*Wine Advocate #192 (Dec 2010) Lisa Perrotti-Brown - 91 points - "A blend of Grenache and Shiraz, the NV The Nostalgia Port gives a pale amber color and nose of spice cake, dates, preserved raisins and fig paste. Concentrated, viscous, sweet and rich, it has plenty of crisp acid lingering into the long nutty finish. Drink it now."*

### Australia - Victoria

**CAMPBELLS Muscadelle 'Isabella Rare Topaque' N.V. HALF (los)**

2 ~~£54.95~~ **£15.00** 27 %  
**£39.95** FURTHER Reduced to Clear ONLY

*THE WINE ADVOCATE Robert Parker #189 (Jun 2010) Lisa Perrotti-Brown - 97 points "The NV 'Isabella' Rare Tokay offers a deep brown colour with the slightest edge of green. The nose is complex with earthy loam and girrole aromas giving way to treacle, toasted hazelnuts and toffee. The palate is unbelievably sweet and viscous but there is also jaw-clenching acidity that perfectly balances that extreme unctuousness. Very long in the finish with layers of nut and spices really developing for those that can actually wait before taking another sip of this gorgeous nectar. These fortified wines are all bottled to drink now. The extended solera aging process has rendered them relatively stable to changes and they can be stored for a good number of years."*

Very, very sweet, full and unctuous in the mouth, it has crisp balancing acid and a very long treacle and nut finish. Drink it now. The Rutherglen fortified wines are stored in seasoned 450 litre oak casks and a solera system is used to mature the wines. The age of the wines varies from 5-25 years on average."*

*The perfect compliment to ripe washed rind and blue vein cheeses, nuts, dried fruits, rich desserts and chocolates.*

*THE WINE ADVOCATE Robert Parker #195 (May 2011) Lisa Perrotti-Brown - 94 points "The NV Grand Rutherglen Muscat gives a medium-deep brown colour and profound scents of dried figs, raisin cake, burnt sugar, licorice, preserved walnuts and black pepper with just a whiff of menthol. Incredibly full, densely packed and sweet in the mouth, it has crisp, balancing acidity and a very long spicy finish. Drink it now. The Rutherglen fortified wines are stored in seasoned 450 litre oak casks and a solera system is used to mature the wines. The age of the wines varies from 5-25 years on average."*

*THE WINE ADVOCATE Robert Parker #189 (Jun 2010) Lisa Perrotti-Brown - 95 points "With a deep brown colour giving a distinctly green hue to the rim, the NV 'Merchant Prince' Muscat has a profoundly intense scent of plum pudding, raisin cake and stewed figs plus a hint of roasted coffee beans and preserved walnuts. The palate is tooth achingly sweet but like the 'Isabella' has the acidity to carry it off. Very thick and rich with an epic, long, gooey raisin finish – this is one for the super-tasters! These fortified wines are all bottled to drink now. The extended solera aging process has rendered them relatively stable to changes and they can be stored for a good number of years."*

### France - Bordeaux

**CHATEAU D'ARCHE Sauternes 2010 Half (los)**

1 ~~£19.95~~ **£5.00** 25 %

*Overlooking the village of Sauternes and offering a magnificent panorama, Chateau d'Arche is built on the summit of hills that overlook its prestigious neighbours, notably Yquem and Guiraud. The nose shows floral and white fruit flavours of pear and apple. When swirled, notes of candied orange, apricot jam and a subtle smokiness appear. On the palate, the wine is fresh, soft and mineral. This minerality brings tension and finesse, embellished by pure candied notes. It has a long finish.*

### Port

**NIEPOORT Late-Bottled-Vintage (LBV) 2012 HALF (los)**

3 ~~£9.95~~ **£3.00** 30 %  
**£6.95** Reduced to Clear ONLY

*This is perhaps the most significant Premium Port of our range. Winemaker Dirk van der Niepoort calls this the "Little Brother" of our Vintage Port, as the origins of the grapes and vinification methods are identical. Taken from Ports made in the 2005 harvest, this Late Bottled Vintage however has extended cask maturation making it drinkable at a younger age, yet retaining the essence of its superior "sibling". Brilliant red colour with a wonderful aroma of dark fruits and a classy touch of chocolate. On the palate sweet grainy seductive tannins give the wine a superb elegance and interact well with the fruit and fine spicity finish. The wine can be enjoyed now, and will become more complex with further cellaring for a couple of*

*decades. To fully benefit from its qualities we recommend it be decanted before serving. Serve with soft cheeses, mild blue cheese, dark chocolate desserts or a pepper steak!*

