G.D. VAJRA Moscato d’Asti 2018 Bottle/st Low Alcohol 5.5%abv

Aldo Vaira’s wines are characterised by pristine flavours and clearly defined perfumes. These characters are attributable to the position of his vineyards at about 400 metres above sea level in the village of Vergne in the commune of Barolo. G.D. Vajra was established in 1972 and named after Aldo’s father, Giuseppe Domenico Vajra.

This Moscato is youthful yellow in colour with straw yellow hues. On the nose there are expressive aromas of sage and fresh yellow fruits such as apricots, peaches and exotic fruits. A delicate, fine mousse refreshes and cleanses the palate. The balance between sweetness and freshness carries into a long creamy finish.

**NIEPOORT Late-Bottled-Vintage (LBV) 2013 Bottle**

Winemaker Dirk Niepoort calls this the “Little Brother” of his Vintage Port, as the origins of the grapes and vinification methods are identical. Deep red colour with a very vivacious, lustrous aroma of fresh dark plums, cherries and a hint of chocolate along with a silky aroma giving the wine great finesse. Fabulous extract on the palate with a tight, grainy texture intertwined with fresh dark fruits and a mellow spiciness. The wine can be enjoyed now, and will become more complex with further cellaring. To fully benefit from its qualities we recommend it be decanted before serving. Serve with soft cheeses, mild blue cheese, dark chocolate desserts or a pepper steak.

**QUINTA DE LA ROSA Finest Reserve NV Bottle**

This Port is made each year in the traditional manner trodden in granite lagares from grapes grown at Quinta de la Rosa. The Finest Reserve is then blended from our stocks of Port to produce a consistent quality, this blending occurs on a regular basis to ensure that stocks are always fresh. A Vintage Character style blended port of great quality and complexity. Showing beautiful deep ruby colour with plenty of forward fruit, full bodied with a long dry finish. The slight dry finish is typical of La Rosa’s house style. This Port has been lightly filtered and does not require decanting. Delicious with dessert or cheese.

**SANDEMAN Unfiltered late-Bottled-Vintage (LBV) 2013 Bottle**

This leads the charge! If we had to pick just one Malbec from all of the many we are proud to count in our portfolio, this could well be it, the desert island choice. (We would of course chill it!)

- History has it that vines were planted here centuries ago. Two thousand years ago the Latin authors Martial, Pliny l'Ancien, Columelle and Plutarch called the wine from Côte Rôtie ‘Vin Viennois’. 
- The dark colour shows a good concentration. The nose is a bit closed when first opened but after airing, aromas of black fruit and spices appear. The mouth is silky, elegant, feminine and very flattering. The finish is long and shows that the wine has plenty of life in it with flavours of cumin, sweet spices, blueberries and hazelnuts. Currently this wine needs to be decanted at least an hour before serving. Drink in its youth: Slow roasted lamb will be a great match for this wine. Le Magazine du Vin 95/100 points.

In addition, while in a big year they can produce 80,000 to 90,000 bottles (or more in the case of the 2000), they only made 50,000 bottles of the '03. Locked and loaded with notions of plums, Asian spice, olive tapenade and sweet cassis, it hits the palate with full-bodied richness, a massive mid-palate and layers of sweet tannin. ARGIANO Non Confunditur 2016 MAGNUM
(Cabernet/Merlot/Syrah/Sangiovese)

Non Confunditur is a wine that shows definite character, it is full-bodied with soft-tannins and has a long lasting finish. This blend, made of Cabernet Sauvignon, Merlot, Syrah and Sangiovese shows exciting power, with the inherent sweetness of the Merlot, the firm earliness of the Sangiovese grape, the spicy blackcurrant of the Cabernet and the warm red fruit of the Syrah. The result is a generous, round red wine for early to mid-term drinking with nice aromas of currant and generous fruit flavors.

