CHATEAU COUTET 1er Grand Cru Classe, Barsac 2025 CASE x 6 Bottles - PRE-RELEASE

£210.00

***** HIGHLY RECOMMENDED *****

"Château Coutet, one of the appellation's historic benchmarks, continues to leverage its heritage with a clear sense of direction. Under the Baly family, and strengthened by its partnership with Baron Philippe de Rothschild, the estate shows a disciplined and consistent approach to quality. True to its identity – its name derived from the Gascon for 'knife' – Coutet stands out for its signature tension, where a sharp mineral backbone cuts through the sweetness.

The 2025 is a faithful expression of the style: round and sweet, yet lifted by energy and a finely judged, gently bitter finish." - Lucie Richard, DIVA Bordeaux

JAMES SUCKLING 94-95 points

This is round and concentrated, with incisive acidity providing balance. Full-bodied and attractive in its power, with just enough freshness to hold it together.

Really fragrant and aromatic peach and pear notes on the nose and palate. Round, sweet, luscious and energetic, this has such a lovely presence in the mouth – ripe, forward, alive and sweet – orange juice, pineapple, mango and peaches. Lovely bitter tang on the finish too. Very assured.

CHATEAU DOISY-VEDRINES Grand Cru Classe Sauternes 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£190.00

Doisy-Védrières's 27 hectares of vineyards are situated on the highest plateau in Barsac and are planted with 80% Sémillon, 15% Sauvignon Blanc and 5% Muscadelle. The grapes are picked in several "tries" and the yields are painfully low, even by Sauternes standards. Fermentation starts in temperature-controlled, stainless steel vats for around a week before the must is transferred to 100% new oak barriques. The wine remains in barrique for 18-20 months.

Doisy-Védrières is one of the richest and most full-bodied wines in Barsac and it significantly uses the Sauternes AC rather than the Barsac one. It needs at least 5 years of bottle ageing and the best vintages will keep for up to 25 years.

CHATEAU GUIRAUD 1er Grand Cru Classe, Sauternes 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£299.00

"Guiraud stands among the leading estates of Sauternes, celebrated for crafting some of the appellation's freshest, most finely balanced sweet wines. Organic since 2001 and fully certified in 2011, the estate is notably planted with 35% Sauvignon Blanc and boasts some of Bordeaux's oldest vines.

Tasted at the Union des Grands Crus, the 2025 vintage impressed with its elegance and harmony. James Suckling noted "quince, pastry and spice aromas," while describing the palate as "refined and charming, with controlled sweetness and a succulent spice note bringing vitality to the finish."

A beautiful expression of the vintage, this 2025 Guiraud captures both precision and depth. It's a wine made not only to delight today, but to evolve gracefully over decades, destined to stand as a benchmark for years to come."

CHATEAU LA TOUR BLANCHE 1er Grand Cru Classe, Sauternes 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£280.00

The quality of La Tour Blanche's wines was nothing to write home about until the appointment of Jean-Pierre Jausser as administrator in 1983. He breathed new life into the property and has elevated La Tour Blanche into the very top ranks of Sauternes producers.

La Tour Blanche's vineyard consists of 30 hectares of vineyards and the wine is typically a blend of 70% Sémillon, 20% Sauvignon Blanc, and 10% Muscadelle. The grapes are fermented in a combination of oak barrels and stainless steel tanks and the wine is then aged in 100% new oak barrels for 18-24 months.

La Tour Blanche's wines are now amongst the richest, most powerful and most exotic being produced in Sauternes today. They have marvellous ageing potential.

"The 2025 vintage at Château Margaux is defined by precision, patience and exceptionally low yields. Cropped at just 22 hl/ha, one of the smallest harvests in recent history, the estate navigated a challenging growing season with remarkable success.

Timely rainfall at the end of August moderated potential alcohol levels and allowed Managing Director Philippe Bascaules and his team to delay harvesting until optimal phenolic ripeness was achieved. Rigorous parcel selection and vinification have produced wines of exceptional balance, purity and refinement. The resulting Grand Vin captures the elegance and aromatic complexity that define this First Growth, reflecting the decisions that shaped the vintage.

The estate's 50-hectare vineyard, planted with Cabernet Sauvignon (80%), Merlot (18%), and a touch of Cabernet Franc (1%) and Carmenere (1%), produces wines that are elegant, perfumed, and wonderfully balanced, with notes of red berries, violet, and subtle spice.

Under the Lurton family's stewardship for exactly 100 years, Brane-Cantenac blends tradition with innovation, including organic and biodynamic practices, ensuring each vintage captures the essence of Margaux's refinement. A pleasurable, age-worthy wine, it's a testament to the art of subtlety and sophistication."

CHATEAU CANTENAC BROWN 3eme Grand Cru Classe, Margaux 2025 Wooden Case x 6 Bottles £245.00
(dv) - PRE-RELEASE

"Château Cantenac Brown continues its rise among the leading estates of the Margaux appellation. In recent years, the property has reached a major milestone with the inauguration of new winery facilities and cellars, among the most innovative in Bordeaux, combining technical excellence with an outstanding environmental commitment. These exceptional new facilities support the remarkable work carried out both in the vineyard and in the cellar. The 2025 vintage also marks an important chapter in the estate's history, as Romain Courtier takes the helm, building on the château's strong foundations and ensuring continuity in knowledge, expertise, and vision while pursuing its ongoing qualitative progress.

Château Cantenac Brown 2025 beautifully captures the refinement of Margaux. Its bouquet combines black fruits, violet and delicate cedar notes. The palate is precise and well-balanced, supported by particularly elegant tannins, resulting in a wine that is both distinguished, harmonious, and built for long-term ageing.

Alto de Cantenac Brown 2025 confirms its status as one of Bordeaux's leading white wines, despite a vintage challenged by intense summer heat. Driven by remarkable freshness, it reveals aromas of citrus fruits, exotic fruits, and white flowers. "Claire Villars-Lurton is a committed woman—committed to her environmental approach, to the purity of her wines, and to showcasing them on the market.

"Château Giscours remains one of Bordeaux's most dependable performers. Vintage after vintage, the estate delivers with remarkable consistency, reflecting both the quality of its terroir and the patient guidance of the Albada Jelgersma family, who have overseen the property since 1995. Spread across 400 hectares, Giscours is a living estate in the fullest sense: vineyards occupy only a quarter of the property, with woodlands, pasture and grazing sheep shaping a landscape where biodiversity is more than a contemporary aspiration.

The success of the 2025 vintage comes as no surprise. With a quintessential Margaux profile, it ranks naturally among the estate's most accomplished vintages and provides a fitting celebration of three decades of the Albada Jelgersma family's ownership in Margaux."

CHATEAU LASCOMBES 2eme Grand Cru Classe, Margaux 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£324.00

"The arrival of Axel Heinz as head of Château Lascombes in 2023 marks a decisive turning point for this Second Grand Cru Classé of Margaux. Drawing on his experience as former director of Masseto, he has undertaken a demanding "reinterpretation" of the estate, refocusing the expression on the purity of the terroir and the precision of its deep gravel soils. The vineyard, covering around 120 hectares, is rooted in a mosaic of soils emblematic of Margaux, where "the king" Cabernet Sauvignon is predominant.

The 2025 vintage stands out as a major milestone in this ongoing renaissance. The wine impresses with a remarkable balance between opulence and restraint, offering deep black fruit interwoven with notes of violet, incense, and a subtle sanguine character. On the palate, it shows great density, salinity, supported by finely chalky tannins and a highly expressive mineral backbone. The finish is long and structured. A Lascombes of great precision, tense and sculpted, and quite possibly the most accomplished of the past twenty years."

"A handful of our closest Bordeaux partners are family-run estates, and few are as unapologetically authentic as the Zuger family. Straight-talking and fiercely independent, they produce what is arguably Margaux's best-value classified growth.