### Port

**NIEPOORT White 'Rabbit' Port N.V. Dry Bottle (los)**

28 ~~£12.95~~ **£3.00** 23 %  
**£9.95** Reduced to Clear ONLY

*A classic style of White Port, with oxidative handling and good extract from prolonged skin maceration. Serve chilled as an aperitif but it also goes down a treat as a dessert wine or simply on its own at the end of a meal. Brilliant golden / brown colour with a fresh nutty aroma and delicate subdued fruit. Medium sweet on the palate, interacting perfectly with the spirit which in turn gives a superb structure to the wine.*

### Portugal

**MADEIRA BARBEITO Ribeira Real Boal 20 Year Old Bottle (los)**

3 ~~£119.95~~ **£20.00** 17 %  
**£99.95** Reduced to Clear ONLY

*The Boal incorporates Tinta Negra from 1952, 1953 and 1954. Winemaker Ricardo Freitas explains there was no way he could have blended the '52 in the 20 Year Old Verdelho. It was simply too concentrated and would have made it impossible for him to maintain the Verdelho's youth – that tangy chutneyed fruit. The '52 adds terrific woody resonance to this Boal – echoes of history which tickle the back palate most deliciously for an exceedingly long time. True to his word, Freitas has maintained Boal's varietal character. It has a great concentration of singed, caramelised apple tatin fruit. With marvellous integration of flavours and consummate balance, this is an outstanding, truly exciting Madeira.*

**MADEIRA BARBEITO** Verdelho 'Old Reserve' 10 Years Old Bottle (los)

9 ~~£33.95~~ **£9.00** **27 %** **£24.95**  
Reduced to Clear ONLY

*This is authentic Madeira. Overall Fortified Wine Trophy at the International Wine Challenge 2009. Tasting: Tom Cannavan "Rich burnished gold. A little rotted orange note of oxidation of this ripe fruit, with a hint of barley sugar and little floral and exotic fruit notes, as well as a delicate spiciness. On the palate the immediate impression is dry, with a lushness to the texture and a building sweetness through the mid-palate. There is a welterweight of acidity here again, but the creamy, toffee character balances, and this stays quite rich but very well defined through its acid structure into a long, tangy finish that leaves a real impression in the mouth."*

3 ~~£11.95~~ **£3.00** **25 %** **£8.95**  
Reduced to Clear ONLY

*Amalaya translates to 'hope for a miracle' in the indigenous language of the now extinct tribe, the Calchaqui. The winery is situated in Cafayate, Calchaqui Valley in Salta in the far north of Argentina at nearly 1,828 metres above sea level. It is a part of the Hess Family Estates and is run with the same dedication to quality, sustainability and social responsibility as the other Hess Estates. All of the Amalaya wines are fruit driven in style, with a finesse that unites them. These wines offer incredible value for their quality and truly reflect their 'sense of place'. Tasting Notes: Deep ruby red colour with purple edges, this wine displays intense fruity aromas of red berries, raspberries and floral notes with a touch of spice and chocolate. It is well structured, fresh and fruity in the mouth with soft and rounded tannins. This wine is velvety with a long finish.*

### Argentina

**ANGULO INNOCENTI** Cabernet Sauvignon - La Consulta 2014 Bottle/nc (los)

1 ~~£14.95~~ **£5.00** **33 %** **£9.95**  
Reduced to Clear ONLY

*Deep, inky-ruby colour with lovely lifted notes of fresh mint, sweet spice and blackcurrant jam on the nose. This is a seamlessly integrated, full-bodied wine demonstrating intelligent use of oak (7 months for 50% of the wine) and showing again just how good this part of the Uco Valley is for Cabernet. It's a blend of 2 separate lots from 3 different harvest dates. One lot with 5 days cold maceration; the second with 20 days post fermentation. A delightful, highly aromatic Cabernet.*

### Argentina

**BENEGAS** Sangiovese - Libertad Estate Vineyard 2009 Bottle (los)

18 ~~£19.95~~ **£5.00** **25 %** **£14.95**  
Reduced to Clear ONLY

*Anyone looking for something a bit different? This Sangiovese is from 80 - 90 year old vines grown at the winery's own Finca Libertad vineyard and it is a joy to taste! Quite different from its Italian cousins of course, it does nonetheless convey a very strong Sangiovese personality, particularly in the colour, bright garnet / ruby, and the nose, with lots of sun-dried tomato, forest floor and red cherry nuances. 12 months in French oak, 50% of which is new, and a fair bit of bottle age, make this a really intriguing wine.*