93 Points - James Suckling: "This is beautiful on the nose, showing lots of brambly notes, ranging from undergrowth and forest floor to elderberries, raspberry bush and dried herbs. Full-bodied, tight and very elegant, framed by linear tannins and bright acidity. Drink in 2020." (September 2018)

MT. DIFFICULTY Pinot Noir ‘Roaring Meg’ 2016/17
(Bottle/st VEG/VGN)

Boutique winery Mt Difficulty was an early pioneer in the region. With their founding vineyards established in 1992, Mt Difficulty owns some of the oldest vines and is one of the most respected producers in Central Otago. Situated on the famous Felton Road in Bannockburn, this is a unique and rare area of extremes.

BOUCHARD FINLAYSON Pinot Noir ‘Walker Bay’ 2014 VGN

Food: Enjoy the wine with game, chicken, pork and veal. This is a wine that will be even more enjoyable after cellaring.

GLANELLY ‘Estate Reserve’ 2011 MAGNUM

2011 sees the unveiling of a new label for this old L&S favourite and its a cracker - a real improvement adding class to the look of this super value red from Stellenbosch. This is the flagship wine from May-Eliane de Lencquesaing’s [of Pichon-Lalande fame] immaculate South African outpost. It has an incredibly fresh feel which is low-dropping as you travel around this beautiful wine region - it really stands up for its elegance and well cut lines. But there is a lovely sophisticated fleshes here too - dark, quite brooding plummy fruit has a firm satisfying feel, neatly spiced and framed with super fine structure - this is a bargain and a sophisticated, stylish wine, beyond the norm from this part of the world.

NIEPOORT ‘Batuta’ Tinto 2015 Bottle (Touriga Franca, Tinta Roriz, Rufete)

THE WINE ADVOCATE (94 - 96)

Drink Date: 2018 - 2045

...This may be my favorite Batuta in a long time. Now, this is always an elegantly crafted wine, always understated (often, to a fault). This year, though, it has a particularly nice combination of freshness, grip and ripe tannins that make it very appealing. Then, it adds that gorgeous intensity of fruit flavor that this vintage produced, perfectly supported and defined by the acidity that slams the fruit into the palate. There is also very respectable weight (relative to this usually understated bottling and the elegant vintage). Overall, this deserves some props and plenty of them. It should age beautifully. It is also a vintage that is approachable young, but it will certainly be better in 2020 or so, assuming you can keep your hands off of it. It is very tasty now...."

Some Chardonnay is included in the blend; this is grown on the fine chalky soils of the Côte des Blancs and Vitry to give liveliness and elegance. **MAURICIO LORCA Pedro Blanco 'Recoleta' 2018 Bottle/st (los)**

- Tasted blind you’d expect this to be possibly an Albarino, perhaps a well-made Pinot Grigio. You probably wouldn’t expect it to be an inexpensive dry Pedro Ximenez [the grape variety best known for its exceptionally sweet and concentrated fortified versions made in Spain’s Jerez] from the east of Mendoza and made by one of Argentina’s top producers of Malbec and Cabernet Franc. This is fresh, floral, aromatic, with lots of lively, intensely refreshing citrus fruit, a really stylish and unusual little wine.

It comes from the highly esteemed Ricca Terra vineyards, and is all about the mineral drive and tangy sherbet acidity. Unico Zelo have of late been taking their winery to the next level, with some serious international attention coming their way.

**PATRICK JAVILLIER** Meursault ‘Les Tillets 2015/16 Bottle/nc (Chardonnay) (v2)**

Patrick Javillier is now one of Meursault’s best growers and it would be difficult to find another winemaker with quite such a perfectionist attitude as Javillier, a man who approaches winemaking with the precision of a research scientist, yet is always ready to question his own success.

The nose is expressive, marked by aromas of white flowers, yellow and white fruit as well as lightly spicy notes. The palate is round with lovely vivacity and excellent aromatic freshness as well as minerality. This is a wine with a great deal of finesse and persistence on the palate that doesn’t conceal its power. Elegant and linear, its style is between a classic Meursault and a Puligny-Montrachet.

