the region's old vines and untouched landscape. The family bought land in the Bibei valley and now they own a 140 ha estate, of which 45 ha are planted with vines.

Lalume is a precise, barrel-fermented Treixadura with aromas of white stone fruit, floral notes and honeysuckle. On the palate, it is precisely textured with good acidity and a long finish.

Its unique location provides a rich, sunny exposure, temperate climate, and excellent humidity in the spring and early summer. The sandy, acidic soil of Bas-Armagnac makes it the premier area for producing brandy grapes. Iron minerals in the sand give the wine a touch of colour and contribute to its pleasant flavouring.

Composed mainly of Ugni Blanc, Lhéraud's armagnacs are also produced from Folle Blanche that contributes elegance plus floral and fruity notes, as well as Baco Blanc that provides the traditional prune taste found in many armagnacs.

HENNESSY 'Paradis' Rare Cognac Bottle (70cl) 40%abv

Hennessy Paradis was created by Maurice Fillioux in 1979 as a tribute to symphonic music. The number of instruments in an orchestra is not necessarily a measure of its success, but rather the purity of sound it creates and the virtuosity of the conductor. The same is true for Hennessy Paradis, a union of exceptional eaux-de-vie selected for their individual qualities to work together to create a harmonious and graceful cognac.

Hennessy Paradis is defined by its graceful character and immediately delights with its rich copper colour. It is a perfectly balanced blend, both voluptuous and round, and combines smoothness and strength with a silky texture. Naturally, it has a flavourful and deep, persistent finish.

HERRADURA Tequila Reposado - Jalisco, Mexico (100% Agave) Bottle (70cl) 40%abv

The Original Reposado. Tequila Herradura introduced the world to Reposado in 1974 and has been setting the standard ever since. Aged longer than industry standard for 11 months, Reposado has a rich amber color with notes of cooked agave, vanilla and butter. This additional time spent resting in charred American White Oak barrels creates a smooth, sweet finish with a slight taste of spice.

"The perky aroma suggests vanilla and citrus, for a lemon cream pie-like effect. The palate starts out with vanilla, coconut and waxy honey, and is perked up by citrusy acidity and hints of lemon peel in the finish." - 92/100, Wine Enthusiast

HERRADURA Tequila Añejo - Mexico (100% Agave) Bottle (70cl) 40%abv

Aged to perfection. Blending modern and traditional distilling techniques, añejo was first introduced to the world by Casa Herradura in 1962. Since then Herradura Añejo has aged in American White Oak barrels for 25 months – an incredible 13 months beyond industry standards. The result is a remarkably smooth, amber-colored liquid that melts on your tongue leaving notes of cooked agave, toasted oak and dried fruit.

BULLEIT 95 Small Batch American Straight Rye Mash Frontier Whiskey Bottle (70cl) 45%abv

"No age statement, but it includes 4 to 7 year old whiskeys. The mashbill is 95% rye — much higher than most standard rye whiskeys out there. It's brisk, vibrant, and loaded with spice (crisp mint, warming cinnamon, cocoa, hint of anise). Fruit — ripe nectarine, apricot, golden raisin — drizzled with maple syrup. Dry oak rounds out the finish. Bold enough for cocktails. Mature enough to drink neat (or on the rocks)." Advanced Malt Advocate magazine rating: 85/100

COMPASS BOX Flaming Heart Limited Edition 7 Blended Malt Whisky Bottle (70cl) 48.9%abv

Released in September 2022 with only 9540 bottles to go around, Compass Box's seventh edition of the Flaming Heart Series continues its legacy of combining heavily-peated malt whiskies and malts extra matured in virgin toasted French oak. Powerful and harmonious malts worthy of blending don't come around often, the 2022 release uses a new power trio of Laphroaig, Talisker and Caol Ila to bring melodic peat but have also evolved to introduce a deep fruitiness. A high-energy nose with smouldering peat embers, cigar wrapper and candied ginger. The palate is oily, smoky, rich and savoury.

Aromas of toffee, marzipan, treacle, toasted hazelnuts and furniture polish fill the nose, complemented by notes of cherry wood, brown sugar, caramelised pineapples and sticky toffee throughout the palate and lingering in the finish.

THE DALMORE 18 Year Old Single Highland Malt Whisky Bottle (70cl) 43%abv

The latest expression of Dalmore is an 18yo, and it's just as smooth, spicy and sweet as fans of this distillery would hope.