### Argentina

**BODEGAS ATAMISQUE** Assemblage 'Serbal' 2015 Bottle (Cab.Fr,Merlot&Malb) (los)

20 ~~£15.95~~ **£4.00** **25 %** **£11.95**  
Reduced to Clear ONLY

*The shape of things to come? We certainly think so. This blend of Cabernet Franc, Merlot and Malbec has been expertly brought together culminating in aromas of brooding dark fruit with floral high notes and a palate of raspberries and pepper. All of this sculpted without any oak enables a high level of freshness to be retained. Smooth enough to be enjoyed unaccompanied but would complement any dish with red meats.*

### Argentina

**BODEGAS ATAMISQUE** Malbec 'Serbal' 2017 Bottle(ck) (los)

26 ~~£13.95~~ **£4.00** **29 %** **£9.95**  
Reduced to Clear ONLY

*Grapes harvested in the Tupungato region of Mendoza, from vineyards over 1,300 metres above sea level, are employed in the production of this fruit-led Malbec. Production is carried out in a gravity-flow winery which allows the gentlest treatment of grapes, juice and wine as it is moved through the winery. Unoaked, the wine is afforded an extended ageing period prior to release. Intense ruby-red, the nose shows aromas of red fruit and violet; the palate shows plenty of that same red fruit, namely wild raspberry and strawberry with splashes of plum and damson flavours, finishing fresh and juicy.*

### Argentina

**DOMINIO DEL PLATA** Malbec 'Crios' 2013 Bottle Susanna Balbo

**NONNI** Cabernet Sauvignon, Angulo Innocenti La Consulta 2015 Bottle (los)

76 ~~£11.95~~ **£3.00** **25 %** **£8.95**  
Reduced to Clear ONLY

*Lots of fragrant cassis-like aromas on the nose and plenty of juicy black fruits on the palate. Despite the obviously ripe style, the wine does retain a lovely freshness in the mouth, perhaps aided by the complete absence of young oak. Bronze Medal, Decanter World Wine Awards (2014 vintage)*

### Argentina

**NONNI** Malbec 'Estate Grown' Angulo Innocenti La Consulta 2014 Bottle (los)

136 ~~£11.95~~ **£3.00** **25 %** **£8.95**  
Reduced to Clear ONLY

*The purity of the fruit here is a delight, with dense aromas of sweet plums and blueberries. Really succulent and round on the palate with a long, complex finish that belies the wine's relatively humble price. 30% of the wine was aged for 6 months in second and third use French oak. Nonni means Grandad, and this lovely little Malbec is a celebration of Maria and Mariano Innocenti's great Grandads, who jointly started together in business over a hundred years ago.*

### Argentina

**OTRA PIEL** Blend (Michelini Brothers) '13 Cab.Franc/Cab.Sauv/Pinot Bottle (los)

23 ~~£34.95~~ **£10.00** **29 %** **£24.95**  
Reduced to Clear ONLY

*Andrea is the wife of Geraldo Michelini, one of the other brothers in the Michelini family. They both work together on these wines, featuring some very unusual blends. This one is no exception, with Cabernet Franc, Cabernet Sauvignon and Pinot noir. This is clearly a modern classic, with loads of acidity and nervous energy. Clean and fresh on the nose, with green and black pepper, cassis and raspberry notes. Full of sour cherry flavours and a long intense finish.*

### Argentina

**ZUCCARDI** Malbec 'Serie A' 2016 Bottle(ck) (Vegan) (los)

1 ~~£11.95~~ **£2.00** **17 %** **£9.95**

*Located in Mendoza, one of the eight wine capitals of the world, the winery is the result of an ever-present innovative spirit and passion that drives the search for the highest quality possible from the soil. They are a family-led company, founded in 1963 by Alberto V. Zuccardi and directed today by his son, José Alberto Zuccardi. The Serie A Malbec is a blend of wines from 3 different sites, each providing an essential component that makes the wine more complete and complex. It is an intense and lively red-purple color. It also displays intense red ripe fruit aromas such as prunes and cherries, with black pepper and tobacco. We also detected chocolate, cherry liqueur, and spicy notes. On the palate, this wine is soft and velvety upon entry and has a lovely, juicy finish along with some firm tannins.*

*The name One Chain is the imperial measurement for 22 yards, or the length of a cricket pitch. However, you really don't need to be a connoisseur of the game to be bowled over by the bright red fruit and subtle oak of the Shiraz Cabernet. A rich, well balanced example of the Aussie classic blend. Lush black fruits coupled with touches of woodspice, liquorice and cassis follow through to a delicious, velvety finish. This wine is consistently good from vintage to vintage. Food Matching - Enjoy with grilled steak on the BBQ.*