In 2025, a slightly later harvest than their neighbours proved a masterstroke. The wine leaps from the glass with dark, ripe fruit and a seductive hint of spice. On the palate, it's expansive yet vibrant, with a beautifully balanced energy that makes it irresistibly drinkable. CHATEAU MARQUIS DE TERME 4eme Grand Cru Classe, Margaux 2025 Wooden Case x 6 Bottles - PRE-RELEASE

"A faithful 45-hectare vineyard holding, almost unchanged since the 1855 classification, spread across the communes of Margaux and Cantenac. A nest of gravel soils rests on the clay subsoil of the appellation's terraces. Benefiting from a singular geology from which Marquis de Terme's graphite and mineral signature is born.

The 2025 vintage is in line with the spirit of the year while offering depth and succulence, a fine balance, leafy blackcurrant and raspberry notes, along with touches of saffron, black pepper, and freshly cut herbs. We find once again the estate's unique aromatic signature: a "graphite" minerality, reminiscent of pencil lead or flint.

£360.00

*** HIGHLY RECOMMENDED ***

"Like an iron fist in a velvet glove, Rauzan-Ségla performs the same piece of music year after year, yet with a single interpretation for each vintage.

Sourced exclusively from parcels located on Terrace 4, Rauzan-Ségla is crafted from around one hundred distinct terroirs. Plots are then vinified in one of the estate's 60 vats, allowing for exceptional precision and control over the final expression of the wine.

Since Nicolas Audebert took the helm of the château, finesse has become more than ever the hallmark of the estate's style. This pursuit of refinement is reflected in extensive vineyard replanting programmes designed to match each grape variety to its ideal terroir, meticulous day-to-day vineyard management, and the gentlest possible vinification. Such an approach makes it possible to incorporate up to 17% press wine into the final blend, bringing additional complexity and structure to this distinguished Margaux while preserving its elegance and poise.

Rauzan-Ségla 2025 is a vintage of fascinating contrasts, balancing freshness and ripeness with remarkable harmony. The wine displays great finesse and precision, faithfully expressing a consistent, balanced and assured trajectory. It stands as a compelling reflection of the estate's unwavering commitment to excellence and of the singular character of its terroir."

CHATEAU CANTEMERLE 5eme Grand Cru Classe Haut-Medoc 2025 Wooden Case x 6 Bottles -

£150.00

PRE-RELEASE

"Over the past forty years, Château Cantemerle has expanded from 20 to 90 hectares, yet the estate's identity has always been shaped by determination. In 1855, Caroline de Villeneuve personally travelled to the Bordeaux Chamber of Commerce to restore the château's rightful place in the classification – a defining moment in the estate's history.

Today, under the direction of Laure Canu, meticulous attention to detail in both vineyard and cellar continues to sharpen the estate's profile. After three years of construction, the new winery was delivered just in time for the 2025 vintage. The result is a notably precise and structured Cantemerle, showing a level of refinement and definition beyond recent vintages. Classical in style yet increasingly polished, the wine reflects the steady upward trajectory the estate has been building over the past decade." - Lucie Richard

"Under the ownership of CA Grands Crus, both Château Grand-Puy Ducasse and Château Meyney continue to benefit from sustained investment and a clear focus on precision, in both vineyard and cellar. In Pauillac, Grand-Puy Ducasse has undergone a significant transformation in recent years, with a new winery designed to vinify each parcel with greater accuracy. In Saint-Estèphe, Meyney builds on one of the Médoc's most coherent vineyard holdings, overlooking the Gironde, with a long-standing reputation for structure and ageing potential.

The 2025s reflect this momentum. Grand-Puy Ducasse shows a more refined and controlled profile, with polished tannins, precise cassis-driven fruit and a clearer expression of Pauillac classicism.

CHATEAU MOUTON ROTHSCHILD 1er Grand Cru Classe Pauillac 2025 Wooden Case* x 3 Bottles - PRE-RELEASE

£1,050.00

"« Mouton ne change »

The château's famous motto once again rings true with the unveiling of the 2025 vintage of Château Mouton Rothschild, Petit Mouton and Aile d'Argent.

A truly unprecedented vintage at Mouton. Despite yields dropping below 25 hl/ha, the Cabernet Sauvignon reached such an exceptional level of quality that it accounts for 98% of the final blend of Mouton — a record in itself.

And the result fully lives up to this remarkable achievement: phenomenal length on the palate, beautifully velvety tannins, and those unmistakable fresh cassis notes that define Mouton and never fail to captivate. The 14% of press wine adds depth and structure to the vintage, yet without weighing it down; the wine remains vibrant, approachable and already incredibly charming in its youth.

THE WINE ADVOCATE (98-100) points

Reviewed by: William Kelley

A blend of 56% Cabernet Sauvignon, 39% Merlot, 4% Cabernet Franc and 1% Petit Verdot that weighs in at 13.3% alcohol, the 2025 Pontet-Canet is one of the finest wines this estate has produced. Wafting from the glass with aromas of sweet cassis, wild berries and plums mingled with notions of violet and burning embers, it's full-bodied, ample and velvety, with a degree of structural polish and sensuality that is rare in the Médoc, ripe acids and a long, penetrating finish. Over the last handful of years, technical director Mathieu Bessonnet and his team have revitalized Pontet-Canet's vineyards with well-timed soil work and precise phytosanitary treatments; and since 2023, the careful use of "pieds de cuve" in the winery, along with early blending, more refined barrel choices and cooler temperatures in the chai—plus more precise bottling practices—have conspired to take this estate to new heights of quality and consistency. In 2025, the team formed lower-than-usual "ponts" (whereby the canopies of adjacent vines are braided together in an arch) to retain denser foliage to protect the fruiting zone from sunshine, and they waited to pick late in pursuit of full maturity in Cabernet Sauvignon, finishing on September 23. The result is one of the wines of the vintage

JAMES SUCKLING 97-98 points

A precise and beautiful wine with total integration of the fruit and polished tannins that give a caressing and seductive mouthfeel. It's medium-bodied with lovely fruit, a gentle nature and an overall softness and gorgeousness. Yet structured.

Drinking Window: 2034 - 2055

Deep purple plum colour in the glass with earthy, blackcurrant fruit aromas. Crystalline and focused, this is seamless and quite straight - tannins are fine but give a solid structure and edge to the wine with brilliant purity to the fruit. Excellent freshness but it's more than just cool and pure, there's perfect tension and weight, clarity and finesse with detail - sinewy, juicy, fresh, fragrant, cool and mouthwatering. Delicate and graceful with the power from ample tannins building afterwards full of liquorice, sticky cola, black chocolate, a dusting of espresso and tobacco. A very transparent expression of the vintage - not overly demonstrative but structured and fresh with a great promise of long ageing. 3.7pH. Harvest 2-15 September with indigenous yeasts and no sulphur usage for fermentations and a long maceration to soften the tannins. 1% of Petit Verdot completes the blend. Ageing 50% new oak, 35% amphoras and 15% one wine barrels.

VINOUS 96-98+ points

Drinking window: 2033 - 2065

The 2025 Pontet-Canet is a wine of exquisite class. Silky, aromatic and vibrant, the 2025 is all finesse. Crushed red/purplish fruit, lavender, rose petal and a gentle hint of spice are all wonderfully knit together. Pontet-Canet is one of the more refined, sublimely beautiful wines of the year. This could turn out even better than my note suggests. Tasted two times.

CHATEAU TALBOT 4eme Grand Cru Classe, Pauillac 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£264.00

"In the hands of the Cordier-Bignon family since 1917, Château Talbot has established itself as one of the most widely distributed Bordeaux wines in the world. Its 93.5 hectares of Médoc gravel soils ensure strong visibility across all markets, and its very reasonable prices enable smooth distribution.