**LAS MERCEDES** Semillon ‘Singular’ Maule Valley 2016 Bottle (los)

What a breath of fresh air this is – serious Semillon that somehow straddles the very best of Bordeaux Blanc restraint and Hunter Valley weight and concentration. But this comparison doesn’t really do justice to a wine that is very much its own master. It is certainly citrus focused on the nose, being happily unhibited by oak, and there are lovely mineral notes there too. On the palate the pronounced acidity works beautifully with an amazing richness of fruit flavour and texture. Most astounding is the incredible length of this wine, which is drinking really well now.

Andre Dézat is one of the characters of Sancerre and he is known locally and throughout most of the Loire as “le p’tit d’[dieu]”. His two very capable sons are in charge, Louis in the cellars and Simon in the vineyards. The white wine is outstanding; mouthfilling, steely and packed with gooseberries. Their 20 hectares are superbly situated around five villages. Again, low yields, and enormous care in the vineyards and cellars make for only the finest wines.

**CHRISTIAN MOREAU** Chablis AOC 2015/17 Bottle/nc (Chardonnay) (v1)

There’s no question that Domaine Christian Moreau Pere et Fils is one of the leading producers in Chablis. Year after year, this domaine produces classically structured, distinctive wines that reflect their origins beautifully. This generic Moreau Chablis – as usual for this cuvee – is 60% from the vineyards of a single grower behind Vaulorent, with the rest coming from Pargues. In short, if one believes in location, you can’t get much better in AOC Chablis.

Ripe, yet bone dry Chardonnay with crisp green apple, mineral and a touch of saline. It’s great for simple seafood or shellfish.

**HAUTS PEMION** Muscadet Sevre et Maine Sur Lie ‘Cuvee Selection’ 2017/18 Bottle(v1)

Christophe Drouard makes classic Muscadet from 16 hectares of vines with an average age of 35 years situated on silicon clay around the commune of Monnêtres. The wine is vinified at 21°C underground glass-lined vats, the malolactic fermentation being disallowed, and the wine rests on its lees (sur lie) throughout the winter. The wine is not fined and just receives a light filtration prior to bottling.

The wines are chosen almost every year by the syndicate of Muscadet growers to represent the ‘Finest of Muscadet Sur Lie’.

His wines are highly recommended as they are clean, fruity, well balanced and finish with a lovely softness.

Armagnac is the oldest known French spirit drink with a registered designation of origin. In contrast to cognac, the Armagnac is distilled only once in a continuous firing process. This is followed by storage for 2 to 20 years. The Baron Gaston Legrand estate, which belongs to the Lheraud family, specializes in the production and storage of vintage armagnacs, and can offer vintages until 1802. When Armagnacs of different ages have been blended, the age on the bottle refers to the youngest component. PINK GRANITE ‘The Stonemason’ London Dry

Handcrafted in the Channel Islands, Pink Granite Gin ‘The Stonemason’ is a tribute to the local stonemasons who have hand-carved this uniquely coloured stone that formed millions of years ago and is inspired by their ability to create monuments of timeless beauty. It makes the environment we live in very unique. This gin has been designed by Neil and Jane Pinel of Dunell’s, an award-winning independent wine and spirit specialist based in Jersey in the Channel Islands and is expertly made by Luke Wheeldon of the Channel Islands Liquor Company in Guernsey. It is the result of over 18 months work and we are extremely proud of the blend of 14 botanicals mainly focusing on an elegant infusion of locally grown raspberries as well as pink grapefruit, hibiscus and pink peppercorns. It has an incredible mid-palate and is so smooth making it ideal to be enjoyed neat, on the rocks, as a G&T or as part of a gin-based cocktail. There are no flavourings or sugars added post distillation so the gin is led by the true nature of the natural oils. A truly sophisticated gin.

  - Four Pillars Rare Dry Gin is made in a small distillery in Yarra Valley, Australia. Everything the Four Pillars distillers make is based around their four pillars - the still, the water, the botanicals and love. It’s sort of a bit like the four elements of hip hop.
  - Pillar 1 - The Four Pillars copper-pot still is called Wilma.
  - Pillar 2 - The water they use from Yarra Valley is triple filtered.
  - Pillar 3 - They use some local botanicals (Tasmanian pepperberry, lemon myrtle), some exotic botanicals (cinnamon, cardamom, coriander seeds and star anise) and some classic botanicals (juniper, lavender, angelica root), as well as whole oranges to give Four Pillars Gin its flavour profile.
  - Pillar 4 - The distillers love what they do and love what they have made. It all adds up to a vibrant Australian gin which stands out in cocktails, but tastes just superb neat.