 Drink: 2017 - 2030  
*"Very deep garnet-purple in colour, the 2012 Shiraz Ares reveals primary aromas of crushed blackcurrants, black plums and blueberries with touches of dark chocolate, aniseed, menthol, cedar and yeast extract. Concentrated, rich, and packed with black fruits on the full-bodied palate, it has a solid backbone of firm, chewy tannins and lively acid propping up the generous flesh and the finish is very long with a little oak still poking through. Give it 3-5 more years of cellaring."*

 THE WINE ADVOCATE eRobertParker.com #226 (Aug 2016) Lisa Perotti-Brown - 93 points - Drink: 2017 - 2028 "Deep garnet-purple coloured, the 2014 Shiraz Samantha's Garden is redolent of crushed blackcurrants and black cherries with violets, cloves, anise and menthol suggestions. *The grapes come from a range of selected vineyards including some over 80 years old. Winemaker Mike Farnilo joined the team as head winemaker in 2013 and is supported by Tim James. Together they aim to produce unique and distinctive wines which capture the essence of the region. They use modern equipment alongside traditional winemaking techniques to ferment the small parcels of fruit arriving at the winery. The term "hundred" originates from late Saxon and Norman England and refers to an administrative unit of government, meaning that 100+ households had to live in the area to qualify for its place on the map. Willunga 100 select their fruit from small parcels just as the district was divided up into '100s', or small lots.*  
*A splendid, perfumed, spicy expression of Grenache. Fresh red fruit aromas and flavours and silky tannins combine on the palate that has great substance and structure. Well-balanced, with lingering hints of clove.*

Bringing her feminine touch to traditionally strong, rustic and full-bodied wines, Marilyn succeeded in improving quality and taste with a rigorous selection in the vineyards and perfect control of the winemaking process. Les Argelières is a tribute to the "Terroir" from which these wines are produced, a terroir mostly made of pebble and limestone perfectly exposed to the sun. It enhances the fruit aromas giving the reds a vibrant fruit character.*

*Tasting Notes: Dark purplely red in the glass, there are blackcurrant and green pepper aromas, typical of the Cabernet Franc grape variety. Smooth, fruity and medium bodied on the palate with a spicy finish.*  
*Jancis Robinson, 2016, "Immediate dark-berried sweet aromas, verging on syrupy. Very sweet fruit - black cherries and black berries macerated in vanilla-spiked juice - held back from a shapeless gloop of jamminess by just-in-time-and-just-enough acidity."*

*Tasting notes: The cool weather trend of the 2014 led to a perfect ripening of all the three varieties of the blend, in particular it has helped the balanced expression of the early-ripening Merlot. The bright and intense colour shows the long and regular ripening season. The nose is clean, with pure aromas of white pepper, flowers and wild herbs. On the palate the notes of red cherry and mulberry are sharp and pure, sustained by balanced acidity and juiciness. The tannins are silky and refreshing. The finish is long.*

LUCIANO SANDRONE Barolo 'Le Vigne Sandrone' 2012 Bottle (los) 10 ~~£79.95~~ **£10.00** **13 %** **£69.95** **Reduced to Clear ONLY**  
*THE WINE ADVOCATE Robert Parker #225 (Jun 2016) Monica Lerner - 93 points*  
*Drink: > 2028 "The Luciano Sandrone 2012 Barolo le Vigne shows the trademark ripeness that I so often identify in this historic product. The bouquet is round and plush with thick layers of dark cherry marmalade, blackberry preserves and dark currant. Beyond those apparent fruit aromas, Le Vigne offers dark spice and licorice with a beautiful menthol signature on the finish. The wine's natural structure is padded by soft tannins and lush fruit consistency. In all, this important wine is less vibrant and distinctive compared to other excellent vintages such as 2008 and 2010."*

*"The 2004 Barolo Brunate is textbook Barolo from one of Piedmont's most historic sites. Gorgeous, open aromatics lead to a perfumed core of dark cherries, spices, menthol and eucalyptus. This vibrant, pure Barolo needs bottle age to come together, but it is a majestic wine in the making. Readers looking for an under the radar gem need look no further than Marco Marengo's sublime 2004 Barolo Brunate. Anticipated maturity: 2011-2024. In top vintages Marco Marengo can give some of his more famous neighbors a run for their money. 2004 is without question one of those vintages. Readers looking for a source of first-rate Barolo at affordable prices should consider these new releases, all of which are outstanding."*