Caillou Blanc, produced on 5 hectares, was one of the pioneers of white wines in the Médoc a century ago. And Sénéjac, benefiting from the care of the same team, offers excellent value in a gourmand style.

The new generation of the family is gradually taking over, and the talented General Manager and winemaker Jean-Michel Laporte, who joined from La Conseillante in 2019, has enhanced the wines' precision and aging potential. The 2025 Talbot is a model of refinement in Saint-Julien: a remarkably fresh bouquet, with inviting notes of eucalyptus and blackberry aromas. Creamy on the attack, the wine stands out for its linear and precise character. It features powerful tannins and structuring acidity, offering pleasure even in its youth, but is clearly built for aging as well."

"« Mouton ne change »

The château's famous motto once again rings true with the unveiling of the 2025 vintage of Château Mouton Rothschild, Petit Mouton and Aile d'Argent.

Petit Mouton delivers a beautiful balance between freshness, controlled power, and juicy notes of black fruits and wild strawberry. The tannic framework is a clear reminder that we are on Pauillac's greatest terroirs, yet it remains seamlessly integrated, never overshadowing the harmony of the wine.

DECANTER 98 points

Tasted by: Georgina Hindle (at Bordeaux, 01 Apr 2026)

Drinking Window: 2034 - 2050

Vivid pink colour in the glass. Plush, plump and chewy yet serious in a tight, cool blue fruit and graphite way. Lots of gravelly minerality keeps this quite focused and straight but with lovely fine layers of flavour and fruitiness. Classic in the sense of lower alcohol but still with ripe tannins – a nice combination. Still shy I'd say for Cos, definitely not the showy more exuberant style you can find. Refined but well built and definitely not overripe. Dominique Arangoits, technical director of Cos d'Estournel said 2025 was a: 'Very interesting vintage, the dry situation arrived early so the vines adapted better. Easter brought three days of rain with 115mm on 20 April which proved vital, followed by helpful rain at the end of August. We started harvest on 3 September – our earliest ever. Nice quality of tannins and colour – we have the benefits of a hot season but with cool nights too. low alcohol and nice quantity of fresh fruit. It's a mix of styles – ripeness and precocity of 2022 and freshness of 2016. Maybe a bit like 2020.' 3.68pH. 65% grand vin production.

JAMES SUCKLING 98 - 99 points

A density to this, yet it remains balanced and complex, with well-integrated tannins and a juicy finish. It seems to be a wine with lots of fruit, but then it diffuses and shows open-grained, velvety tannins. Intense yet subtle blackberries, lead pencil and hazelnuts. Some flint. Persistent and reserved at the end. Great potential. A blend of 60% cabernet sauvignon, 39% merlot and 1% petit verdot.

Reviewed by: William Kelley

The 2025 Cos d'Estournel appears to be one of the finest wines this property has produced in the last decade. Unwinding in the glass with a deep bouquet of dark berry fruit mingled with violets, pencil shavings, burning embers and anise, it's full-bodied, ample and velvety, with a broad attack, layered mid-palate and beautifully fresh, concentrated flavors. All of this terroir's inherent power is present, contained within very classical proportions at 13.3% alcohol. The 2025 is a blend of 60% Cabernet Sauvignon, 39% Merlot and 1% Petit Verdot.

VINOUS 95 - 97 points

Drinking window: 2032 - 2060

The 2025 Cos d'Estournel was picked between September 3 and 19 and matured in 50% new oak, the analytic alcohol at 13.25%. There is just a touch of CO2 on the nose that soon dissipates, gorgeous black plum and damson aromas, pencil lead and light iodine scents all delivered with impressive delineation. The palate is medium-bodied with fine tannins, a hint of cracked black pepper and pencil lead that infuse the layered black fruit. There is a real crescendo of flavours in this Cos d'Estournel, fanning out gloriously towards the sustained finish. This is a serious Saint-Estephe that will age supremely well in bottle.

CHATEAU DE PEZ Saint-Estephe 2025 Wooden Case x 6 Bottles - PRE-RELEASE

"Since its acquisition by the Rouzaud family (Louis Roederer Group), Château Pichon Comtesse de Lalande has continued to strengthen its position among the great names of Pauillac. Under the direction of Nicolas Glumineau, the estate pursues a rigorous approach in both vineyard and cellar, refining the precision, elegance and ageing potential of its Grand Vin. The Pichon Comtesse Réserve follows the same philosophy, offering a more accessible yet faithful expression of the estate's style.

The same pursuit of precision has profoundly elevated Château de Pez in Saint-Estèphe. Since Nicolas and his team took over its management, the wines have gained in purity, balance and definition, reflecting a fresher and more polished interpretation of the appellation. Significant work carried out in recent years has substantially improved the quality and consistency of the cru, while 2025 also marks the introduction of a new, more modern label for the estate.

Each property benefits from a distinct terroir identity, from the blue clay soils of Saint-Estèphe Lafon-Rochet, to the prime Pauillac parcels of Pédesclaux.

Under the guidance of Félix Pariente Lorenzetti and consultant Éric Boissenot, the wines display precision, balance and a clear sense of place. Lafon-Rochet offers classic Cabernet-driven profile with fresh black fruits and graphite notes. CHATEAU MEYNEY Saint-Estephe 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£159.00

***** HIGHLY RECOMMENDED *****
"Under the ownership of CA Grands Crus, both Château Grand-Puy Ducasse and Château Meyney continue to benefit from significant investment and a clear focus on precision, in both vineyard and cellar. In Pauillac, Grand-Puy Ducasse has undergone a significant transformation in recent years, with a new winery designed to vinify each parcel with greater accuracy. In Saint-Estèphe, Meyney builds on one of the Médoc's most coherent vineyard holdings, overlooking the Gironde, with a long-standing reputation for structure and ageing potential.

Meyney, true to its origins, delivers depth and structure, supported by fresh acidity and a firm yet integrated tannic frame.

These are confident, well-executed wines that underline the upward trajectory of both estates, disciplined in style, and increasingly compelling within their respective appellations."

CHATEAU PHELAN SEGUR Saint-Estephe 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£240.00

***** HIGHLY RECOMMENDED *****
"Perched above the Gironde estuary in the heart of Saint-Estèphe, Château Phélan Ségur continues its ascent as one of the Médoc's most compelling estates. Founded in the early 19th century by the Irish visionary Bernard Phélan, the property combines an exceptional riverside terroir with a meticulous approach in both vineyard and cellar.

The 2025 growing season presented challenges that demanded patience and precision. Water stress was particularly evident on the deeper gravel soils, prompting the team to delay harvest until rainfall brought the desired balance and refinement to the tannins. This measured approach proved decisive, allowing fruit to reach optimal maturity while preserving freshness and structure.

Adaptation in the cellar was equally important. Extraction was handled with restraint, with no délestage and shorter macerations than usual, ensuring the wine retained purity and elegance rather than excess weight. The result is a beautifully composed Saint-Estèphe, built around fine, firm tannins and a distinctive chalky texture.

The 2025 offers impressive depth and focus, balancing structure, finesse and freshness. Long, driven and harmonious, it is a refined expression of both the vintage and this increasingly impressive estate."

CHATEAU BEYCHEVELLE 4eme Grand Cru Classe, Saint-Julien 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£465.00

"Beychevelle 2025 is a very sexy wine, I fully agree with Antonio Galloni's assessment.

After three lovely weeks on their velvety skins, with 42% Merlot adding both lushness and depth to the Cabernet Sauvignon majority, the charm is immediate: fresh wood nuances provide a solid foundation for its bouquet, showcasing its complexity through aromas of black berries, licorice, graphite, mint, and even floral notes, all culminating in a very long, sensual finish.

For many, this is the finest Beychevelle of the past three decades. GM and winemaker Philippe Blanc has worked tirelessly over the long term to establish this legendary estate as a respected and admired cru, celebrated for the high quality and drinkability of its wines.