- **GIN MARE Mediterranean Gin Bottle (70cl) 42.7% alc**

"Our firstborn gin, Mysterium, is infused with Africa’s ‘miracle herb’ buchu and Sceletium, a natural mood enhancer sometimes referred to as the ‘pathway to the gods’.

- **NORDES Atlantic Galician Gin Bottle (70cl) 40% alc**

They age the rum in an ex-bourbon cask solera and then charcoal filter the spirit to remove the colour while maintaining the fruity woody flavour. It’s quite a dry rum and is packed full of flavour - combined with its lack of colour it’s perfect for mixing.

RUM SIXTY SIX 12 Year Old Barbadian Bottle (70cl) 40%alc
Their Twelve Year Old Family Reserve was so named because the UK branch of the Seale family used to travel home with this rum in unbranded bottles in order to get them through the English winter.
In recent times, we have increased the ABV to 43%. The Twelve is a true Bajan style rum, vibrant and golden in colour, the nose gives you raisins and hints of vanilla. Aged and bottled on the estate, the Twelve delivers a complexity and smoothness you would expect. We enjoy it most on rocks with a slice of lime, it’s really too good to mix!

RUM SIXTY SIX Cask Strength Barbadian Bottle (70cl) 59%alc (los)
The Cask Strength exits the ex-bourbon barrels at 59% ABV after a twelve year tropical ageing process. Richard Seale, our master distiller, is insistent that rums should be made without adding flavours or being flagrant with age statements, and the Cask strength represents the pinnacle of this ethos. Despite the 59% ABV the Cask Strength is surprisingly sweet and light on the palate, a testament to the column still originated alcohols. Best enjoyed straight up on the rocks and in sensible quantities!

### INNIS & GUNN Craft Brewed Lager Can (440ml) 4.6%alc (24) - SINGLE

This Lager takes its inspiration from the German style of lager, Helles ('light-coloured'). First produced in Munich in the late 1800s as an alternative to the typical 'dunkelbier' ('dark coloured beer').

Like the first Helles beer this has a sweet, malty flavour balanced with a light aromatic hopiness that makes it very refreshing. The Naked Golden Oats are grown without husks so that even more sweetness and flavour can be extracted from the grains during brewing. Colour - Pale gold. Smell - Lemon zest, macadamia nuts, sweet biscuity malt. Taste - Crisp Helles-style. Soft, aromatic hops and rich nuttiness from the oats. Finish - Smooth and refreshing.

### INNIS & GUNN Original Oak Aged Beer Bottle (330ml) 6.6%alc (24) - SINGLE

Innis & Gunn oak-aged beer is like no other. Their pioneering production process is unique to them, a world first. In fact, it was discovered by accident! Using oak to age beer is unheard of. But, the flavours imparted by the oak barrels (previously used to mature bourbon) lend an incredible depth of taste. Think vanilla, toffee and orange aromas, with a malty, lightly oaked palate; soothing and warm in the finish. There is nothing like this among mass produced beers. Try it and see for yourself...

This beer has a golden-honey colour and aromas of caramel and rich roasted malts. On the palate it is incredibly smooth with a delicious toffee character and a light hop fruitiness with a creamy and warming finish.

Oxidation and the resulting spoilage of opened wine is now a thing of the past. winesave protects opened wine by laying a pure, inert and odourless gas called argon (which is heavier than air) across the wine’s surface in the bottle, thereby protecting its complex characteristics of colour and taste. For the wine drinker, this means you can enjoy the luxury of wines by the glass at home. It also means that you will never again waste any wine because of oxidation, nor ever feel compelled to finish a bottle just because it has been opened.