*"A pure expression of Cabernet Franc, the 2010 Duemani shows verdant notes of rosemary, green olive, caper and wild sage. At its core, however, is brooding dark fruit, presented layer after thick layer. It is built like a rock with firm tannic structure that will carry it through the years. Fiercely independent and a man of mesmerizing intensity, Luca D'Attoma is one of the best winemakers in Italy. He consults with multiple clients including Le Macchiole, Tua Rita and Fattoria Le Pupille. Duemani is his personal property and winemaking follows his strict biodynamic philosophy." BIO-DYNAMIC.*

QUINTA DE LA ROSA Red Reserva 'La Rosa' 2011 MAGNUM (los) 10 ~~£59.95~~ **£10.00** **17 %** **£49.95** **Reduced to Clear ONLY**  
*The La Rosa style is to make well defined wines without too much extraction, tannin or oak. Wines that are rich and full bodied whilst being fresh and lively with a good acidity and minerality. Intense violet colour that shows the concentration of the wine, aromas still very young with enormous complexity that, whilst difficult to define, shows all of the Douro - mature dark red fruit, floral, cistus, herbal and schist elements are all present. On the palate, dense and rich but at the same time not heavy. Long and complex with a good, balanced tannin structure which give tension and structure to the wine without destroying the elegance and equilibrium of this wine.*  
*ROBERT PARKER The Wine Advocate - 95 points - "The 2011 Reserva is, not surprisingly, one of the stars of this vertical. It has good concentration, structure and intensity, but what it adds to many of the others is finesse and balance. It is just beautifully crafted, sensual and caressing in texture. It is nowhere near peak, though, and the tannins pop out with air. This should continue developing and it should have a long life."*

These are wines to be enjoyed at a social occasion with friends, while at the same time having enough complexity to suit any dinner table or fine dining event.*

*The wine has a deep almost opaque garnet colour with a bouquet of spice, dark plums and bramble berries. These flavours follow on the palate and combined with a fine tannin profile and integrated oaking give the wine great length. This wine can be enjoyed on its own but will be a great match with most barbequed meat.*

*This is not a shy wine. While it's not aromatically overpowering, showing sweet lush fruit with a bit of a peppery, earthy edge, as well as a bit of meaty, olive-like character, the palate is full and sweetly fruited, with plummy bitterness allied with high alcohol on the finish. Despite the high alcohol, though, this isn't a wine made in an over-the-top dead fruit and new oak style.*

On the palate it exhibits a satin texture, intense flavors, loads of spice, impeccable balance, and an elegant personality in combination with its power. *La Rioja Alta, S.A. has chosen the 2008 harvest to honor this brand, a symbol of Rioja, throughout the year. This is a significant vintage in the history of the winery. It was the first time that, to complement the choice of Tempranillo grapes that comprise the main part of the blend (80%), Garnacha grapes from La Pedriza vineyard in Tudelilla, Rioja Baja, were used. This spectacular 67 hectare terroir, planted in 2000, has unbeatable conditions for growing this variety. With very poor soils completely covered with boulders, it produces grapes of marked varietal typicity, very rich in aromas with a pleasant, elegant structure, giving the wine a unique character.*

Before you even get to the wine, the bottle is a beautiful thing to behold, so elegant. Fortunately, the wine itself follows up on this every step of the way. A very light pink rosé, reminiscent of the finest wines of Provence, with aromas of delicate rose petals and wild strawberries. On the palate, it's clear this is no wishy-washy light rosé. It is wonderfully refreshing but with a complex minerality not often seen in rosés. Bright flavours of wild red fruits abound, with delicate hints of peaches and cream. A proper rosé this, every bit a rival to the famous wines of Provence, with a certain generosity and charm they often lack.

"A lovely pale salmon pink colour and a fine florality, with hints of wild strawberry and cherry. It shows freshness and clarity, with natural acidity lifting the finish. This will be very good both as an aperitif and with food, due to the tension on the palate." Steven Spurrier, Decanter.com, February 2017 (2016 vintage)

A pinch of Pinot Meunier and Mataro add just the merest hint of spice.

**CA DI ALTE Prosecco N.V. Bottle (los)** 53 ~~£14.95~~ **£5.00** **33 %** **Reduced to Clear ONLY £9.95**  
*Ca' di Alte was created by winemaker Alberto Marchisio. Although himself a Piemontese, he has been working in the Veneto for some years. He joined Cantina Colli Vicentini as director and winemaker with the 2012 vintage and has since dramatically improved the quality of the wines. The grapes are grown primarily on the hills south of Vicenza, the Colli Berici, where the hillside sites ensure lower yields and better ripeness of the grapes. With Alberto's hand in the winery, the delicate aromas of the wines have been preserved. The Palladian window on the label references the work of the great Andrea Palladio, many of whose masterpieces are now UNESCO World Heritage Sites. The 16th century architect lived in Montecchio Maggiore, home of the Colli Vicentini winery, and Vicenza most of his life. This is officially an 'Extra Dry' style with 15 grammes of residual sugar. However the balance is spot on - it exemplifies the easy-drinking charm that has made Prosecco so popular in the last 5 years.*