"Beychevelle" is traditionally said to mean "lower the sail," referring to the gesture of respect made by royal boats passing the château on the Garonne River, let us now bow before the Château's team for this achievement."

CHATEAU BRANAIRE-DUCRU 4eme Grand Cru Classe, Saint-Julien 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£240.00

***** HIGHLY RECOMMENDED *****

"Since its acquisition in 1988 by the Maroteaux family, the estate has been shaped by a clear and consistent vision. Under the direction of Jean-Dominique Vidaud since 2003, first alongside Patrick, now with François-Xavier Maroteaux, that vision has been carefully carried forward. From the outset, significant restructuring in both vineyard and cellar has laid the foundations for precision, with 70 parcels across Saint-Julien now vinified in 70 individual vats.

Attention to detail is paramount, resulting in wines of finesse and quiet elegance, built to age, yet always with drinkability in mind.

The 2025 follows in the same vein: polished, with well-integrated tannins and vibrant, expressive fruit. Oak is handled with restraint, allowing the wine's balance and appeal to come through with clarity."

CHATEAU DUCRU-BEAUCAILLOU 2eme Grand Cru Classe, Saint-Julien 2025 Wooden Case x 3 Bottles - PRE-RELEASE

£315.00

"Ducru Beaucaillou is so unique that its name stands like a flag flying amidst the vineyards of Saint-Julien. Its charismatic owner, Bruno Borie, constantly pursues ambitious projects, whether in producing the finest possible wine or through highly original marketing for a Bordeaux cru. The most recent is a large-scale, ultra-modern winery that has just been inaugurated. The name "Beaucaillou" (beautiful stones) comes from its unique terroir, covered with large, rounded pebbles deposited by the Garonne River. It is characterized by a layer of Günzian gravel (6 to 8 meters thick), resting on a clay-limestone subsoil. These well-draining, warm soils promote optimal grape ripening, giving the wines elegance, refined structure, and great complexity.

Ducru Beaucaillou 2025 is a model of refinement: A highly aromatic nose opens with floral notes, followed by ripe black cherry and cassis. The profile is dense and compact, yet lifted. On the palate, the wine is rich and structured, driven by a precise sense of tension that brings clarity and definition to the fruit. The texture is fine and controlled, leading to a tight, sapid finish with a pronounced mineral expression, leaving a fresh, clean, and persistent impression.

Le Petit Ducru has a soft, round mouthfeel, with a smooth and homogeneous texture.

Finally, Madame de Beaucaillou reveals subtle notes of licorice and blackberry, accompanied by soft, powdery tannins and a round, caressing texture."

CHATEAU GLORIA Saint-Julien 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£180.00

"Arguably St-Julien's ultimate hidden gem, Gloria has long delivered classified-growth quality without the classic constraints of the 1855 ranking, it has consistently traded below its true worth - a rare disconnect between pedigree and price that sharp buyers have capitalised on for years. *****HIGHLY RECOMMENDED*****

Over the past two decades, and especially since the new cellar became operational in 2016, the evolution at Château Gloria has been remarkable, precision viticulture, refined élevage, and a clear vision for quality. Yet despite this upward trajectory, pricing remains refreshingly accessible.

2025 Gloria's bouquet brings together spice, fruit, and minerality—elements it conveys from the very first aromas. Inviting notes of blackberries and blackcurrants are complemented by hints of mint and black pepper. Creamy on the palate, the wine displays a linear and generous character. It is carried by well-integrated tannins that provide both power and serenity, while acidity subtly underpins the structure. A sapid and harmonious wine that can be enjoyed young, yet also possesses a divine aging potential. Alleluia !"

"One of the great historic estates of Saint-Julien, Château Gruaud Larose has remained in the hands of four families since 1725. CHATEAU LAGRANGE 3eme Grand Cru Classe, Saint-Julien 2025 Wooden Case x 6 Bottles -

£235.00

PRE-RELEASE

"Château Lagrange, a revitalised 3ème Cru Classé of Saint-Julien, exemplifies modern Bordeaux excellence. Once a sleeping giant, this estate underwent transformative investment under Suntory ownership since 1983, now boasting a very advanced cuivers with 56 vats.

The Grand Vin delivers a classic Saint-Julien profile, structured, precise, and built to age, with deep cassis, black fruit, and mineral complexity from its gravel-rich terroir. High Cabernet Sauvignon proportions (77%) lend power and longevity. In contrast, Les Fiefs de Lagrange, its second wine since 1985, offers immediate appeal. It's juicy, fruit-forward, and round, with ripe currants, tobacco, and spice from younger vines. While Lagrange demands patience (15-20+ years), Fiefs provides accessible luxury. The same meticulous selection and balance, but ready within 5-10 years. Both showcase the estate's commitment to elegance, balance, and Saint-Julien's signature harmony."

CHATEAU LEOVILLE POYFERRE 2eme Grand Cru Classe, Saint-Julien 2025 Wooden Case x 6

£385.00

Bottles - PRE-RELEASE

"Château Léoville Poyferré traces its origins back to 1740 with Alexandre de Gasq, considered the first great architect of the Léoville vineyard. The estate adopted its current name in 1840 following the marriage of Jeanne de Las Cases to Baron Jean-Marie de Poyferré.

Acquired by the Cuvelier family in 1920, the château entered a new era in 1979 when Didier Cuvelier took over the estate. Guided by Émile Peynaud and later Michel Rolland, the property modernised its vineyard practices and winemaking facilities while expanding to its current 80 hectares. Since 2018, Sara Lecompte Cuvelier has continued this pursuit of excellence.

The distinctive Poyferré style comes from 57 individual plots, nestled between Château Léoville Barton to the south, Château Léoville Las Cases to the west, Château Talbot to the east and Château Pichon Baron to the north. Each vinified separately to express its unique character.

Despite very low yields of 20.3 hl/ha, the 2025 vintage delivers remarkable depth and precision, with delicate notes of violet and camphor framed by powerful yet refined tannins destined for long ageing. A sensational tasting experience for all lovers of the Poyferré style."

The name "Beaucaillou" (beautiful stones) comes from its unique terroir, covered with large, rounded pebbles deposited by the Garonne River. It is characterized by a layer of Günzian gravel (6 to 8 meters thick), resting on a clay-limestone subsoil. These well-draining, warm soils promote optimal grape ripening, giving the wines elegance, refined structure, and great complexity.

Le Petit Ducru has a soft, round mouthfeel, with a smooth and homogeneous texture.

LES FIEFS DE LAGRANGE 2nd wine of Ch. Lagrange, Saint-Julien 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£130.00

"Château Lagrange, a revitalised 3ème Cru Classé of Saint-Julien, exemplifies modern Bordeaux excellence. Once a sleeping giant, this estate underwent transformative investment under Suntory ownership since 1983, now boasting a very advanced cuviers with 56 vats.

Les Fiefs de Lagrange, its second wine since 1985, offers immediate appeal. It's juicy, fruit-forward, and round, with ripe currants, tobacco, and spice from younger vines. While Lagrange demands patience (15-20+ years), Fiefs provides accessible luxury. The same meticulous selection and balance, but ready within 5-10 years. Both showcase the estate's commitment to elegance, balance, and Saint-Julien's signature harmony."

CHATEAU MONTLANDRIE Castillon Côtes-de-Bordeaux 2025 Wooden Case* x 3 Magnums (dv) - PRE-RELEASE

The various estates of the Durantou family possess something truly magical. Today, Noémie and Constance Durantou follow in their father's footsteps, continuing his remarkable legacy with quiet determination, sensitivity and grace.

For many, Denis Durantou was something of a legend, one of the most gifted winemakers Bordeaux has known. His wines stood apart, much like the man himself, combining brilliance with rare humility and refinement. Noémie Durantou has inherited her father's instinctive talent, while broadening her own vision through her studies in oenology and her deep personal understanding of terroir.