"Aged in American oak for 14 years and then finished off in Spanish sherry butts for several more. A rich, lush, sherried Dalmore expression. Fruity notes of succulent orange, strawberry rhubarb tart, and sultana on a bed of toffee and vanilla. A peppering of cinnamon, lemon rock candy, chocolate-covered coffee bean and lavender adds complexity. Perhaps a little heavy-handed with the sherry. But still, it's a solid effort and a Dalmore to enjoy after dinner or as a nightcap." - Advanced Malt Advocate magazine rating: 87 points.

The tall, slender shape of the optically crafted decanter makes it easy to handle, and perfect to fit in the fridge door. As Maximilian J. Riedel, the designer of these new decanters explains, the design is in keeping with the modern trend towards casual dining: "Back to basics. Riedel decanters with a double and triple-decanting function have a high level of functionality and are perfect for connoisseurs. Some people, however, may find these decanters too complicated and intricate to handle. With our 'M' decanters, we are taking a step back and offering an alternative that we think reflects today's 'farm to table' zeitgeist perfectly."

Cider (Flavoured)

SHEPPY'S Blackberry & Elderflower Cider CASE x 12 Bottles (500ml) 4.0%abv

Sheppy's Cider with Blackberry and Elderflower is produced on our farm in Somerset and is a delicious combination of dessert apple cider with blackberry juice and elderflower infusion.

This artful combination captures the essence of Somerset's sunny hedgerows. It is a crimson-red cider scented with aromatic elderflower and with the slight fruity sharpness natural to hedgerow blackberries.

This cider should be served slightly chilled, but do not over chill. Ideal as an accompaniment to Summer dishes, picnics or barbeques, but equally delicious on its own.

Cider (Flavoured)

SHEPPYs Cider with Raspberry CASE x 12 Bottles (500ml) 4.0%abv

"We have captured summer in a bottle with our lightly carbonated Cider with Raspberry. It's light and refreshing with not an artificial flavour in sight. Blended at home on the farm using a light, but traditional cider apple blend and pure raspberry juice, you will still know you are drinking cider. Not too sweet, and with a manageable ABV, this is perfect for a summer's day." (Sheppy's)

David's Tasting Notes at Sheppy's - "I knew that although Sheppy's is all about traditional cider I knew that I had to keep up with the trends by producing a fruit cider. This cider is produced to a medium taste and I make sure I keep it as natural as possible by using natural raspberry juice. It's as close to a traditional flavoured cider as you're going to find."

INNIS & GUNN Craft Brewed Lager CASE x 10 CANS (440ml) 4.6%abv

Taking its inspiration from the Helles ('light-coloured') German style of lager, first produced in Munich in the late 1800s as an alternative to the typical 'dunkelbier' ('dark coloured beer'). Like the first Helles this has a sweet, malty flavour balanced with a light aromatic hoppiness making it very refreshing. The Naked Golden Oats are grown without husks so that even more sweetness and flavour can be extracted from the grains. Pale gold colour with aromas of lemon zest, macadamia nuts and biscuity malt. Soft, aromatic and richly nutty with a smooth, refreshing finish.

Pilsner

KROMBACHER Pils Alcohol Free CASE x 24 Bottles (330ml) 0.0%abv

In Krombacher taste is the one and only benchmark in the production of their beers and their aim here was to produce a product that had the full-bodied characteristics of Krombacher Pils minus the alcohol content. Brewed in the same way, with the same fresh Felsquellwasser® (mountain spring water) and malt content it then goes through a process of de-alcoholisation developed especially in Krombach, which enables the beer to retain the unique aroma originating from the brewing process. It is no wonder therefore, with these credentials, that this isotonic thirst quencher is the most popular non-alcoholic Pils in Germany!

WINE SAVE PRO (9 Litres, 150 Serves) Each

winesave™ keeps opened wine at its peak for weeks after it has first been opened. Oxidation and the resulting spoilage of opened wine is now a thing of the past as it protects opened wine by laying a pure, inert and odourless gas called argon (which is heavier than air) across the wine's surface in the bottle, thereby protecting it. For the wine drinker, this means you can enjoy the luxury of wines by the glass at home. It also means that you will never again waste any wine because of oxidation, nor ever feel compelled to finish a bottle just because it has been opened. Each canister contains approximately 150 applications.