*Estate founded in 1975 by Manuel Sancho, noted Spanish recording empresario, upon purchase of a 19th-century convent in the heart of the Penedès region. 100 acres of estate vineyards planted to local varieties plus Cabernet, Merlot and Chardonnay form the basis for an important production of both Cava and table wines. Cava may be the most underrated sparkling wine style, but I'm not sure why. After trying the Mont Marcal Cava Brut Reserva NV, we can firmly say Cava is one of the best values around. Displaying the same bright acids, hints of caramelised tangerines, brioche, with a tantalizing burst of bubbles, Mont Marcal Cava is what few are. This sparkler is worth every penny. Winemaker Notes: Estate-bottled, among the best Cavas regardless of price. Excellent base wine made from Xarel-lo, Macabeo and Chardonnay. Aged 18 months on the yeast, disgorged upon order.*

**BODEGA ANIELLO Blanco de Pinot Noir 2015/16\* Bottle (los)** 7 ~~£16.95~~ **£5.00** **29 %** **Reduced to Clear ONLY £11.95**  
*This is wonderful, and unique in Argentina as far as we are aware, and not just a gimmick wine, it's serious stuff. There's just the faintest hint of an onion skin hue in the glass, the only subtle giveaway that this white wine is made from red grapes. There are white flowers and a touch of wild strawberries on the nose; the palate is at once rich yet laced through with lovely, sensitive acidity. After a gentle press the must is clarified in stainless steel then put into concrete 'pots' for fermentation; the malo-lactic is partially interrupted and 10% of the wine is aged in French oak for approximately 4 months. A thing of genuine beauty and intrigue.*

**DOMINIO DEL PLATA Torrontes 'Zohar' 2014 Bottle/st Susana Balbo (los)** 48 ~~£12.95~~ **£3.00** **23 %** **Reduced to Clear ONLY £9.95**  
*It's hardly suprising that this wine is so damn good. Susana Balbo cut her winemaking teeth up in Salta Province; the home, many would say, of the best Torrontés grapes and, arguably, wines. Susana thus has a special affinity with this varietal, but not an irrational allegiance to its Salta provenance. For this wine, 10% of the fruit is grown in Altamira in the Uco Valley, where a rather more neutral wine with pronounced acidity is made. Blend these two things together and the result, we believe, is the perfect Torrontés. A true modern classic, highly aromatic but not cloying, very fruity but dry, crisp and refreshing. Try with Thai or other Oriental cuisines.*

*Based in Lontue, the company has a wealth of vineyards and the quality of the terroir is shown by the single vineyard wines. The whole range encapsulates everything that Chile excels at: rich, vibrant flavours and smooth, glossy textures - and the wines deserve the multitude of gongs they have picked up in recent years.*

*This white wine is elegant and soft, with flavours of peach and honey, with some mineral overtones. The texture is creamy and the finish is refreshing.*

4 ~~£34.95~~ **£10.00** **29 %** **£24.95**

*This flagship wine from Bret Brothers was very backward when we tasted it, yet the nose still possesses a marvellous stylish elegance. There is great weight to it, yet it has an energetic lift and displays some fresh mirabelle notes. Altogether quite delicious: the fruit keeps coming back in waves.*

*The 2014 harvest saw an early start, on 7th September, chez les Bret. The Brets characterise the vintage as combining excellent fruit with nervous tension, making the wines both approachable early and capable of long-term keeping. The three Pouilly-Vinzelles wines are from their own property, Domaine de la Soufrandière.*

BRET BROTHERS Pouilly-Vinzelles 'Quarts' 'Dom. Soufrandiere' 2013 Bottle (los)

2 ~~£34.95~~ **£10.00** **29 %** **£24.95**

*Selected from the best sectors of Les Quarts this has a very backward nose with some spice and excellent weight. Impressive, steely and chiselled on the palate with fabulous concentration. Perfect balance, huge energy and a magnificent finish. Grand vin! Jasper Morris, MW*

*Overall a low but not catastrophic 30 hectolitres per hectare for their own vineyards. The Domaine de la Soufrandière wines (the three from Pouilly-Vinzelles) were all picked between 27th and 29th September, clearly a great decision as these are some of the most sublime wines they have made, with a thrilling mineral precision coupled to the natural weight of the vintage.*