Art has always been intimately woven into the family's way of life. With a mother devoted to painting, and a shared passion for dance and music, Constance and Noémie move through their estates - and the discreet world of collectors - with a natural elegance that feels entirely their own.

Beyond their estates in Pomerol, the family owns several remarkable estates across the Right Bank, including Château Les Cruzelles, La Chenade, Château Montlandrie and Saintayme. Each expressing the family's meticulous pursuit of purity, balance and sense of place."

* CHATEAU L'EVANGILE Pomerol 2025 Wooden Case x 3 Bottles - PRE-RELEASE

£345.00

"Few estates on the Right Bank combine sensuality and precision quite like Château L'Évangile 2025, an estate ***** HIGHLY RECOMMENDED ***** heart. Nestled between Pétrus and Cheval Blanc, the property has quietly established itself as one of Pomerol's most compelling and consistent performers, crafting wines of extraordinary depth and refinement.

In 2025, L'Évangile has produced a wine of striking harmony and effortless seduction. The bouquet is intensely expressive, layered with black cherry, plum, dark chocolate, and delicate exotic spice. On the palate, the wine is velvety and expansive, yet lifted by an energy and freshness that give remarkable definition to the fruit.

This is a profoundly elegant and complete expression of Pomerol – unfortunately at the toll of an extremely limited volume."

CHATEAU CLINET Pomerol 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£335.00

"Clinet 2025: A seasoned marathon runner with supple ankles.

*** HIGHLY RECOMMENDED ***

Since 1999, Château Clinet has been a family estate, and since 2004, Ronan Laborde, alongside his wife Monique, has been at its helm. A passionate marathon runner, he embarked on a long-distance race from the very beginning, aiming to achieve optimal maturity and consistently high quality with each vintage. The investments have been substantial (in both vineyards and cellars), and inspired by his youthful spirit, he has given Clinet a contemporary image and remarkable global reach.

The bouquet of Clinet 2025 reveals roasted notes, complemented by smoky nuances, which, upon aeration, give way to aromas of ripe black berries and gentle spices. The velvety attack leads into a broad and lively palate, where power and austerity must find harmony. What might not seem obvious at first is seamlessly integrated into this wine, which stands out for its density and generosity. Built for the long haul, the supple tannins lend it an elegant profile, a warm and welcoming invitation, much like Ronan and Monique themselves."

"A single plot on the upper terrace of Pomerol, composed of Günzian gravel resting upon blue and green clays" - Location of the vineyard is the heart of Gazin one of the appellation's most complete terroirs. Neighboring estates such as Château Pétrus and Château L'Évangile underline the exceptional pedigree of this sector of the plateau, where Merlot achieves both generosity and remarkable precision. Supported by Cabernet Sauvignon and Cabernet Franc, the wines combine velvety texture and dark-fruited depth with freshness and structural clarity, allowing them to age gracefully.

Château Gazin has remained faithful to a classical interpretation of the appellation, in which elegance, nuance, and terroir expression remain firmly at the heart of the estate's identity. Since 1918, the property has remained in the hands of the Bailliencourt family, whose discreet and patient stewardship has ensured a rare continuity of vision across generations." - Juliane Rentzsch, DIVA Bordeaux

* CHATEAU FIGEAC 1er Grand Cru Classe A, Saint-Emilion 2025 Wooden Case x 3* Bottles - PRE-RELEASE

£420.00

"The story of Château Figeac is written in stone. Its origins trace back to the 2nd century, when the Roman Figeacus family first established themselves on this remarkable site, making it one of the oldest known estates in Bordeaux. Since 1892, the Manoncourt family has been the custodian of that legacy, now carried forward by Frédéric Faye and his team.

Figeac's strength lies in its singular terroir: a complex mosaic of gravel and clay, including the famed Graves de l'Enfer, where gravel deposits reach depths of seven metres. It is a landscape that consistently delivers wines of crystalline purity and precision. Vinified in stainless steel vats, each parcel is allowed to express its character with remarkable clarity.

Figeac 2025 is a compelling reflection of this approach. Clear, precise and beautifully integrated, it combines freshness with quiet intensity. There is no excess here, only balance, purity and the sense of a wine built for the long term."

AROMES DE PAVIE 2nd wine of Ch. Pavie, Saint-Emilion 2025 Wooden Case x 6 Bottles - PRE-RELEASE

"Each year, I take great pleasure in running the Fête les Vins KM in Saint-Émilion, a splendid trail race winding its way through the vineyards and past some of the appellation's most illustrious Châteaux. And each year, my legs are reminded of the passage by Château Pavie and its legendary hillside, surely one of the steepest vineyard slopes in Bordeaux. In the space of only a few strides, the elevation rises from 20 to 85 metres above sea level.

It is a striking illustration of just how singular the Côte Pavie truly is: an exceptional terroir capable of producing wines of great depth, power and longevity.

Arômes de Pavie offers a charming and accessible expression of the vintage, with a supple palate carried by refined bitters on the finish.

CHATEAU ANGELUS 1er Grand Cru Classe A, Saint-Emilion 2025 Wooden Case x 3* Bottles - PRE-RELEASE

£690.00

"Château Angélu owes its remarkable rise to the de Bouïard family, established in Saint-Émilion since the late 18th century. The estate truly gained momentum under two decades of Hubert de Bouïard management, whose vision and relentless pursuit of excellence propelled Angélu to the very top tier of Bordeaux. Today, the eighth generation — Stéphanie de Bouïard-Rivoal — continues to shape the château with a refined and contemporary approach. The latest milestone has been the renovation of the estate's majestic chai, seamlessly combining cutting-edge technology with striking contemporary design.

Angélu draws its singular identity from a split of three distinctive terroirs: clay-limestone slopes, sandy-limestone parcels and clay-rich soils at the foot of the hillside.

Combined with an equal blend of Merlot and Cabernet Franc, these soils have delivered a striking expression in 2025. The wine reveals floral aromatics, vibrant freshness and beautifully polished tannins, balancing richness with remarkable precision and elegance.

A refined and deeply age-worthy Angélu."

CHATEAU BEAU-SEJOUR BECOT 1er Grand Cru Classe, Saint-Emilion 2025 Wooden Case x 6 **£320.00**
Bottles (dv)- PRE-RELEASE ***** HIGHLY RECOMMENDED *****

"Château Beau-Séjour Bécot continues to be one of the most compelling success stories in Saint-Émilion. Over the last decade, Juliette Bécot and Julien Barthe have reshaped the estate with a clear vision, investing heavily in both vineyard and cellar while remaining focused on expressing the character of their exceptional limestone terroir.

Since Thomas Duclot joined in 2017, the wines have gained even greater definition and elegance. The 2025 is a superb example. Drawn from a crop of just 32hl/ha, the wine benefited from an extended pre-fermentation maceration and lengthy time on skins, building impressive depth without sacrificing freshness or detail.

The aromatics are captivating from the outset, offering a complex mix of ripe berry fruit, floral nuances, fresh herbs and subtle spice. Beneath the fruit lies a strong chalky signature, reflecting the estate's privileged position on the Saint-Émilion plateau. On the palate, the wine is vibrant and finely etched, combining concentration with remarkable lift. Notes of red berries and darker fruits are carried by a vein of freshness that brings focus and energy throughout.

Seamless, precise and wonderfully expressive, the 2025 possesses the balance, purity and sense of place that have become hallmarks of Beau-Séjour Bécot. A wine of real pedigree and one of the stars of the vintage."

"Owned by Hong Kong entrepreneur Peter Kwok, the wines of Vignobles K continue their steady rise on Bordeaux's Right Bank under the direction of Jean-Christophe Meyrou, with the consultancy of the talented Thomas Duclos. In 2025, Tour Saint-Christophe and Bellefont Belcier fully illustrate the success of the vintage. Tour Saint-Christophe stands out for its fresh, fruit-driven bouquet with notes of blackcurrant, violet and cocoa. Driven by incisive acidity and powerful yet well-controlled tannins, it delivers a sapid, fleshy and highly persistent wine. Bellefont-Belcier, meanwhile, reveals remarkable complexity, combining black berries, iris, mint and chalky nuances. Its velvety texture and structured tannins build a wine that is both generous, harmonious and deeply expressive. A fine opportunity for lovers of Merlot-driven, fruit-forward wines."

CHATEAU CANON 1er Grand Cru Classe, Saint-Emilion 2025 Wooden Case x 3 Bottles - PRE-RELEASE

£275.00

***** HIGHLY RECOMMENDED *****

"Château Canon is a metronome.

Everything begins with a fundamentally unique terroir: the limestone plateau of Saint-Émilion. Then there is the vineyard itself, whose 22 hectares are planted entirely above the famous underground quarries beneath the medieval town. Beyond their unusual nature, these quarries play a crucial insulating role, acting as a thermal buffer that helps regulate the vines through the soil, both in summer and winter.

Since Nicolas Audebert's arrival in 2015, Canon has steadily refined its precision and elegance. Now part of Les Vignobles within Chanel's portfolio, the estate continues its remarkable consistency. The 2025 vintage exemplifies this philosophy: perfectly ripe fruit, full expression of terroir, and minimal intervention in the vineyard and cellar.

The vintage has all the hallmarks of greatness: vibrant and sensual, with an extraordinary aromatic spectrum of red fruits, floral notes and a hint of blood orange. It is at once lively, fresh and velvety, mineral and saline, with tannins that are present yet discreet, silky in texture and suggestive of outstanding ageing potential.

My second daughter was born in 2025, and Canon will definitely be among the wines I lay down in my cellar to accompany her education in the great wines of Bordeaux over the decades to come."

CHATEAU L'IF Saint-Emilion 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£465.00

"Something is clearly taking shape at L'If, and we should follow closely.

Until the 1930s, these vineyards formed part of Troplong Mondot before being acquired by the Thienpont family in 2010. Jacques Thienpont has finalized the restructuration and a beautiful cellar reflecting his style "noblesse in simplicity". With Diana Berrouet and Cyrille Thienpont, two winemakers bring soul and precision into the vineyard and cellar.

Now the estate covers 7 ha on the Saint-Émilion plateau and are surrounded by parcels of Château Troplong Mondot, with an additional hectare at Puyblanquet of Cabernet Franc on pure limestone soils. Following several encouraging critics, the 2025 vintage is being discussed as the most accomplished ever produced at L'If, 75% Merlot and 25% Cabernet Franc. Alexandre Ma finds nice words: "To me, L'IF 2025 feels like a dancer in crystal shoes, spinning and leaping on a summer terrace, moving with an effortless sense of freedom."

"In a vintage that rewarded patience and precision, Château La Gaffelière produced a cracker of a wine in 2025.

This is Saint-Émilion seen through a cooler, more classical lens. Cabernet Franc brings fragrance and tension to a beautifully judged core of black cherry, crushed violet, graphite and limestone freshness. The wine feels remarkably composed from the outset, layered and persistent, yet never weighty. What impresses most is the estate's growing confidence in refinement over richness. Rather than pursuing scale, La Gaffelière leans into purity, precision and texture, resulting in a wine that feels both timeless and thoroughly modern.

These are elegant, intelligently crafted wines that capture the estate's modern identity with real conviction."

CHATEAU LAROQUE Grand Cru Classe, Saint-Emilion 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£144.00

***** HIGHLY RECOMMENDED *****

"Perched on its limestone plateau, Château Laroque, the largest estate in Saint-Émilion stands as a testament to a rich history dating back to the 16th century. Spanning 61 hectares, the Beaumartin family relies on the expertise of David Suire, who for over twenty years has worked alongside Premier and Grand Crus of the Right Bank and is a recognized specialist of these limestone terroirs.

In one continuous block, the vineyard, with vines averaging around 50 years of age, stretches across plateau, woodland, and south-facing slopes. A careful parcel selection highlights a distinctly "Saint-Émilion" terroir signature, expressed through a chalky texture, dense palate, and vibrant fruit.

In 2025, a swift 9-day harvest (31 hl/ha) produced a wine of remarkable balance, driven by already alive fruit. A true benchmark for the appellation." - Adrien Granel, DIVA Bordeaux

Another great success and value pick for Laroque. Really aromatically complex. Ripe and pristine black bramble berries on the nose, perfumed and nicely fragrant. Lovely aromatic purity. Smooth and so silky, smooth, svelte as Laroque does so well. Mouthwatering with bright acidity but so juicy – strawberry and cherry with a hint of cranberry and soft accents of dried herbs liquorice and wet stones. Grippy but so charming even at this point. Tension with freshness, perfectly polished and friendly. A yield of 31hl/ha with varying yields depending on the terroir from 25-45hl/ha. 3.40pH.

Drinking window: 2031 - 2055

The 2025 Laroque was picked between 10 and 19 September at 31 hl/ha and matured in 50% new oak. It has a sublime bouquet with pure black cherry and raspberry scents, crushed flowers and light iodine scents. Wonderful delineation. The palate is medium-bodied with silky tannins, a silver bead of acidity, bright and lively with an elegant and persistent finish. One of the best Laroques so far—the limestone soil really comes through and lends this Saint-Émilion another dimension.

THE WINE ADVOCATE (91-93) points

Reviewed by: Yohan Castaing

Notes of dark berries, cassis, spices and licorice, mingled with delicately oaky nuances, preface the 2025 Laroque. Medium- to full-bodied, layered and concentrated, it's built around a rich core of fruit that is framed by youthful, structured tannins and concludes with a taut, saline finish. While the bouquet shows a darker register, the palate remains fresh, lending the wine an elegant austerity that should integrate further with élevage.

Château Laroque in Saint-Émilion occupies a prime position on the limestone plateau, long underexploited but now gaining clarity under David Suire. Organically farmed vineyards, disciplined canopy work and controlled yields set the tone. Extraction remains gentle, with élevage in mixed barrels. The wines deliver chalky tension and restrained fruit. The 2023 follows this line, combining clay-derived structure with limestone freshness shaped by favorable growing conditions.

CHATEAU PAVIE 1er Grand Cru Classe A Saint-Emilion 2025 Wooden Case* x 3 Bottles - PRE-RELEASE

£555.00

"Each year, I take great pleasure in running the Fête les Vins KM in Saint-Émilion, a splendid trail race winding its way through the vineyards and past some of the appellation's most illustrious Châteaux. And each year, my legs are reminded of the passage by Château Pavie and its legendary hillside, surely one of the steepest vineyard slopes in Bordeaux. In the space of only a few strides, the elevation rises from 20 to 85 metres above sea level.

It is a striking illustration of just how singular the Côte Pavie truly is: an exceptional terroir capable of producing wines of great depth, power and longevity.

2025 is a particularly poignant vintage at Château Pavie, sadly marked by the passing of Gérard Perse, the emblematic figure behind the estate's remarkable renaissance and its rise to Premier Grand Cru Classé A status. In the vineyard, the Cabernet Francs are especially impressive, accounting for 60% of the final blend. They bring precision, structure and noble ripeness, whilst preserving admirable freshness and a beautifully velvety texture on the palate.

CHATEAU PAVIE MACQUIN 1er Grand Cru Classe, Saint-Emilion 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£300.00

"Beautifully situated atop the plateau facing Ausone, Pavie Macquin embodies a style defined by quiet confidence, precision, and devotion to limestone. The estate was shaped by Albert Macquin, a visionary agronomist who helped save the vineyards of Bordeaux after the phylloxera crisis by pioneering grafting techniques in the late nineteenth century.