*Decanter Magazine tasting Score 89 points "Vouvray is one of the classic regions for Chenin Blanc, producing a wide range of styles from steely dry examples through to extremely rich wines, many of which have the capability to age for decades thanks to a razor sharp acidity. This dry Vouvray is delightfully crisp, with flavours of green apples and a touch of pear. Alongside the green fruits, there is a pronounced beeswax finish that coats the tongue, before being cleansed and refreshed by the zesty acidity. Drinking Window 2016 - 2019."*

*L'Orangerie (The Orange Grove) is a range of varietal wines produced by Maison Lorgeril, landowners in the Languedoc since 1620. They have selected these varieties from their vineyards, located just a few miles from the famous medieval town of Carcassonne, to offer you a range of wines which are fresh and elegant, adhering to the same winemaking philosophy we use to create the wines which bear the names of the family estates. These young, modern wines are the perfect choice for moments of relaxation and celebration: aperitifs, barbecues, and all manner of bold food and wine combinations.*

*Tasting: Very bright green yellow colour. Very powerful nose dominated by the aromas of fresh fruits like grapefruit, pineapple, lemon zest. There are also subtle aromas of fresh hazelnut. Very good balance in the mouth, lively and unctuous wine that develops a range of citrus flavours. A fresh wine to drink in his youth.*

MARQUIS DE PENNAUTIER Chardonnay 'Terroirs d'Altitude' 2015 Bottle (los) 3 ~~£11.95~~ **33 %** **£4.00** **Reduced to Clear ONLY £7.95**

The grapes for this wine, 100% Chardonnay, were from selected harvest, in the first few hours of the day. They were immediately drained and pressed and subject to three weeks fermentation at 16 to 18 C followed by malolactic fermentation in barrels with regular stirring of the lees. The wine was then aged for 10 months in oaks barrels before being bottled. The wine has a wonderful golden colour with powerful aromas reminiscent of pineapple, vanilla, passion fruit and apricot. Explosive on the palate, this wine is very fleshy and on the finish, the oak provides it with an exceptional length. It can be kept 3 to 5 years and is the perfect accompaniment to white meats or fish dishes in sauces and foie gras.

ROCCASTELLA Pecorino 2015 Bottle/nc (los) 38 ~~£10.95~~ **27 %** **£3.00** **Reduced to Clear ONLY £7.95**

An 'occasion' wine with an everyday price, its power and complexity have led some Italians to describe wines made from the Pecorino grape as red wine dressed up as white. Thought to have been extinct in the mid-20th Century, the Pecorino grape was rediscovered in an overgrown vineyard in the hills of Marche. Since the 1990s, new plantings have grown exponentially, thanks to this grape's luscious orchard and exotic fruit, complex sweet spice and fresh saline minerality. Perfect to enjoy from now and throughout 2018.

<i>VISUAL: In visual phase, clean, intense gold color with green iridescence and glycerical notes when the cup is rotated.</i>

At present Darroze have in their ageing storage cellars, armagnacs from more than 30 different estates located in various parts of Bas-Armagnac. The villages of Labastide d'Armagnac, Arthez d'Armagnac, Le Frêche, Villeneuve de Marsan, Le Bourdalat, Lacquy, Perquie, Hontanx, Mauléon d'Armagnac and du Houga have vineyards producing the best brandies. This area is what was used to be called "Grand Bas-Armagnac". It is in this area of 15x25 kilometres that they focus with determination their never-ending quest to discover and hopefully acquire yet another small quantity (a cask here, a dame-jeanne there) of the characterful Armagnacs so typical of the region. This particular Armagnac is from a well respected family from Créon d'Armagnac. Years of hard work enabled them to amass a collection of old armagnacs, all of which Darroze bought in the early 2000s. Comes boxed.

**Gin**

MINUS 33 Juniper Spirit by Silent Pool Bottle (70cl) 33%alc (los)

14 ~~£33.95~~ **18 %** **£6.00** **Reduced to Clear ONLY** **£27.95**

The aim was simple, to set out and create a naturally smooth, great tasting, low calorie spirit that didn't compromise on quality and flavour and following a process of careful experimentation, they found that when they reduced the alcohol level by 33%, customers actually preferred the taste. After fat, alcohol is the second most dense form of consumable energy and many producers add processed sugars to spirits until they achieve a smoothness that counteracts the burning taste of alcohol. They knew there had to be a better way and so Minus 33 was born. The Minus 33 recipe removes the use of refined sugars in favour of naturally sweet, naturally low calorie botanicals such as liquorice root and adopts a delicate distillation process to retain smoothness. The end result is a juniper infused spirit with around one third less calories than many of the other household gin brands. This slightly reduced percentage of alcohol means it's not gin as we know it but we believe it's something better.