In 2025, Pavie Macquin drew strength from its exceptional clay-limestone soils to preserve freshness, balance, and remarkable precision. The wine reveals layers of dark fruit, floral nuance, and mineral tension. Under Nicolas Thienpont's thoughtful direction, traditional winemaking continues to refine the estate's identity, notably by partial whole-bunch fermentation and twenty months of ageing without racking during the first year. The result is a Saint-Émilion of energy, elegance, and profound finesse."

CHATEAU QUINTUS Grand Cru Classe, Pauillac 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£432.00

"Formerly known as Tertre Daugay, Château Quintus has undergone a profound transformation since its acquisition by Domaine Clarence Dillon in 2011. The successive integration of L'Arrosée and later selected parcels from Grand-Pontet has gradually expanded the estate's footprint on the right bank while enhancing the diversity of its terroirs. The vineyard now covers around 45 hectares in a single block overlooking the Dordogne river, predominantly planted on clay-limestone soils.

Work in both the vineyard and the cellar is carried out with great precision: rigorous soil and canopy management, parcel-by-parcel harvesting, meticulous grape sorting, and vinification favoring gentle extraction in order to preserve balance and purity of fruit.

A blend dominated by merlot and complemented by cabernet franc, Quintus 2025 reveals a broad and particularly attractive profile, marked by notes of black cherry, cassis, violet and a more classical graphite nuance. The palate shows supple, polished tannins, a generous texture without excessive weight, and a long finish with hints of dark chocolate. A Saint-Émilion that is both serious in its structure and already highly seductive in its expression."

Tour Saint-Christophe stands out for its fresh, fruit-driven bouquet with notes of blackcurrant, violet and cocoa. Driven by incisive acidity and powerful yet well-controlled tannins, it delivers a sapid, fleshy and highly persistent wine. Bellefont-Belcier, meanwhile, reveals remarkable complexity, combining black berries, iris, mint and chalky nuances. CHATEAU TROPLONG MONDOT 1er Grand Cru Classe, Saint-Emilion 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£530.00

"Troplong Mondot has a habit of standing apart, and in 2025 its unique terroir has once again proved decisive. The deep clay layer that caps the limestone plateau, a rare feature at nearly 100 metres of elevation in Saint-Émilion, provided a crucial advantage in a vintage shaped by warm, dry conditions. A naturally cooler, later-ripening site has emerged with remarkable confidence.

That much was already apparent when tasting the cellar samples shortly after harvest with Ferréol and Thomas. The purity of the fruit and the balance of the vintage were evident from the outset. Careful cold macerations, gentle pump-overs and fruit harvested at optimal maturity have resulted in a beautifully judged 2025. The wine is vibrant and expressive, combining ripe fruit with freshness, elegance and precision.

Some are already calling it one of the wines of the vintage; others, one of the finest Troplong Mondots in recent memory. Either way, something special has emerged from winemaker Rémy Monribot's cellar this year. Chapeau to the team."

CHATEAU TROTTEVIEILLE 1er Grand Cru Classe, Saint-Emilion 2025 Wooden Case x 6 Bottles - £320.00
PRE-RELEASE *** HIGHLY RECOMMENDED ***

"A Saint-Émilion classic, shaped by limestone and time. Château TrotteVieille, under the care of the Castéja family since 1950, draws its identity from a distinctive terroir, facing Troplong Mondot and rooted in just 30 cm of topsoil over the famed limestone plateau. Here, some of the oldest plantings in the appellation, Cabernet Franc vines reaching up to 140 years of age, pre-dating phylloxera, continue to define the estate's singular character.

The 2025 captures the essence of this place. The wine is both deep and velvety, with layers of black fruit. There is richness here, but also restraint, a balance that speaks directly to the strength of the terroir.

It is in vintages like this that TrotteVieille reminds us of its pedigree. A wine built to age, and definitely one to watch."

CLOS FOURTET 1er Grand Cru Classe, Saint-Emilion 2025 Wooden Case x 6 Bottles - £420.00
PRE-RELEASE

"Clos Fourtet perfectly illustrates the historic connection between Saint-Émilion, its monastic heritage, and the culture of fine wines. With its vineyard enclosed by ancient stone walls, its château facing the Église Collégiale, and its limestone subsoil formed from the very same calcareous plateau as the cité itself, there is little doubt that Clos Fourtet is one of the great standard-bearers of Right Bank Grands Vins.

Since taking over the estate in 2001, the Cuvelier family has restored Clos Fourtet to its former prestige through meticulous work in both vineyard and cellar. Biodynamic farming and increasingly precise parcel vinifications have refined the estate's distinctive identity and elevated the quality to new heights.

The family has also strengthened its presence in Saint-Émilion with the acquisition of neighbouring Les Grandes Murailles and Côte de Baleau.

Clos Fourtet 2025 delivers a chalky and creamy signature, highlighted by delicate floral aromas and hints of white pepper. The tannins are beautifully polished, while the finish reveals notes of graphite alongside precise and enticing fruit.

CHATEAU HAUT-BRION ROUGE 1er Grand Cru Classe, Pessac-Leognan 2025 Wooden Case x 3 Bottles (dv)-PRE-RELEASE

£970.00

"Château Haut-Brion 2025 is a wine shaped by precision, restraint, and meticulous vineyard management in a vintage defined by challenge rather than abundance. Low yields of just 29 hl/ha and a growing season marked by poor fruit set, summer drought, and uneven rainfall produced berries of remarkable concentration and exceptional phenolic maturity.

Harvested between September 1 and 18, the 2025 reveals a beautifully pure and refined aromatic profile. Ebullient brambly red fruits mingle with crushed stone, potpourri, and subtle Earl Grey nuances, all framed by Haut-Brion's unmistakable smoky, gravelly signature. The bouquet is remarkably delineated, displaying a finesse that recalls the estate's most elegant vintages.

On the palate, the wine combines depth with effortless balance. Fine-grained tannins support layers of mineral-inflected fruit, while gentle extraction and shorter macerations have preserved freshness and precision. There is notable complexity and authority, yet the wine never feels heavy. Instead, a vibrant, marine-tinged finish brings energy and persistence, inviting another sip.

Aged in 59% new oak, Château Haut-Brion 2025 stands apart through its clarity, poise, and understated power. More refined than recent warm vintages, it captures the brightness and fruit definition of the year while delivering the profound depth and longevity expected from this legendary First Growth."

CHATEAU LES CARMES HAUT-BRION Rouge, Pessac-Leognan 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£545.00

"Few estates in Bordeaux have forged such a distinctive path as Château Les Carmes Haut-Brion. Situated within the city itself, the property continues to stand apart through Guillaume Pouthier's innovative approach, combining whole-bunch fermentation with a measured, thoughtful interpretation of each vintage.

The growing season was characterised by early development, abundant sunshine and high UV levels, yielding fruit with notable concentration and tannic depth. Yet rather than producing a wine of sheer scale, the naturally lower alcohol levels have brought greater precision and definition, allowing the vineyard's character to emerge with remarkable clarity.

Careful adaptation in the cellar was essential. Longer macerations helped build structure while preserving freshness, resulting in a wine that balances density with finesse. The tannins are abundant but refined, supporting a palate that is energetic, layered and focused.

The 2025 captures everything that makes Les Carmes Haut-Brion so compelling today: originality, precision and a clear expression of place, delivered through a wine of striking complexity and poise."

Drinking Window: 2029 - 2035

Raspberry and cool blue fruit presage a mini version of the Grand Vin, so more of those powerful tannins with some high-toned redberry fruit, and pleasing mid palate juiciness. The wine has a savoury aspect with notes of damp soil after rainfall. Medium finish.

Drinking window: 2029 - 2042

The 2025 L'Esprit de Chevalier is cohesive and well defined on the nose, very focused, with slightly earthy red fruit that gains brightness with aeration. The palate is medium-bodied with grainy tannins, well balanced, quite sapid in style, with a tang of black olive engaging on the finish. This is a fine Deuxième Vin that should represent great value.

THE WINE ADVOCATE (90-92)

Reviewed by: Yohan Castaing

The 2025 L'Esprit de Chevalier, a blend of 65% Cabernet Sauvignon, 30% Merlot and 5% Petit Verdot, reveals a notably expressive bouquet for the estate, with aromas of cassis, raspberry, spice and flowers. Medium- to full-bodied, juicy and round, it shows a touch of firmness, with extraction that is somewhat marked at this stage. The finish is structured but not drying, preserving balance.

Located in the gravel, sandy soils of Pessac-Léognan, Domaine de Chevalier today spans 67 hectares and operates with a quiet sense of control. When the Bernard family took over in 1983, the vineyard counted only 20 hectares; expansion followed into the surrounding woodland, much of which still frames the estate, planted on the same Günzian gravel and black sands over iron-rich clay.

LE CLARENCE DE HAUT-BRION Pessac-Leognan 2025 Wooden Case x 3 Bottles (dv) - PRE-RELEASE

£299.00

"Château Haut-Brion 2025 is a wine shaped by precision, restraint, and meticulous vineyard management in a vintage defined by challenge rather than abundance. Low yields of just 29 hl/ha and a growing season marked by poor fruit set, summer drought, and uneven rainfall produced berries of remarkable concentration and exceptional phenolic maturity.

LE PETIT SMITH HAUT LAFITTE ROUGE Pessac-Leognan 2025 Wooden Case* x 6 Bottles - RE-RELEASE

£160.00

"2025 represents the final vintage crafted under the guidance of Daniel and Florence Cathiard. Together, the couple achieved something truly exceptional and visionary in Bordeaux.

Today, Château Smith Haut Lafitte stands not only as a benchmark estate of Pessac-Léognan, but also as a complete universe of culture, hospitality, and innovation. The Cathiards' ambition was to create a fully circular ecosystem within the estate: producing its own solar energy, recovering rainwater, and even capturing the CO2 generated during fermentation. Seven grape varieties are cultivated on the estate's renowned Günz gravel soils, and the vineyard is now fully organically certified.

More than simply a remarkable vintage, 2025 will remain a tribute to the extraordinary lifetime achievement of Daniel Cathiard and the enduring legacy he and Florence have built at Château Smith Haut Lafitte."

DECANTER 94 points

Tasted by: Panos Kakaviatos (at Doisy Daene, 24 Apr 2026)

Tasted at the estate on another occasion and both times this wine proved deliciously opulent with plenty of acidity for balance: Let's say peachy and green apple freshness. The palate has citrus charm sans any flat aspects one might expect from the hot and dry summer weather, reflecting the common refrain that the small grapes concentrated acidity - with a low pH of 3.22 - just as they did ripeness. For me, the wine quality punches way above the cost.

JAMES SUCKLING 92-94 points

Lovely salty character with crunch and freshness. Agile and vivid. Medium-bodied with bright acidity and a succulent finish.

Reviewed by: Yohan Castaing

The 2025 Lune d'Argent, a blend of 70% Sémillon and 30% Sauvignon Blanc that was harvested between August 21 and September 19, reveals aromas of pear, white peach, anise and spring flowers. Medium-bodied, juicy and round, it's elegant and well balanced, offering a supple, approachable profile. It's a great value.

*** PAVILLON BLANC DE CHATEAU MARGAUX, Bordeaux Blanc 2025 Wooden Case x 3 Bottles - PRE-RELEASE**

£840.00

"The 2025 vintage at Château Margaux is defined by precision, patience and exceptionally low yields. Cropped at just 22 hl/ha, one of the smallest harvests in recent history, the estate navigated a challenging growing season with remarkable success.

Pavillon Blanc 2025 stands out as one of the white wine successes of the year. Produced exclusively from Sauvignon Blanc and harvested between 18 -22 August at a tiny yield of 16 hl/ha, it offers an expressive bouquet of confit citrus, white peach, orchard fruits and delicate herbs. Rich yet vibrant, the palate combines remarkable density with crystalline acidity, leading to a long, perfumed finish. A beautifully balanced and captivating Pavillon Blanc."

AILE D'ARGENT de Mouton Rothschild Bordeaux Blanc 2025 Wooden Case* x 3 Bottles - PRE-RELEASE

£395.00

"« Mouton ne change »

The château's famous motto once again rings true with the unveiling of the 2025 vintage of Château Mouton Rothschild, Petit Mouton and Aile d'Argent.

A record-breaking year also for Aile d'Argent 2025. Here, the record lies in the extraordinary earliness of the harvest, which took place from August 19th to 28th, 13 days ahead of the average of the past ten vintages. Yet ripeness was absolutely optimal, proving that the decision to begin picking so early in August was the right one. The 2025 vintage is both ample and generous, offering notes of white fruits and ripe citrus. The finish is crisp and savoury, the signature of the Sauvignon Blanc that dominates the blend. The only downside: fewer than 10,000 bottles were produced for the 2025 vintage.."

CHATEAU LA MISSION HAUT-BRION Blanc, Pessac-Leognan 2025 Wooden Case x 3 Bottles - PRE-RELEASE

£1,595.00

"The Avenue Jean Jaurès, linking Bordeaux to Pessac, offers a unique panorama for wine enthusiasts, connecting two of the greatest estates of Pessac-Léognan: Château Haut-Brion and Château La Mission Haut-Brion, both owned by Domaine Clarence Dillon.

Steeped in history, La Mission Haut-Brion combines remarkable architectural heritage with a singular identity. Its gravelly terroir, resting on clay, sand, limestone and faluns, produces wines crafted with exceptional precision.

With the vineyard lying on the outskirts of both Bordeaux and Pessac, harvests here are often earlier than elsewhere in the region. This year, picking began on 14 August for the whites and 27 August for the reds.

La Mission Haut-Brion Blanc shows great roundness, richness and refined bitters, while the Rouge charms with its elegance, powdery tannins and perfect balance between density and freshness.

La Chapelle de La Mission Haut-Brion completes the range with floral aromatics, juicy fruit and a refined finish. 2025 is unquestionably a superb vintage for the estate.

There is little doubt that 2025 stands as the stylistic signature of a truly great vintage at La Mission Haut-Brion."

"Neighbouring Château Haut-Bailly, Château Larrivet Haut-Brion spans 72.5 hectares (61 hectares under red vines and 11.5 under white), and has been owned by the Gervoson family since 1987. Significant investment in both vineyard and cellar has driven a marked rise in quality in recent vintages.

2025 white delivers a vibrant lively freshness and a smooth palate according to Decanter critic P. Kakaviatos, while G. Hindle from Decanter defines the red as "juicy and alive with [...] a really lovely energy".

Both wines offer strong value, clearly reflecting the character and finesse of the Pessac-Léognan appellation." - Pierre Giudici, DIVA Bordeaux

CHATEAU MALARTIC-LAGRAVIERE Blanc Grand Cru Classe, Pessac-Leognan 2025 Wooden Case x 6 Bottles - PRE-RELEASE

£265.00

"Among the great names of Pessac-Léognan, Château Malartic-Lagravière continues its upward trajectory and delivers in 2025 a highly successful performance in both red and white. Owned by the Bonnie family, the estate stands out through several key distinctive features: its rare classification for both red and white wines, a terroir of deep, perfectly draining gravel soils producing precise and focused wines, a highly detailed and technical parcel-by-parcel approach aimed at purity, and wines that are approachable in their youth while retaining strong ageing potential.

The 2025 white impresses with its aromatic brightness and precision, combining notes of orange peel, with hints of mango and Clementine. The palate is immediately marked by a saline backbone, then gains breadth and texture while maintaining energy, tension and excellent persistence.