Pimms has a powerful social associations with the English, or London, 'season', and the sort of people who take part in events such as Henley, Ascot, May Balls and wherever else the young (and not so young) in-crowds gather. Connoisseurs insist that only adding champagne as opposed to lemonade, makes a true Pimms No1 Cup.

HAVANA CLUB Anejo Blanco Cuban Rum Bottle (70cl) 37.5%alc (los)

3 ~~£20.95~~ **19 %** **£4.00** **Reduced to Clear ONLY** **£16.95**

This rum is aged for 1 year in oak before being blended and filtered. It is then aged a further 2 months in oak for mellowing. This Puerto Rican distilled rum made by Bacardi is based on a recipe from the Arechabala family who created it in Cuba in 1934. The family produced it up until 1960 when they fled Cuba after Fidel Castro nationalised the distilleries there.

TASTING NOTES: "Nosing the glass reveals notes of vanilla and brown sugar with light fruit notes lingering around the edges. On the palate the rum enters with the vanilla and brown sugar from the aroma. This is soon followed by quick notes of pineapple, dried papaya, raisins, and a pop of brine. Notes of minerals and char come in at the end creating a long savoury finish." Paul Senft.

AUCHENTOSHAN 12 Year Old Miniature (5cl) 40.0%alc

11 ~~£4.95~~ **20 %** **£1.00** **Reduced to Clear ONLY** **£3.95**

In common with other Lowland (and Irish) whiskies, Auchentoshan malt whisky is distilled three times (as opposed to most Scottish malt whisky, which is distilled twice). This triple-distillation has the effect of softening the flavour and body of the end product. The 12 year old is smooth, fresh and nutty with a golden honey appearance. It has a Crème Brulee smell with a burst of citrus and the signature nuttiness and green leafiness of Auchentoshan. To taste the palate is smooth and sweet with hints of tangerine and lime. To finish, it is a gingery and slightly drying with a pleasant lingering nuttiness.

**Whisky - Scotland**

AUCHENTOSHAN 18 Year Old Miniature (5cl) 43.0%alc (los)

23 ~~£6.95~~ **29 %** **£2.00** **Reduced to Clear ONLY** **£4.95**

This 18-year-old expression has been matured in first and second fill Oloroso Sherry butts, and is limited to just 4,800 bottles. Undiluted, the nose offers pear drops and distinctive fruit notes (fresh raspberries?), with more malt coming through when water is added. Elegant and eminently drinkable, even at cask strength, this Auchentoshan is fruity yet quite dry and nutty, with liquorice developing late on. The finish is progressively drying, with the fruitiness remaining right to the end, ultimately becoming akin to Rowntree's Fruit Pastilles.

**Whisky - Scotland**

AUCHENTOSHAN 3 Wood Miniature (5cl) 43.0%alc (los)

20 ~~£4.95~~ **20 %** **£1.00** **Reduced to Clear ONLY** **£3.95**

Founded by Irish refugees in 1825 on the outskirts of Glasgow, Auchentoshan is one of the last active distilleries in the Lowlands. In common with other Lowland (and Irish) whiskies, Auchentoshan malt whisky is distilled three times (as opposed to most Scottish malt whisky, which is distilled twice). This triple-distillation has the effect of softening the flavour and body of the end product. The Three Wood is intense, sweet and complex with a rich golden bronze appearance. It has a blackcurrant, brown sugar, orange, plum and raisin aroma with a fruit and syrup taste. The finish is fresh and fruity with long lasting oaky sweetness. <i>What happens if you ferment a juicy, full-bodied, low-bitterness IPA with Brettanomyces Claussenii (aka Brett C)? Siren hooked up with Wiper and True and set themselves the challenge to find out! This IPA gives out stacks of fruity notes from a super generous hopping of Citra, Simcoe, Loral, El Dorado and Hallertau Blanc.</i>

<i>Pale amber. Not a fruit beer, a beer with fruit. The malt base creates a sweetness to compliment the mango infusion. A lot of late hopping with Chinook and Cascade gives a juxtaposing bitterness that balances this beer to perfection. Dry hopped with Citra. Their Gluten Free bottled beers have been brewed in the same way and using the same floor malted Maris Otter barley and finest quality hops as their regular beers but with the gluten denatured in the last ferment. They have taste tested them on over 100 beer drinkers, with 100% not being able to taste the difference from our regular beers! Each individual brew is lab tested and certified GF and, therefore, carry the crossed grain logo. They are registered with the Coeliac Society.</i>
